An effort will be made to organize a base ball league in Coos County this coming season. Here's to a better one than 1907 developed. Such an organization put on a paying basis, and working together in hearty co-operation, will furnish many an interesting game and be appreciated by those base ball fans who like clean base ball.

The latest news occupying the headlines of the dailies is the assassination of the King of Portugal and the Crown Prince, and the serious injuries of the Prince Manuel, now King. This event has caused the report of a republic being formed, and a general anarchistic uprising. Strict censorship prevents details being given of the affair. The Life insurance of the King is said to be \$220,000.

A. J. Hartman has received the finest cash register from the National Cash Register Co., of Dayton, Ohio, that has been seen in this country. It is very similar to the one used by Lorenz & Hoyt, being a cabinet six feet high and contains four money drawers. The cost of the machine was \$655 and Hartman says it was money well spent. A new feature of the machine is the adding of cash sales, credit sales, money paid out and on account, separate from each other.

Did he bring that umbrella back yet? No, of course not, they never do. Why not get one of those new ones at Lorenz & Hoyt, and have your name engraved on the handle? It is cheaper than buying umbrellas every year.

Pedestrians who have to go up the west hill at night can testify as to the efficiency of our new lighting system. The light at the city hall and the one at the top of the hill gives plenty of light for that particularly bad place, which in stormy weather is covered with a couple of inches of running water over the sidewalk.

The old steam schooner Coquille, which was built here in the many years gone by, struck the bar last trip out of Florence bound for San Francisco and sprung a serious leak. She reported her condition to a passing steamer equipped with wireless, who notified Cape Blanco, where assistance out of Coos Bay was summoned. The tug Columbia put off to sea and brought the vessel into the Bay Sunday. The pumps had been running steadily for over seventy hours.
