THURSDAY..... July 30, 1908

In another column of this issue we published a letter from C. A. Warren, of the Warren Publicity Co., of Portland. Mr. Warren was here recently and succeeded in working up enthusiasm enough to get the business men to subscribe for a "booster pamphlet" for Bandon and vicinity. This is one of the best moves that has been made for a long time. What we need here is people, and if the outside world can be made to realize what we really have here, there would not much time elapse until the people would be pouring in here by the hundreds, and we could find a place in the city and in the Coos county fields for everyone of them.

The Coquille valley cannot be surpassed by any place on the face of the earth and we doubt very much if it even has an equal. The vast forests, the mineral resources and the possibilities of farming, dairying and fruit growing, are practically exhaustless. If we are ever going to act, now is certainly the time. We need a railroad and need it badly, before the full resources of the country can be developed, and all progressive citizens are interested in a railroad. One way to get the railroad is to get the people, and when they once get started in to developing industries there will be so much business here for the railroads, that they cannot afford to stay out. Let everyone read Mr. Warren's letter, which is entitled "Boost Bandon," then let us get to work and act in unison for the greater Bandon that is sure to come. We have the harbor for great shipments, we have the beach for a beautiful summer resort, we have the resources for a great industrial community. "Let's get busy."

## HELP FOR THOSE WHO ARE IN TROUBLE.

After doctoring for about twelve years for a bad stomach trouble, and spending nearly five hundred dollars for medicine and doctor's fees, I purchased my wife one box of Chamberlain's Stomach and Liver Tablets, which did her so much good that she continued to use them and they have done her more good than all of the medicine I bought before. —SAMUEL BOYER, Folsom, Iowa. This medicine is for sale by C. Y. Lowe. Samples free.

## High Price for Grain

Despite the fact that the wheat crop of the United States is conservatively estimated at 75,000,000 bushels greater than that of last year, the grain markets of the world continue to advance, acting under the law of supply and demand. With the tremendous increase in supply, the price of wheat is fully as high as it was a year ago, when there was a shortage in the United States. There is also a tremendous increase in corn and oats, and corn is 20 cents per bushel and oats are 5 cents per bushel higher than the previous year. The total increase on the gross value of wheat, corn and oats is placed at nearly \$75,000,000 more than last year, based in prevailing prices. The market value of the 1908 crop of wheat, corn and oats will be in excess of \$3,000,000. The fortunate part of all this is that with the placing in circulation of the added \$75,000,000 there is scarcely an industry in the United States that will not benefit by the improved condition. —Pacific Homestead.

There is one preparation known today that will promptly help the stomach. This is Kodol. Kodol digests all asses of food, and it does it thoroughly, so that the use of Kodol for a time will without doubt help anyone who has stomach trouble. Take Kodol today and continue it for the short time that is necessary to give complete relief. Kodol is sold by Bandon Drug Co.

## Obituary

Francis Marion Wandling, aged 47 years, 2 months and one day died at his home near Lake City, Calif. July 4, 1908. Deceased was married Oct. 16, 1890 to Addie Edith Miller. Two children were born of this union, Addie Marie and Harry. Death claimed his first companion and he laid her to rest in Feb. of 1894. In 1897 he was married to Hattie May McMullen. One child, May, was born to them.

Mr. McMullen was baptized into the Evangelical faith in 1896 and on coming to Bandon five years ago he and his wife united with the M. E. Church of this place. His many friends will long cherish his memory, as will also his family, as a devoted christian, a fond husband, a loving father and a loyal citizen. Brother Wandling had been a great sufferer for more than three years and left here last fall for California in hopes of benefitting his health but instead has been steadily declining and it is quite likely that his grief for Marie his oldest daughter who died last March hastened his decease.

His brother J. H. Wandling, who left here July 6, was too late to see him in his last moments or even to attend his funeral.

The sorrowing wife, children and friends have the deep sympathy of a large circle of friends.

## A Good Collector.

The Leroy Kansas Reporter tells this story about John E. Watrous, of Burlington, Kan., one of the deputy collectors of internal revenue: Traveling along the country road. Mr. Watrous was attracted by frightful screams coming from a little house not far from the road. Hurriedly tying his horse he ran to the house and found a little boy had swallowed a quarter, and his mother not knowing what to do was frantic. Mr. Watrous caught the little fellow by the heels, and holding him up, gave him a few shakes, whereupon the coin soon dropped to the floor.

"Well, mister," said the grateful mother, "you certainly certainly know how to get it out. Are you a doctor?" "No, madam," replied Watrous, "I'm a collector of internal revenue."

This is what Hon. Jake Moore, State Warden of Georgia, says of Kodol For Dyspepsia: "E. C. DeWitt & Co., Chicago, Ill.—Dear Sirs—I have suffered more than twenty years from indigestion. About 18 months ago I had grown so much worse that I could not digest a crust of corn bread and could not retain anything on my stomach. I lost 25 lbs., in fact I made up my mind that I could not live but a short time, when a friend of mine recommended Kodol. I consented to try it to please him and was better in one day. I now weigh more than I ever did in my life and am in better health than for many years. Kodol did it. I keep a bottle constantly, and write this hoping that humanity may be benefited. Yours very truly, Jake C. Moore, Atlanta, Aug. 10, 1904." Sold by Bandon Drug Co.
