The new cook house is finished which will afford accommodations for the sixty odd men now employed at the yard.

The dance given by Ocean Rebekah Lodge No. 126, last Saturday night, in Bank Hall, was well attended, and there remains about \$25 after all expenses were paid. The march given by some of the members of the Lodge before the dancing commenced was enjoyed by all. Dancing was kept up until 4 o'clock, and was enjoyed by all notwithstanding the fact that the orchestra was disappointed at the last moment by a violinist Prof. Kansrud being ill, it was neces-

sary to secure another violinist, and as at a late hour no one had been able to play for them, consequently the orchestra had to play without one.

If you want your watch to give satisfaction send it to E. C. Barker & Co., successor to V. R. Wilson or Wilson Jewelry Co., Coquille.

Particular people desire particular shoes. We have a fine line of Ladies' and Children's Shoes. The latest styles for ladies, and the regular school shoes for the children. Call and see them at A. J. Hartman & Co.

County Assessor Thrift has been in Bandon for the past week making his regular yearly calls. He says there are still a great many that do not understand the new rulings on the valuation of property, but when they find out it is not going to cost them any more, but will lower the millage, they are satisfied.

Instead of shipping lumber out of the Coquille river, we suggest that someone ship a few loads in. There are any amount of orders at the mills for lumber suitable for building purposes, but they are all away behind in their orders and cannot supply the demand. It is thought it will make difference as soon as the new Cody mill gets into full operation.

The crew of the three masted gasoline schooner Sotoyoma struck Tuesday morning. Their grievances were many, but chief among them was the abuse heaped upon them by several of the officers. As we are going to press we see them all back again at work, and we take it for granted that the peace maker has alighted in their midst.

The Sun Typewriter is a truly visible writer. It is a \$40 machine. For rapid work, heavy manifolding, perfect alignment, perfect print it is not equalled by any other made.

It has a universal keyboard and is guaranteed in every detail. The U. S. Government have adopted it as the standard machine for the Departments of Agriculture and the Army.

It does away with the dirty, troublesome ribbon, and the inking device is perfect in its simplicity. The great typewriter trust has offered \$100,000 for this simple invention, but have been refused.

You cannot afford to purchase a machine until you have failed in your attempt to criticize the Sun Typewriter No. 2, after which a selection is easily made.
