

Local Lore

Call on the Bandon Co-operative Realty Co.

Ladies' Cloaks, only a few of them left, and they will soon be gone. You can get them at Lorenz & Hoyt's.

Lorenz & Hoyt have received a lot of souvenir pocket books they are giving away to their customers as compliments of the season.

Miss Getty of Empire has accepted a position in the Prosper schools, staying nights in this city, going to and from her school on the Coquille Bandon boat.

Frank Cary, who has been seriously ill, is convalescent, and is now able to be up for a short time each day. He has been suffering from meningitis of the brain.

People are, to a certain extent, judged by the clothing they wear. If you desire to give an up-to-date impression, you can do so by wearing one of Lorenz & Hoyt's suits.

Clarence Boice, No. 1 at the Bandon Life Saving Station, will move to Empire City to take a similar position in the Coos Bay Station. Mrs. Boice will accompany him, and they will make it their home at Empire.

Did he bring that umbrella back yet? No, of course not, they never do. Why not get one of those new ones at Lorenz & Hoyt, and have your name engraved on the handle? It is cheaper than buying umbrellas every year.

D. F. Plymfore of Humboldt Co., California, who recently came to Bandon to follow the business of contracting, has purchased land on the bench in southern Bandon, and already has lumber on the ground preparatory to building a home.

J. G. Hill, who last week attempted suicide, has changed very little since that time. At first he seemed somewhat improved, and expressed a desire to recover. At the present time he seems to have become much weaker, and at times semi-delirious. His condition is very serious.

W. E. Crane and Dock Jameson have completed a good sized and substantial boarding house building adjoining the Price shipyard, and are about ready to feed the hungry toilers at the yard. The boarding house will be managed by Mr. Jameson in an up-to-date manner.

From O. Wren, keeper of the Coquille River light-house, we have obtained the official amount of rainfall in Bandon for the last two years: For the year 1906, Jan. 1st to Dec. 31st, the fall amounted to 52.79 inches, and the year 1907, Jan. 1st to Dec. 31st, 69.80 inches, making a greater fall of 17.01 inches for the latter year.

A coon (of the quadruped variety) was seen upon Main Street during a severe rain storm Tuesday night about ten o'clock, at least so vouchered for by no less a person than the Government engineer, who usually appears of a sober frame of mind. Some dogs chased the animal under McNair's Hardware store where it was lost sight of.

Mr. and Mrs. Edward Boyd came down from Coquille last Saturday to visit for a few days at the home of Mrs. Boyd's brother, J. L. Conger. Mr. Boyd, who is a passenger conductor on the Union Pacific Rail Road, has been visiting his wife and family at Coquille for the past couple of weeks, expects soon to return and resume his position with that Company.

Everyone who has lived long in Bandon can call to mind several annual dances given by the local court of Foresters of America, and will be more than pleased to hear that the organization will again entertain the many friends of Bandon, as well as brother denizens of the Forest from foreign courts, on the 25th of January at Bank Hall with an all night dance, planned to be the biggest affair of the season. Music will be furnished by the Seaside Orchestra.

Wm. R. Ward and wife, formerly of Eureka, Cal., now of North Yakima, Washington are expected to arrive this week to visit at the home of Mrs. Ward's son, R. E. L. Reddick.

C. E. Hollopeter, Louis Doonar, and G. T. Treadgold were passengers upon the up river boat last Monday morning, the two former going to Marshfield, Attorney Treadgold stopping in Coquille to attend County Court in session.

The Rev. M. C. Wire, D. D. Presiding Elder of the Eugene District of the M. E. Church will hold Quarterly Conference at Bandon on Sat. Eve. Jan. 11, and preach at both services the following Sunday. Communion will be administered at the morning service. All welcome. W. S. GORDON, Pastor.

W. J. Maloney, who last summer superintended the construction of the Steam Schooner Bowdoin, is in Marshfield this week on the Steamer Fulton, and will make another run in place of the regular Captain who is ill in Frisco. Mr. Maloney informs us that the Bowdoin, of which he will be Captain, will in another month be completed, and ready to go upon her regular run.

A Cure for Misery.

"I have found a cure for the misery malaria poison produces," says R. M. James of Louellen, S. C. "Its called Electric Bitters, and comes in 50-cent bottles. It breaks up a case of chills or a bilious attack in almost no time; and it puts yellow jaundice clean out of commission." This great tonic medicine and blood purifier gives quick relief in all stomach, liver and kidney complaints and the misery of lame back. Sold under a guarantee at C. Y. Lowe's drug store.

Opportunity for Teachers.

The Southern Oregon State Normal School at Ashland offers special opportunities for teachers to review for the teacher's examinations in February and August, and to take work in Pedagogy and in Special Methods of teaching in the various grades of the training school. Since the public schools of Oregon are calling for teachers who can teach Manual training, many are taking advantage of the industrial work lately installed in the school. Expenses of board and lodging and tuition nominal.

The State Normal School of Ashland is enjoying the largest appropriation of state funds ever granted a Normal school in the history of Oregon. Catalogues sent on application to the

"When attacked by a cough or a cold, or when your throat is sore, it is rank foolishness to take any other medicine than Dr. King's New Discovery," says C. O. Eldridge, of Empire, Ga. "I have used New Discovery seven years, and I know it is the best remedy on earth for coughs and colds, croup, and all throat and lung troubles. My children are subject to croup, but New Discovery quickly cures every attack." Known the world over as the King of throat and lung remedies. Sold under guarantee at C. Y.
