A Sad Accident.

One of the saddest accidents that has occurred in this community for many years, happened Tuesday afternoon about 2:30 o'clock when Victor Russell was hit on the head by a falling limb with such force that his skull was so badly crushed that he never regained consciousness, but died about 9:15 the same evening.

Mr. Russell, a d brother-in-law were cutting trees in the timber near Randolph and had just cut a tree, and stepped back for it to fall, when unknown to them a limb fell from the tree, hitting both of them and resulting fatal to Mr. Russell.

Victor Russell was born at Randolph, June 3 1887 and would have been 21 years of age had he lived until June 3rd this year. He was a young man of high moral character and was much loved by all who knew him. For some time past he has been the main support of his widowed mother, who is almost overcome with grief at his untimely death. He has a number of relatives in this community all of whom have the sympathy of many friends in their great bereavement. The funeral was held at eleven o'clock today by Rev. J. S. Tilton and interment was made at Randolph.

To the voters of Coos and Curry Counties:

As a candidate for joint senator, I have been asked to make a public statement:

Of myself personally, I shall say nothing as I have lived in Coos County for the past 14 years, and during that time have actively engaged in many occupations and enterprises, including coal mining, logging, road building and general contracting, so that I have come in contact with most of the active elements in the county development, and my character, dealings and reputations are well known to many and easily ascertained by all.

As for my general qualifications, for the office, I leave the public to judge, but that there may be no misunderstanding of my position, I make this public announcement that I have signed Statement No. 1, and if elected shall vote for the people choice for United States Senator. My experience and acquaintance with local conditions should enable me to properly represent the district, and I therefore feel justified in asking for your support.

HUGH McLAIN.

The Bandon town election was held last Monday but was a very quiet affair, and one who was not familiar with the place would never have known that an election was being held. There was no strife, for the offices and a general good feeling among the citizens was everywhere prevalent.

The only officers elected were the town Recorder and town trustees.

For Recorder C. R. Wade was the only nominee and he received 177 votes of a total of 187 cast at the election. M. Brower and A. D. Morse each received one vote for recorder.

For town trustees there were ten candidates with five to elect. R. E. Bedillion; 117; W. C. Craine, 132; John W. Felter, 71; Steven Gallier, 112; Pat Hanrahan, 56; John W. Hoover, 75; Charles Langlois, 71; John C. Shields, 103; O. A. Trowbridge, 51; A. E. White, 68.

The successful candidates were Mr. Bedillion, Mr. Craine, Mr. Gallier, Mr. Hoover and Mr. Shields, all of whom are representative men and will give the town a good administration.

Bandon citizens should congratulate themselves upon the excellent men that are to control the town for the coming year.

The Most Common Cause of Suffering
Rheumatism causes more pain and suffering than any other disease, for the reason that it is the most common of all ills, and it is certainly gratifying to sufferers to know that Chamberlain's Pain Balm will afford relief and make rest as soon as possible. In many cases the rheumatism pain, which is at first temporary, has become permanent, where in old people subject to chronic rheumatism, often brought on by dampness or changes in the weather, a permanent cure cannot be expected. The relief from pain which this liniment affords is alone worth many times its cost. 25 and 50 cent sizes for sale by C. Y. Lowe.
