

Strikebreakers Stone Train

Winnipeg, Aug 17—A Pullman coach of a transcontinental Canadian Pacific express train, which arrived from the West today, had all its windows broken by missiles thrown between Brandon and Broadview. A rail was removed from the track on the Winnipeg Beach line last night just as an excursion train was going out. A disaster was averted by trackmen who discovered the gap.

A quarter of a million dollars was paid today to the Canadian Pacific Railway strikers by Postmaster McPherson. Over 2000 men were in line at the Merchants Bank. With the amounts paid out at other points in the West the sum distributed was nearly \$1,000,000. It is authoritatively stated that no strike benefits will be paid before Aug. 26th.

At Medicine Hat 16 strikebreakers from the Santa Fe Railway were brought in today. The Chinese proprietors have refused to sell meals to these men.

A meeting has taken place between the committee representing all the shop employes on the Canadian Northern system and the management of the line regarding an alleged violation of the agreement entered into May 1st last. Unless some amicable agreement is reached during the course of the next few days there may be serious trouble. About 80 mechanics are involved.

Harriman and the Governor

The people of Oregon grasp at every straw. The slightest incident or expression indicative of possible railroad building spells hope to them. Hence they feel encouraged over Mr. Harriman's action in sending for Governor Chamberlain, General Manager O'Brien and Mr. Stanley, to visit him at Pelican bay. The people hope this is significant that there is an intention on the great railroad king's part to have "something doing" in Oregon before long.

We must be prepared for disappointment—but we are, for we are used to it. But it is right to hope. It seems reasonable to suppose that the invitation to the Governor is especially significant. Mr. Harriman knows the Governor's attitude, has heard him publicly express his opinions, as to what should be done, what Mr. Harriman's duty to Oregon is; and he knows very well that it would be in vain to attempt to change that attitude and opinion—nor is it likely that Mr. Harriman has any idea of doing so.

Whatever the object, Oregon could send no better envoy to Mr. Harriman. The governor will be entirely firm in his position as to Mr. Harriman's duty as a great quasi-public servant, but his manner of treating the subject will not offend the magnate. The two men will be well met; may much good result from the conference.—Journal.

The Independent Farmer

With wheat at 80 cents a bushel, hard times cannot even peek over the rim of Umatilla county. His crop may be ten or fifteen bushels short of the usual average, but the farmer is not complaining. He will have a jingle in his pockets and a corpulent account at the bank. Truly he is the "salt of the earth and the fatness thereof." Once it was the fashion to sympathize with him as he arose at 4 o'clock in the morning to pail his cow and do the chores, his faded blue denim overalls kept in doubtful juxtaposition with his galluses by a few single nails. Now he is the object of admiration and respect—not to say envy. In Umatilla county there are scores of farmers individually able to buy out any of its merchants and have a comfortable surplus left for emergencies. Lawyers, doctors, bankers and tradesman must doff their hats to the horny-handed sons of the soil—who may sport automobiles if they choose, and take their leisure as becomes men who have "arrived."

There are many imitations of De-witt's Carbolized Witch Hazel Salve but just one original. Nothing else is just as good. Insist on De-witt's. It is cleansing, cooling and soothing. Sold by Bandon Drug Co.

G. ANULATED SORE EYES CURED

"For twenty years I suffered from a bad case of granulated sore eyes, says Martin Boyd of Henrietta, Ky. "In February 1903, a gentleman asked me to try Chamberlain's Salve. I bought one box and used about two-thirds of it and my eyes have not given me any trouble since." This salve is for sale by C. Y. Lowe.

BOY'S LIFE SALED

My little boy, four years old, had a severe attack of dysentery. We had two physicians; both of them gave him up. We then gave him Chamberlain's Colic, Cholera, and Diarrhoea remedy which cured him and believe that saved his life.—William H. Strolling, Carbon Hill, Ala. There is no doubt but this remedy saves the lives of many children each year. Give it with castor oil according to the plain printed directions and a cure is certain. For sale by C. Y. Lowe.

OVER THIRTY-FIVE YEARS

In 1872 there was a great deal of diarrhoea, dysentery and cholera infantum. It was at this time that Chamberlain's Colic, Cholera and Diarrhoea Remedy was first brought into use. It proved more successful than any other remedy or treatment, and has for thirty five years maintained that record. From a small beginning its sale and use has extended over every part of the United States and to many foreign countries. Nine druggists out of ten will recommend it when their opinion is asked, although they have other medicines that may pay them a greater profit. It can always be depended upon, even in the most severe and dangerous cases. For sale by C. Y. Lowe.
