Tuesday night the residence of Frank Lichty, of South Bandon was totally destroyed by fire together with his household effects. Very little could be saved, as the flames had a good start before they were noticed. The alarm was turned in about 8 o'clock, and the antediluvian rim-bell poured forth its sounding alarm that could be heard for nearly a block. The Presbyterian church bell was rung which spread the alarm. The fire department took the new chemical to the scene of the flames, and did good work on surrounding buildings, as the Lichty residence was too far gone to save anything. The house was owned by J. T. Mars. We understand that there was no insurance.
