This is what Hon. Jake Moore State Warden of Georgia, says of Kodol For Dyspepsia: "E. C. De Witt & Co., Chicago, Ill.—Dear Sirs—I have suffered more than twenty years from indigestion. About 18 months ago I had grown so much worse that I could not digest a crust of corn bread and could not retain anything on my stomach. I lost 25 lbs., in fact I made up my mind that I could not live but a short time, when a friend of mine recommended Kodol. I consented to try it to please him and was better in one day. I now weigh more than I ever did in my life and am in better health than for many years. Kodol did it, I keep a bottle constantly, and write this hoping that humanity may be benefited. Yours very truly, Jake C. Moore, Atlanta, Aug. 10, 1904." Sold by Bandon Drug Co.

Bandon Beats North Bend.

The Bandon base ball team took North Bend into camp Sunday to the tune of 7 to 3. The result was a great delight to the Bandon fans and a sore disappointment to the North Benders as the latter had just added three new players to their list, including a pitcher. Hull the new pitcher was a sad disappointment to the North Bend fans as the Bandon aggregation simply landed him. Finally North Bend had to fall back on Taylor who won the thirteen inning game at Coquille a week ago by going in the box in the seventh inning for North Bend and after he entered the box, the game was more evenly contested. While they found Taylor, he kept the hits scattered.

Bandon played a good game. Jordan pitched good ball and the field was snappy and the stick work was first rate.

SUMMARY.

Myers and Hughes; double plays, Porterfield to Manion; bases on balls, off Taylor 1, off Jordan 1, hit by pitcher by Jordan 1, struck out, by Hull 2 by Taylor 3, by Jordan 7; passed balls, Flanagan 1; sacrifice hits, Kelly 1, J. There is wide spread criticism which seems well founded, of the law requiring the voters of the whole state to vote on the formation of a new country. This is for the most part a matter of local interest, and ought to be settled under some general statute, by the people directly concerned.

VERITAS.

Prince Helie de Sagan and the ex-wife of his cousin Boni de Castellane are having a hard time getting married, or else by pretending to find great difficulty in doing so are succeeding in keeping their names continuously in the newspapers, which is perhaps a prime object with them, or at least with the pseudo prince.
