

What Our Neighbors are Doing

Who want a Representative in every Town

Coquille Notes.

From the Sentinel.

Hark Dunham attended a meeting of the K. of P. lodge at Bandon Monday evening. Four candidates were initiated and two applications received.

The Coquille Educational League of this city will give a banquet at the Masonic hall February 12, in honor of the visiting teachers who will be in attendance at the teacher's examination on that date.

A flat car which was loaded with lumber went off the tracks in the yards this week. The bridge gang have removed the lumber and put the car back on the track.

"Bob" Bowman, the cigar man of Bandon, was in the city Wednesday on his return from a business trip to Marshfield. Mr. Bowman reports that business is good and the only fault they have to find is that it is impossible to employ cigar makers. Their trade is increasing and it is impossible to keep up with orders with the present force.

Orvil Dodge returned last Friday from Washington, D. C., where he attended the session of the river and harbor congress which convened in that city the first of December.

The last program of the tenth grade literary society was worthy of praise; it speaks well of excellent work. The newly elected officers are Esther Boyd, Pres., Belle Thrift, Vice Pres., Dorothy Watson, Sec. and Treas., and Emma Maury, Critic.

The new boilers for the Dispatch are expected soon, as Mr. Dunham while in Portland found the boilers on a car where they had been for over two weeks, and the company promised to ship them on the next boat.

Prosper Notes

Prosper is certainly coming to the front. The Hoyt's made a three night stand and drew a crowded house each night.

The schooner Oregon, Capt. Anderson, is loading at the Randolph Mill.

J. R. McGee, from up river, was in town Monday.

Steamer Elizabeth took her usual cargo from the Prosper Mill Co.

Mrs. Fred Gribi and mother were in town today visiting friends and relatives.

Schooner Ruby arrived. Capt. Korth should be complimented on the fine appearance his vessel always makes.

Mr. Bullard and family paid Prosper a visit and while here took in the show.

E. H. Fish has been out of town for a few days looking after the interests of the Prosper Mill Co.

Myrtle Point Notes

From the Enterprise.

Mr. and Mrs. Ralph Rackleff and sons went to Bandon Wednesday for a visit with relatives.

Dr. J. Wetmore was called to Riverton Wednesday to see a resident of that section who is seriously ill.

The rocking of the ford between the city and the mill is progressing under the direction of Road Supervisor Braden. The rock is brought from the crusher by rail and deposited on the road.

A. E. Howie of Coquille was in Myrtle Point Wednesday to attend the meeting of the Coquille Valley Fruit Growers Association. Mr. Howie is much interested in the development of this section along fruit growing lines.

Port Orford Notes

From the Tribune.

The dance given Saturday night

by Norman Tyler was a very enjoyable affair with quite a large attendance.

It is reported that C. J. Smith our old-timer at Gold Beach has fallen heir to over a million dollars. We hope it is true. He is the best whistler in the county, and we hope he won't lose his whistle which represents a cheerful spirit.

Mr. Chenoweth Sr. was found dead at his home near Dairyville, Monday morning, having died suddenly of heart trouble a disease of which he complained for several years. He was a most useful and honorable citizen, a good neighbor, and a fine mechanic, whose death is a calamity to the community.

Frank Cook and George Quigley have been clearing the Port Orford Cemetery of brush, stumps and logs and when they get through it will present an appearance creditable to the town.

Chas. Long has gone to Bandon to look up a business proposition with a view of locating there.

Candidates for the various offices are now coming out daily and much hand shaking is going on.

Dan Jurgensen resigned his position with Mr. Knapp and accepted one at Jamieson's mill on Sixes River.

It Pays to Advertise.

A certain man whom we will not name is convinced that advertising pays. He advertised a lost \$5 bill and a stranger who had picked up one on the street read the ad. and restored the bill to the advertiser. A few days later, while looking over a coat he had laid off, the original bill was found. He says, "begorra, advertising pays 100 per cent." Advertise in the RECORDER, it pays.—Swiped.

Keeping Open House.

Everybody is welcome when we feel good, and we feel that way only when our digestive organs are working properly. Dr. King's New Life Pills regulate the action of stomach, liver and bowels so perfectly one can't help feeling good when he uses these pills. 25c at C. Y. Lowe's drug store.

How They Do It In Missouri.

A Boone man who has been down in Missouri during the recent financial pucker, says he didn't see any clearing house certificates, but he husked corn a week for a man down there and when he drew his salary the old man gave him four coon skins to square the bill. He went over to a store and purchased a pair of mittens and some tobacco, throwing down a coon skin in payment. The merchant put it under the counter, rang it up on the cash register and gave him a skunk and two weasel skins for change.—Ex.

Neighborhood Favorite.

Mrs. E. D. Charles, of Harbor, Maine, speaking of Electric Bitters, says: "It is a neighborhood favorite here with us." It deserves to be a favorite everywhere. It gives quick relief in dyspepsia, liver complaint, kidney derangement, malnutrition, nervousness, weakness and general debility. Its action on the blood, as a thorough purifier, makes it especially useful as a spring medicine. This grand alternative tonic is sold under guarantee at C. Y. Lowe's drug store. 50c.

The Jumping Off Place.

"Consumption had me in its grasp; and I had almost reached the jumping off place when I was advised to try Dr. King's New Discovery, and I want to say right now, it saved my life. Improvement began with the first bottle, and after taking one dozen bottles I was a well and happy man again," says George Moore, of Grimesland, N. C. As a remedy for coughs and colds and healer of weak, sore lungs and for preventing pneumonia New Discovery is supreme. 50c and \$1.00 at C. Y. Lowe, druggist. Trial bottle free.

Suffering and Dollars Saved.

E. S. Loper, of Marilla, N. Y., says: "I am a carpenter and have had many severe cuts healed by Bucklen's Arnica Salve. It has saved me suffering and dollars. It is by far the best healing salve I have ever found." Heals burns, sores, ulcers, fever sores, eczema and piles. 25c at C. Y. Lowe, druggist.
