To Our Customers and Friends:

Having sold our interest in the Bandon Market we wish to thank our customers for their generous patronage and support, and we trust that our successors, the Allen Bros., will receive a continuation of the same generous support, which is an essential feature in the upbuilding of a commission house; to the rancher, it means a market for all his produce, which otherwise would spoil, as it has in the past; to the consumer, it means equally as much, as it means that there will be a produce market where fresh fruit and vegetables can be had the year around. Patronize it if you want it to grow. We still have other interests here, and only wish we had more, for Bandon looks good to

Yours truly,  
H. M. AXTELL & Co.

### Lost.

I lost my blue hand bag on the 8th of Aug. 1907 containing green-backs and silver, something like \$40, between the Racket store and Mast's store I think. If the one finding it will please be honest enough to leave it at the Bandon Recorder office, and state their reward, I will ask the Lord to send them peace and prosperity, meaning much to any one.

MRS. ALICE NIELSON.  
Port Orford, Curry Co. Ore.

Editor Bandon Recorder: Seeing an article in the Recorder from the pen of Geo. W. Axtell in which he willfully lies, I beg space in your paper to correct the same. Mr. Axtell states that I was appointed Deputy State Warden prior to the time I killed the deer on that prospecting trip, which is false as my commission shows, but then any one acquainted with Mr. Axtell's standing for truth and veracity in the community will not be surprised at his misstatements of facts. The fact that Mr. Axtell has twice been arrested for violating the Game law and both times made affidavit for a change of venue from the District where he resides, is proof that he himself recognizes his standing in the community, his standing is such that he is afraid to trust his trial to a jury of his neighbors. We are willing to compare reputations in every respect with Mr. Axtell.

Yours,  
M. T. Wright.

A. J. Hartman has the finest line of groceries in town. Call and see them.

He will spend his summers here.

Mr. Botts is also a retired capitalist and is looking up some timber propositions. He says this country has a great future and is investing in lands in this vicinity. He will purchase a home here and also spend his summers here. Both gentlemen came to this western country twenty-eight years ago and until recently were in business in Tacoma.
