Capt. Ott Willard has been over to the Bay attending to the construction of his new passenger boat which will be on the run on the Coquille in about two months. The keel for the boat was laid three weeks ago and the work is being hastened as much as possible. The boat will be 56 feet long and 10 feet wide, we have been informed, and will be a double decker. It is calculated to make the run in two hours with ease.

A canvass of the business houses, wholesale and retail, as well as the factories, proves that business has gotten back to normal conditions. Many report an increase over last year. There has not been a failure or a suspension of a single business house or factory in Portland. The people of the State can depend upon the newspapers of Portland giving them the facts, and before they get these facts, they can depend upon any news contrary to the above statement, being mere rumors.

The river steamer Dispatch now lies a few miles this side of Coquille where she is letting the fresh water take off the barnacles. Her new boiler is being rushed to completion but owing to the severe tests made by the government officials of the material used in her construction, causes considerable delay. We understand the plates are made in the East and shipped to Portland, where it is built. This new boiler is 2 feet longer than the old one, and is high pressure 200 horse power. A dynamo for lighting is ordered and will be installed, making the craft the finest on the river. The old patrons will be glad to see the vessel back on the run, which will be early in the new year. She will make much better speed than formerly, and will make a fine passenger boat.

The House of Honest Values.

We offer below a few suggestions to show what we have to please the particular customer. Our one aim in making the selection stock is to buy what will please. We always take price, quality and durability into consideration, and find that it is making our store so popular—the ability to please our customers.

Shoes and Furnishings

The little fellow soon scuffs out his shoes. It seems to be an endless chain of shoes the year round to keep him provided. We carry a line of school shoes that are made to scuff around in. They wear good and the price is right. The Cahnn-Nickelsberg Shoe for Men and Women who care for style and a good all round shoe, and the White House brand are our most popular lines. We can please all. The Buster Brown Shoe for the Children give satisfaction everywhere. Special in this line is a consignment of the latest ties. All of the latest styles, sizes, colors and prices. We would also call your attention to our line of Hosiery. The Lyon Brand of Hats always give satisfaction and we have them in all sizes. Levi Strauss makes the best overall on the market, and we handle that brand.

A big stock of the latest in Ladies' Hosiery, both Cashmere and Cotton. Call and see it. Our Shirt Waists and Skirts are beauties. We believe they are the prettiest in town. Call and see them. Children's Underwear, the kind that wears and gives satisfaction, are on our shelves. Popular sizes and reasonable prices. Dress Buttons—Lots of them. Remember the place when you need any.
