

What Our Neighbors are Doing

We want a Representative in every Town

Coquille Notes.

Frank Johnson, a stranger in this vicinity, is in the county bastle, charged with larceny. He was caught shoplifting in the store of Mrs. Nosler, and his bond is fixed at \$500.

The little daughter Dixie, of Mr. and Mrs. Jeff Wilson, who is suffering with meningitis, is reported somewhat better.

Ethel, the little daughter of Mr. and Mrs. M. Barklow, who has been at the point of death for the past several weeks, is reported much improved.

The three debaters of the High School, which will enter the debating contest in Bandon, are as follows: Dorothy Watson, Owen Knowlton and Gretchen Sherwood. The topic upon which they will debate is: "Resolved—that the best Method of Building up our American Merchant Marine, is by a System of Ship Subsidy."

Myrtle Point Notes

From the Enterprise.

The band improved the fine afternoon last Sunday by giving a concert from the stand at the park that was much appreciated by the people who were out for a stroll.

Roy Stevens has installed a stock of groceries in the store room in the Racker building adjoining his father's place of business, and is out after his share of the trade.

The C B R & E is gradually getting its rolling stock in first class condition and adequate to the requirements of the line. A new box car, complete, made at the Marshfield shops, was brought up for the first time the latter part of last week. The combination smoker and baggage coach has been completely overhauled and repaired, and is again on the run as one of the most convenient coaches of the line.

Port Orford Notes.

A good attendance is reported at the Hoyt performances given here and at Dairyville. Their work was well received and is probably the best we have ever had in this section of the country.

John H. Wilkinson, aged 85 years, died in Port Orford, January 22nd. He was one of the oldest residents and earliest settlers of Curry County. He leaves no relatives and was buried in Port Orford Cemetery.

Curry County candidates consider the plum of office holders worth seeking according to cards appearing in the newspapers. Nine aspirants are now up to fill five offices.

A daughter was born to blacksmith Bowman and wife of Dairyville, on the 20th of last month, and died a few days later.

Dr. Manu of Dairyville, returned the latter part of the week from attending the Medical Association in Portland.

The recent storms have greatly improved our agate beach. There seems to be a limitless supply, and visitors always take a number of these beautiful stones away with them.

The Woodmen of the World and the Circle installed officers last Saturday evening, following which was a spread enjoyed by all.

C. H. Crew killed a very fine sea otter off Cape Blanco. The fur is said to be very valuable, and this one is a large specimen. Three out of four shots fired took effect.

Prosper Notes

The dance given by the Jolly Boy's Club Saturday evening was a grand success.

Miss Eva Goodman entertained a party of friends at her home last Friday evening.

Hermann Hongell and family spent Sunday with Mrs. Peterson.

Prosper is certainly getting in line. We are to have a show here Wednesday evening.

W. A. Hoover and family have moved from Myrtle Point to Prosper.

Mat Rasmus has left our community for Beaver Hill. Good riddance, as he left owing nearly everybody on the lower river.

The gasoline launch that Oscar Hendrickson and Alex Sandstrom are building, is well under way and the builders are looking forward with great expectations to the launching.

Mr. and Mrs. Ed Fahy and family were in Prosper Sunday spending the day with Mr. and Mrs. S. W. Fahy.

Working with several commercial bodies over the state, and aided by individual fruit-growers, the Portland Commercial Club has issued a fruit bulletin composed of four pages of the New Year's Oregonian. Each paper sent out bears a paragraph, conspicuously stamped in two places, telling the reader that he can buy his ticket on the road most convenient to him at a remarkably low colonist rate between March 1st and April 30th. The \$30 rate from the great middle west is made the striking feature of the stamp—of course mention is also made of rates from other sections. The bulletins are prepared in advance for the use of the agents employed by the various railroads, localizing the rate for their particular line.

The executive committee of the Portland Commercial Club are appealing for additional funds to advertise the resources of Oregon, and at no time during the active work of that committee have responses been so generous. New subscriptions are coming in, former contributions are either doubling or materially increasing their subscriptions, and every cent of it is devoted to advertising the state and not the city.

Complete plans have been decided upon for the Oregon building at the Alaska-Yukon-Pacific Exposition, and up to date it is the most attractive state building yet shown in America upon the grounds of a great fair.

Send one of our Christmas numbers to your friends in the East. They will talk louder than any other advertising medium.

The Jumping Off Place.

"Consumption had me in its grasp; and I had almost reached the jumping off place when I was advised to try Dr. King's New Discovery, and I want to say right now, it saved my life. Improvement began with the first bottle, and after taking one dozen bottles I was a well and happy man again," says George Moore, of Grimesland, N. C. As a remedy for coughs and colds and healer of weak, sore lungs and for preventing pneumonia New Discovery is supreme. 50c and \$1.00 at C. Y. Lowe, druggist. Trial bottle, free.

Suffering and Dollars Saved.

E. S. Loper, of Marilla, N. Y., says: "I am a carpenter and have had many severe cuts healed by Bucklen's Arnica Salve. It has saved me suffering and dollars. It is by far the best healing salve I have ever found." Heals burns, sores, ulcers, fever sores, eczema and piles. 25c at C. Y. Lowe, druggist.
