Former Bandon Pitcher Weds.

The following from the Examiner of April 28th will be of interest to friends of the one time Bandon star pitcher:

The marriage of Miss Hazel May Root and Charles A. Baum, manager of the Fresno Baseball Club, took place last evening at the home of the bride's mother, 1618 Sutter street. The ceremony was performed by the Rev. Cecil Marrack of St. Steven's Episcopal church in the presence of about one hundred friends and relatives.

Miss Root was attended by Miss Lizzie Baum, sister of the groom, and Miss Shirley Erret. Edwin Bernard Myers and Edward Johnson acted in a like capacity for the bridegroom.

Mrs. Baum, who is nineteen years of age, is the daughter of Assemblyman George W. Root of Grass Valley. She has made her home in San Francisco for a number of years past, and has a large circle of friends on both sides of the bay.

The bride was the recipient of many beautiful wedding presents including a magnificent silver set from the directors of the Fresno Baseball Club. Mr. and Mrs. Baum, after a brief trip to Del Monte will make their home in Fresno.

A Suggestion.

To the Business Men of Bandon:

I expect to begin a series of evangelistic services in your city on Sunday May 10th. During such revivals in Coquille, Gardiner and other places, all business houses, by mutual consent closed at seven o'clock, so all who desired could have the opportunity of attending.

Thus no one lost any trade, and all had a rest from the usual long hours. Myself and workers will greatly appreciate it if you will act on this request for two weeks beginning next Sunday.

Yours very cordially,
W. S. GORDON.

An Open Letter

Editor Recorder:

Appreciating the space your paper has always given to the moral and religious welfare of Bandon, I wish to announce that I expect to begin a series of meetings next Sunday at the Methodist Church.

This added labor and responsibility will not add one cent to my income, and my only object is to help the people.

Persons of all shades of opinion will be welcome and treated respectfully.

Will you not plan your work and pleasures so you can attend and at least throw your influence on the side of righteousness?

While some, usually many, have been led into the christian life in every meeting I have ever held, I realize I can do nothing without the help of God and the people.

The magnitude of the results will be largely what the people make it. Can we depend on you to help?

One feature of these services will be good singing and solos by the pastor and others.

Yours for the good of Bandon,
WILLIAM S. GORDON.
