troubled with a peculiar spasmodic affection of the throat. It would seize me suddenly and for a few minutes I would be unable to speak audibly, and my breath would be greatly interfered with. I would be obliged to gasp for breath.

"I finally concluded that it was some catarrhal affection which probably excited the spasm. It interfered with my vocation as a preacher, attacking me occasionally in the pulpit.

"I had heard so much about Peruna as a catarrh remedy that I determined to try it. After taking two bottles, my trouble has disappeared. I feel sure that Peruna has greatly benefited me."

Rev. P. E. Swanson, Swedish Baptist pastor, Box 228, Grantsburg, Wis., writes that from the use of Peruna he is perfectly well, entirely cured of chronic diarrhea and catarrh.

I was cured of a bad case of catarrh when nothing else that I tried had any effect. My wife was cured from a severe case of la grippe, and we feel that the least we can do is to gratefully acknowledge the merit of Peruna.

## ASK RELEASE OF GIRL SLAYER.

Jessie Morrison, Who Killed Her Rival, Said to Be Dying in Prison.

Interest in the tragic life story of Jessie Morrison, of Eldorado, Kan., is revived through the efforts of influential friends to secure her release from the Kansas State penitentiary for the murder of her school girl friend, Mrs. Olin G. Castle. The young woman, once known throughout the State as a beauty, is said to be dying as a result of her confinement in the woman's prison, with sixteen years of a twenty-year sentence yet to serve.

The crime for which Miss Morrison is paying the penalty was committed when she and a successful rival in love

engaged in a razor duel. Her opponent was Mrs. Olin G. Castle, who, as Clara Wiley, was married to young Olin Castle, clerk in an Eldorado store. Both girls had in turn been wooed by him.

July 22, 1900, nine days after the wedding of Clara Wiley and Castle, Miss Morrison visited the young wife and the fatal battle ensued. "I was called to the Castle home by Mrs. Castle, who commenced a furious tirade against me," she says in telling the story. "She attacked me with a razor. I snatched the weapon from her and slashed her." Mrs. Castle died a week later.

Miss Morrison had three trials. In each of which she was found guilty. The first time she was sentenced to three years in prison, the second to ten, and the third time to twenty.

The prominence of the principals of the case made it one of the greatest interest throughout the country. The convicted woman's father was at one time a member of the Kansas Supreme Court.

W. R. Boggs, an American, was slain by Mexican laborers who demanded their wages.

Two bombs were found beneath the box of King Carlos of Portugal in the Royal Theater of Lisbon.

Brigands tortured Marquis Cito of Naples and forced his wife to write a check for \$20,000 for his ransom.

The death sentence of Prof. Karl Hau, convicted of murder in Germany, was commuted to life imprisonment.

Empress Alexandra of Russia became so ill that special consultation of court physicians was deemed necessary.

In the effort to gain the mastery of the Pacific, Japan forced every foreign shipping line out of the China trade.

Thousands of native troops who attacked the French forces on the Algerian frontier were driven back into Morocco.

A steamer went on the rocks off the Nova Scotia shore in a blinding storm, but the 600 persons aboard were taken off.

Oscar Erbsloeh was forced by German authorities to pay duty of \$30 on the James Gordon Bennett Cup he won in the balloon race.

Herr Lange, a well-known translator, predicted a famine in white paper and urged America to look to the preservation of her forests.

Finance Minister Kozlovsk, in announcing the budget in the Duma, Tuesday, said that it would be necessary to get \$13,000,000 on credit to meet the extraordinary expenses.

## RHEUMATISM CAN NOT BE RUBBED AWAY

It is perfectly natural to rub the spot that hurts, and when the muscles, nerves, joints and bones are throbbing and twitching with the pains of Rheumatism the sufferer is apt to turn to the liniment bottle, or some other external application, in an effort to get relief from the disease, by producing counter-irritation on the flesh. Such treatment will quiet the pain temporarily, but can have no direct curative effect on the real disease because it does not reach the blood, where the cause is located. Rheumatism is more than skin deep—it is rooted and grounded in the blood and can only be reached by constitutional treatment—IT CANNOT BE RUBBED AWAY. Rheumatism is due to an excess of uric acid in the blood, brought about by the accumulation in the system of refuse matter which the natural avenues of bodily waste, the Bowels and Kidneys, have failed to carry off. This refuse matter, coming in contact with the different acids of the body, forms uric acid which is absorbed into the blood and distributed to all parts of the body, and Rheumatism gets possession of the system. The aches and pains are only symptoms, and though they may be scattered or relieved for a time by surface treatment, they will reappear at the first exposure to cold or dampness, or after an attack of indigestion or other irregularity. Rheumatism can never be permanently cured while the circulation remains saturated with irritating, pain-producing uric acid poison. The disease will shift from muscle to muscle or joint to joint, settling on the nerves, causing inflammation and swelling and such terrible pains that the nervous system is often shattered, the health undermined, and perhaps the patient becomes deformed and crippled for life. S. S. S. thoroughly cleanses the blood and renovates the circulation by neutralizing the acids and expelling all foreign matter from the system. It warms and invigorates the blood so that instead of a weak, sour stream, constantly depositing acid and corrosive matter in the muscles, nerves, joints and bones, the body is fed and nourished by rich, health-sustaining blood which completely and permanently cures Rheumatism. S. S. S. is composed of both purifying and tonic properties—just what is needed in every case of Rheumatism. It contains no potash, alkali or other mineral ingredient, but is made entirely of purifying, healing extracts and juices of roots, herbs and barks. If you are suffering from Rheumatism do not waste valuable time trying to rub a blood disease away, but begin the use of S. S. S. and write us about your case and our physicians will give you any information or advice desired free of charge and will send our special treatise on Rheumatism.
