His Dream.

"There is some money, my love," said the husband. "I don't want any," replied the wife. "Come, now, darling, take this five pound note and go out shopping." "Thank you, dearest, but I really don't care to. I would rather stay at home and see to the housework." Then the husband awoke and found that he had been dreaming.—Liverpool Mercury.

Many remarkable cures of stomach troubles have been effected by Chamberlain's Stomach and Liver Tablets. One man who spent over two thousand dollars for medicine and treatment was cured by a few boxes of these Tablets. Price, 25 cents. Samples free at L. W. Co.'s drug store.

Young Featherhead soon after purchasing his elegant new touring car was taken with a swelling on the back of his neck. He went and consulted his physician about it. "Doctor," he said, "are there such things as automobile diseases?" "It is not unlikely," was the doctor's response. "At least automobile may develop tendencies to disease that he dormant under ordinary conditions." "Well, I wish you would look at that spot on the back of my neck and tell me if the excessive use of my motor car has anything to do with it?" The doctor complied. "It isn't," he said gravely. "That looks as if it might be either a carbuncle or an auto-bile." — Youth's Companion.
