Country Correspondence.

We want correspondents in every section of the county. Surely there is one among our subscribers in every place that would like to see their place represented in the columns of their home newspaper. Write to us and we will send you postage, stationery, and the Recorder. All items are asked to be at this office not later than Tuesday of the week it is to be published. We would like to hear from Prosper, Langlois, Parkersburg, Lampa, Bullards, and other places close to Bandon every week. Think it over and supposing you send them to us. We will devote all of the space necessary to such reading as it is widely read and interesting to all of our readers.—Ed.

Port Orford Notes.

From the Tribune.

Will and Nellie Doyle returned from Bandon Sunday, having with them their sister, Mrs. Ed. Mather of North Bend, who will visit her parents and relatives at the mouth of Rogue river. A Catholic Priest came down with them.

Frank Smith will take charge of the wharf here and its business, succeeding O. Louvo, who has so long and so successfully run the business. Nearly fifty years ago Mr. Smith had charge of the lighters that shipped lumber from the Harry Tichenor mill at this place.

Potatoes are retailing at 3 cents a pound in Port Orford. They have a silvery taste not relished by common people. We are not eating them—only nibbling at them to keep them in "memory dear" until the next crop arrives.

Julius Koch is having his house finished up inside in a way that will make it outshine any bachelor quarters we know. He will not dare let any of our widows have a glimpse at the interior! The artistic painting and papering is being done by L. P. Mathews, who advertises in the Tribune.

Hare Notes.

Master George Horner stepped on a rusty tin and cut his foot badly, Monday.

Rev. Ed Robinson returned from Madras, Crook county, Oregon, the past week after his family and they will start back on June 5. Mr. Robinson was converted in December in the church of the Holy Rollers and took up ministry soon after. He preached a good and interesting sermon last Sunday at the school house to a large crowd.

Mrs. W. W. Smith gave Mrs. Robinson a farewell party at her residence on the 28. Dinner was spread on the lawn and a good old fashioned picnic was had, there being 32 present, and all will miss Mrs. Robinson when she leaves our little midst.

On June 8, the school house will be opened to organize a Protestant Sunday School. All come and help. Hour appointed, 2 o'clock sharp.

Farmers are busy hoeing and planting garden. Salmonberries are ripe and blackberries are beginning to turn red. Early crops this year.

It seems like Sally of Four-mile, has a heap of trouble. First it is Bandon boys shooting into letter boxes, then the farmers' telephone line bleating like sheep. Well we just ask Sally to move among us good people here in the mountains, and stay with us till she gets her nerves settled, as letter boxes are never molested here and no farmers lines to bleat through. Poor Sally, we all feel sorry for her.

BACHELOR BUTTON.

Coquille Notes.

From the Sentinel.

The scholars of the seventh grade of our public school will be compelled to attend school for one month after school is ended this term. This is done in order to make up for the month lost last fall when the trouble arose over the teacher.

Over 300 persons from the bay went to Bandon last Sunday on the excursion given by the Acme band of Marshfield. The train did not come to Coquille, but stopped at Cedar Point where the excursionists took the Dispatch for the city-by-the-sea where they enjoyed themselves on the beach and spent a pleasant day viewing the beauties of the Coquille valley.

Land & Lyons are considering the advisability of putting a drive way from Second street to the vacant lot between their building and the telephone office, and arrange it so that when a rancher drives into Coquille

he will have a place to hitch his team, where they will be off the streets and be secure. This is one thing that this city has needed for a long time and it will be appreciated by a good many ranchers.

A combination of citizens of this place have formed a pool to hire an attorney to tender to the Southern Pacific railroad money for certain quarter sections in their grant. The scheme is working in the Willamette valley and several pools have been formed to obtain this valuable land under the original agreement with the government. So far the attorneys for the different pools have been turned down by the company and the attorneys are preparing to bring suit. The local pool have secured an attorney and will push the matter to the end.

Notes From Four-mile.

Mr. Dunning of Tonapah, Nevada, has been down on Four-mile settling up some affairs of his father, who it is remembered had a store on Four mile, but had to give it up on account of sickness. The old gentleman died in January.

Mr. Rasmussen and son took a trip to Marshfield the fore part of the week.

R. P. Hunt moved to his Four mile ranch the first of the week.

A case of measles is reported at Clayton's mill.

Mr. R. Gardner and Miss Mancelot visited Mr. Delos Gardner last week.

Mrs. Will Allen has been down on the creek visiting the past few days.

T. H. Shaw sold his sheep to Mr. Nantberg of Brush creek.

It was reported that the Four-mile road supervisor was dead. But it was a mistake as he was seen doing some much needed work on the road.

The Bandon, Four-mile Telephone Co. will hold a telephone meeting at the new mill Friday afternoon at 2 o'clock.

Seven and one-half Chicken Ranches.

I have divided my land into a little over seven sections containing five acres each which I have on the market. These will make excellent chicken ranches, and the land is adapted to the culture of small fruits. A sixty foot right-of-way passes through fronting each tract. They lay two and a quarter miles south of Bandon near the plank road, and sell for \$60 and \$65 an acre. These lots are not in the hands of any real estate dealer, and I do my business direct with you. Call on or address:
