### District Board Resolutions

Myrtle Point, Aug. 21.—The following resolutions were passed by the District Board Convention in session on above date:

Inasmuch as School Clerks are compelled to assume large financial responsibility in the care of the school money, and inasmuch as the County Treasurer is the proper custodian of public funds, be it

Resolved, That it is the sense of this convention that our laws be amended as to keep all school money in the hands of the County Treasurer to be paid out on warrants drawn by the clerk of the school board, in accordance with law.

Resolved, That it is the sense of this convention that it will not be to the best interests of the schools of Oregon to have free text books and the representatives to the legislature from this county are requested to not support any measure looking to the adoption of such a system.

It was moved that a copy of the foregoing be furnished to each of our representatives and that the press be supplied with a copy.

INES F. BUNCH,  
Secretary.
