A Warning to Mothers.

Too much care cannot be used with small children during the hot weather of the summer months to guard against bowel troubles. As a rule it is only necessary to give the child a dose of castor oil to correct any dis order of the bowels. Do not use any substitute, but give the old-fashioned castor oil, and see that it is fresh, as rancid oil nauseates and has a ten dency to gripe. If this does not check the bowels give Chamberlain's Colic Cholera and Diarrhoea Remedy, and then a dose of castor oil, and the disease may be checked in its incipiency, oil and this remedy should be pro- insincerity of word or act. cured at once and kept ready for instant use as soon as the first indication of any bowel trouble appears. known, and may be relied upon with the hearthstone. has only been a few years since Em- implicit confidence even in cases of peror Nicholas proposed universal cholera infantum.
