

Bandon Development Association Gives Spread

In Honor of Coos and Curry Teachers Institute Last Thursday Night.

APPROPRIATE REMARKS AND TOASTS ARE GIVEN

Masonic Hall Very Artistically Decorated with Ferns, Oregon Grape and Native Flowers. Tables were Laid for One Hundred and Fifty.

Last Thursday evening the Bandon Development Association gave a banquet in honor of the teachers of Coos and Curry Counties in the Masonic Hall. The hall was very prettily and artistically decorated. Several fish nets had been hung across one end of the room and ferns and flowers and Oregon grape were twined all through it, making a partition. All around the room the natural flowers were in evidence in festoons and hangings.

The banquet tables were arranged in rows lengthwise of the room with a long table at the end. On one side of the partition a place was reserved for the orchestra which gave several well rendered selections during the evening.

After the banquet a few appropriate remarks were made by Toastmaster G. R. Wade, who called on several of the visitors and townspeople to speak. The following responded with toasts or musical numbers:

- Welcome, H. C. Ostien,
- Address, T. B. Wheeler,
- Toast, Supt. Bunch,
- " T. G. Bunch,
- " Prof. Raab, North Bend;
- " Prof. Reedy, Marshfield;
- Instrumental Solo, Henry Adams,
- Toast L. R. Traver, Portland;
- Vocal Solo, Winnie McNair,
- Toast, Mrs. Wilbur, Marshfield;
- " Supt. Robison, of Multnomah, County;
- Vocal Solo, Miss Mary Minot, of Marshfield;
- Toast, Prof. Mulky, Ashland;

After the closing remarks by the toastmaster, the party went over to the Bank Hall where dancing was the attraction until an early hour in the morning.

New Saloon Opens.

A. Jamison opened up his new saloon last Saturday evening at seven o'clock. The work of construction of the new building has been pushed and the finishing of the down stairs is not yet entirely completed. The up stairs is being finished and Mr. Jamison will move his household effects in soon.

The latest improved bar fixtures and conveniences have been installed, and Mr. Jamison informs us he will carry a first class stock of everything in his line.

Changes Hands.

The Bandon Market changed hands last Thursday, and the new proprietors are well known residents of this place. Messrs Axtell and Leneve, of the H. M. Axtell & Co., will remain in Bandon. They expect to put up several dwellings for renting purposes in the near future, and while Mr. Leneve will be absent for some time at Port Orford, both gentlemen will make their homes here.

The business will be conducted along the same lines as before. We are informed a larger stock of groceries will be added, and the new management will do their utmost to cater to the wants of our citizens.

Bandon Athletic Club.

The Board of Directors of the Bandon Athletic Club, met, pursuant to call of Pres. Charleson, in the offices of Bandon Investment Corporation, Tuesday night, and listened to a proposition made them by Geo. P. Laird, who proposes to erect a building 40x90, with the upper floor for gymnasium purposes, to be fitted up in modern style and leased to the club. In all probability his proposition will be accepted; the matter was left in the hands of a committee consisting of Pres. Charleson, Treas. Hoyt and Sec. Daily, who was elected to fill the vacancy caused by the resignation of Guss D. Gross at this time. It was voted to allow the secretary \$5 per month as compensation for his work. The new goods for the Club have arrived and members are requested to ginger up again and keep it going.

Secretary, pro. tem.

Serenade Party.

Last week a mention of the Gharavart party on Mr. and Mrs. Geo. Cody on Friday evening, August 16th, was omitted. In the excitement of the visiting school ma'ams, it was mislaid with other items, and not found until too late for publication.

A party, with Mrs. Cole and Mrs. Yates, as chief instigators, arranged a splendid repast, and with the assistance of a small army of assistants armed with tin whistles and tin cans, proceeded to the new home of the Cody's in Azalea Park. The surprise was complete. George was up to his elbows exploring a lot of crabs he had enticed into his crab net that afternoon, and met the crowd with his gentle smile at the door with a big apron around his neck.

The house was turned over to the serenaders who laid a repast that was enjoyed by all. The evening was spent very pleasantly and only too soon the wee hours began to show in evidence, and after one farewell song the party broke up, all wishing the new couple a long and prosperous life, and giving a vote of thanks to the ladies who engineered the affair.

Dr. J. G. Goble the well known Optician of Medford will visit Bandon during Sept. Dates given later.

Boy Wanted.

We have a position for a bright intelligent boy who wishes to learn the printing trade. Boy about 16 years of age wanted, and one that is willing to apply himself to the work. Call at this office Saturday morning.

Organized Church.

A Baptist church was organized by Rev. Thomas of Coquille, in the Concrete Hall last Sunday evening. Regular services will be held at stated intervals and a good membership was secured on the start. There will be services next Sunday.

McConnell--Butler Meeting.

The State Evangelists of the Christian Church have been doing good work. About twenty old members have been gathered up, and six have been converted. Mr. McConnell says he is sure that by the time the meeting closes he will have forty members. A lot will be secured and in a short time a building with a seating capacity of 750 will be erected. Bandon needs something of this kind to accommodate the large crowds that sometimes assemble. At present there is no room in the city that will seat all who would like to attend the revival meetings meeting Sunday evenings.

The services this week are being held in the old South Methodist Church, but on Sunday at 11 a.m. and 8 p.m., and all next week, the services will be held in the Opera House. Mr. McConnell has organized more churches than any other one man in Oregon. When he starts a proposition of this kind he always pushes it through.

Mrs. J. B. Marshall.

Mrs. J. B. Marshall died at her home Wednesday morning, August 28th, in West Bandon, at the age of seventy three. She has been feeble for some time, but up to the time of her death was not seriously ill. She was formerly Jane Bogget, born in Ohio, Jan. 12, 1834 and was married to J. B. Marshall on New Years Day 1854. Three children came of this union, two of whom are now living Mrs. Anna Jones, of Fourmile and W. D. Marshall of this place.

Mrs. Marshall has resided in Bandon for the past twenty years. She is well known and had formed a large circle of friends. J. B. Marshall survives her and will deeply miss his companion through life. He was with her at the time of her death, and she passed away very peacefully.

The sympathy of the entire community is extended to the family during their hour of berevement. The funeral services were held this morning at ten o'clock in the Presbyterian Church at this place. Rev. Horsfall preached the funeral sermon.

Veteran's and Pioneer's Re-Union

PROGRAM - TO - NIGHT

Address of Welcome, Response and Music Last Night.

The Old Soldiers and Early Pioneers are here accompanied by their families and are spending a few days on the bluffs west of Bandon. The grove is lined with their tents and once more they gather around the camp fires relating frontier experiences and war stories.

The boats on Wednesday were crowded with new comers and they are still coming today. Many have driven here in teams. Each year there are more campers than before, and together with these camped for these three days, the white city on the hill has grown to large proportions.

A grand stand has been constructed from which the program is given. Yesterday was given mostly to enrollment and pitching camp. Last night a band concert was given by the local band and an able address of welcome was given the visitors by C. R. Wade, and responded to by a North Bend veteran in behalf of the soldiers and pioneers.

There will be a program tonight consisting of recitations, singing, speaking, war time reminiscences and band music. This program is rather lengthy and will commence at eight o'clock sharp. Tomorrow evening the encampment will close with the taps. A grand ball will be given by the band Saturday evening. This dance was to have been given Friday evening, but owing to the fact that most of the visitors will remain over Saturday, it was decided to have it later. The music will be furnished by the Seaside Orchestra.

The Ladies' Art Club have a stand on the grounds from which they serve light lunch. In the evening it is very prettily decorated with Japanese lanterns. After the program each evening the several camp fires are surrounded by young people who relate stories and sing songs late in the evening. All are having a good time, and if the weather can be prevailed upon to remain nice the balance of the week, there will be nothing to mar this celebration.

Tomorrow is Pioneer's Day. They will have a program during the day and in the evening. A dinner for the pioneers only, will be held in the G. A. R. Hall. It is through the untiring efforts of members of this local post that this encampment has been a success. A. D. Morse has spent much of his time the past three weeks arranging for grounds, speakers and for the general entertainment of the visitors.

Former members of the Christian Church are requested to be at the eleven o'clock services at the Opera House next Sunday. Come and take the stand with us. We wish to hold a short business meeting after I preach a short sermon. Let there be a grand rally that day.

Coal Miner's Strike Averted

INCREASE THEIR WAGES

15 Per Cent Raise and the Price of Powder will be Lowered

Seattle, Wash., Aug. 26.—Coal miners will receive an average increase of wages amounting to 15 per cent; the operators will recognize the United Workers of America; the price of powder, supplied by operators, will be reduced to contract miners; house rent and fuel will be unchanged and a number of small operating conditions will be regulated to suit the miners.

This is the result of a month's conference between coal miners of the Northwest and the operators. The United Mine Workers will meet with the operators tomorrow to sign a wage scale that will be effective for the next year.

Through all the negotiations between the operators and the miners the Pacific coast co., the largest coal producing corporation on the coast, has had 1,500,000 tons of coal afloat enroute to this coast which would supply all the requirements of that corporation.
