

Gov. Fort Gets Informal Machine

Seagirt, N. J., Sept. 12—An attempt to assassinate Gov. Fort, of New Jersey, was thwarted by the vigilance of the post office employee who discovered a cleverly arranged infernal machine in the mails. Had the governor opened it in the usual way, there is little doubt that it would have killed him.

The governor's mail has been carefully watched since this recent crusade against the violation of laws in Atlantic City. That the would-be assassin had a grim sense of humor is evidenced by the following message written on a bit of paper to the governor: "Please notify us promptly of any change in your address." Another read "You will know me better after we are acquainted."

Another line by which it is believed the sender sought to give the impression that the machine was sent by a foe of constitutional government instead of a personal enemy of Governor Fort read "A gun against this rotten government."

Governor Fort would not discuss the matter in any way and it was learned today that the officials of the post office at Philadelphia will hereafter officially scrutinize all packages of mail matter reaching the Philadelphia office before posting them to Governor Fort.

Harriman Reaches Home

NEW YORK CITY, September 12—E. H. Harriman reaches home today. He and his party ended their transcontinental tour at 8:50 o'clock this morning, when they left Mr. Harriman's private car at Arden, and in three autos motored up the mountain side from the station to the Harriman mansion at Arden N. Y. Mr. Harriman did not come to N. Y. City contrary to his custom. At the offices of the Union Pacific Company it was stated that he was not expected before Monday. A messenger from Mr. Harriman's country home brought over memoranda of matters commanding his immediate attention. He is reported to be in excellent physical condition. His private physician, Dr. William G. Lyle, declared him to be greatly improved in health. Dr. Lyle made the entire trip with Mr. Harriman.

Builders Get Busy

The hurry up and build movement throughout the United States because building material and labor are thirty per cent cheaper than they were a year ago, is the cause of some spectacular happenings in Portland. Down in the business district they are digging basements by electric light, working three shifts of eight hours each.—Times.

We Will Meet You.

Our esteemed contemporary, the Bandon Recorder, which gave such a garbled and purposely colored report of the ball game in this city Aug. 30, is reminded by the Sentinel that Bandon actually defeated Coquille in such a contest last Sunday, when the kids of the seaside burg routed the county seat kids by a score of 11 to 8. The home lads would say to you, Bro. Recorder, that they can vanquish your lads in a future set to for either fun, money, or marbles. Now bet, you sports!—Sentinel.

All right. Come ahead with your money. We can perhaps get an umpire to steal the game for us if we can't win it.

Mr. A. Robinson of Drumquoin, Ontario, had been troubled for years with indigestion and recommends Chamberlain's Stomach and Liver Tablets as "the best medicine ever used." If troubled with indigestion or constipation give them a trial. They are easy to take and pleasant in effect. Price 25 cents. Samples free at C. Y. Lowe's Drug Store.

Big cuts or little cuts, small scratches or bruises or big ones are healed quickly by Dewitt's Witch Hazel Salve. It is especially good for piles. Be sure to get Dewitt's. Sold by Bandon Drug Co.

The whiskey for the most particular people—Stewart's Bourbon, at Jamison & Brown's.

The Coquille river jetty has been completed and there is now a depth of twelve feet of water on the bar at low tide. As this is three times the depth in evidence when the improvement began, the merits of the jetty work have been quite clearly demonstrated. There is a large amount of timber tributary to the Coquille, and the increased depth of water will admit of its reaching market to better advantage than was possible before anything but diminutive schooners and catboats could get over the bar.—Oregonian.

There are many imitations of Dewitt's Carbolized Witch Hazel Salve but just one original. Nothing else is just as good. Insist on Dewitt's. It is cleansing, cooling and soothing. Sold by Bandon Drug Co.

WHAT IS BEST FOR INDIGESTION?

A SURE-ENOUGH KNOCKER
J. C. Goodwin, of Reidsville, N. C. says: "Bucklen's Arnica Salve is a sure-enough knocker for ulcers. A bad one came on my leg last summer, but that wonderful salve knocked it out in a few rounds. Not even a scar remained." Guaranteed for piles, sores, burns etc. 25c. at Lowe's drug store.

THEY TAKE THE KINKS OUT
"I have used Dr. King's New Life Pills for many years, with increasing satisfaction. They take the kinks out of stomach, liver and bowels, without fuss or friction," says N. H. Brown, of Pittsfield, Vt. Guaranteed satisfactory at Lowe's Drug Store. 25c.

A TRAVELING MAN'S EXPERIENCE
"I must tell you of my experience on an East bound O. R. & N. train from Pendleton to Le Grande, Ore.," writes Sam A. Garber, a well known traveling man. "I was in the smoking department with some other traveling men when one of them went out into the coach and came back and said, 'There is a woman sick unto death in the car.' I at once got up and went out, found her very ill with cramp colic, her hands and arms were drawn up so you could not straighten them, and with a deathlike look on her face. Two or three ladies were working with her and giving her whiskey. I went to my suit case and got my bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy—I never travel without it—ran to the water tank, put a drop of the medicine in the glass, poured some water into it and stirred it with a pencil, then I had quite a time to get the ladies to get the ladies to let me give it to her, but I succeeded. I could at once see the effect and I worked with her, rubbing her hands, and in twenty minutes I gave her another dose. By this time we were almost in Le Grande, where I was to leave the train. I gave the bottle to the husband to be used in case another dose should be needed, but by the time the train reached Le Grande she was alright, and I received the thanks of every passenger in the car."
