

Lecture Course.

As announced last week a lecture and entertainment course, consisting of three numbers under the local management of the high school, has been secured for the people of Bandon. These are all high class entertainments and should receive the endorsement and patronage of all. The first of the course will be given at the opera house on Wednesday evening, April 22. William Lee Greenleaf, impersonator, will be the entertainer at that time. This is his fifteenth season before the public in his successful entertainments as an impersonator, and doubtless a most enjoyable evening is in store for all who attend. He presents as monologues Hamlet, Julius Caesar, Rip Van Winkle, The Lady of Lyons, The Merchant of Venice, A Midsummer Night's Dream, and many shorter impersonations.

The proceeds of the entertainment course will be used by the high school for the library or some other useful purpose, though the object is not primarily for the raising of funds for this purpose, but rather to supply for our people a course of high class entertainments.

Tickets for the course of three entertainments will be sold at \$1.00; this will include reserved seats. Tickets for a single entertainment, reserved seats, 50c. General admission, 25c.

School Notes.

Mr. Bunch called and gave the high school an interesting talk last week.

Rittie McNair returned to school Monday after a week's absence.

School was dismissed Friday afternoon at 2:30, it being Arbor day.

The children are looking forward to vacation, Friday, as it will be election day.

The class in English have just finished the Sketch Book.

The debate between the Coquille high and the Bandon high, will take place May 8th, if everybody is ready.

Mr. Greenleaf, the impersonator, will give an entertainment in the opera hall Apr. 22. Mr. Greenleaf is the first of the entertainers in the course, and is an impersonator of the highest ability. The usual difficulties in monologue work being overcome by him.

Kodol for dyspepsia has helped thousands of people who have had stomach trouble. This is what one man says of it: "E. C. Dewitt & Co., Chicago, Ill.—Gentlemen—In 1897 I had a disease of the stomach and bowels. I could not digest anything. I ate, and in the spring of 1902 I bought a bottle of Kodol and the benefit I received from that bottle all the gold in Georgia could not buy. I still use a little occasionally as I find it a fine blood purifier and a good tonic. May you live long and prosper. Yours very truly C. N. Cornell, Roding Ga., Aug. 27, 1908."
