

Fortunes of the World are Founded on Oil.

Joe Chanslor, now several times a millionaire, was not long ago a clerk in Los Angeles. He borrowed some money for the purpose of operating in California oil; the result was that it made him one of the richest men in the state. John A. Bunting, formerly a brakeman for the Southern Pacific, through the investment of \$170.00 in California oil became a millionaire. We could tell you of innumerable others. Why were Bunting, Chanslor, and the many others, who made their money through oil investment successful? Because they were shrewd, level-headed observing men, possessing unbounded confidence in the great future of the California oil fields and the oil industry. The demand for oil is increasing daily. The consumption far exceeds the output. Several oil companies paid substantial dividends when oil was selling at 15 cents per barrel. Oil is now selling at SIXTY GENTS PER BARREL, at the well. The total dividends for the year 1908, from all the oil companies doing business in California, not including the Standard, will probably reach the \$6,000,000 mark for the year 1909. Therefore the natural conclusion to arrive at is INVEST IN OIL SECURITIES, INVEST AT ONCE. We are offering for sale a limited number of shares on what we consider to be one of the best companies operating in Kern Co., in fact, in California. We refer to the (Kern Associated Oil Co.). The stock of the Kern Associated Oil Company is the best oil proposition ever offered to the investment public. The company owns free of incumbrance forty acres in the very heart of the Kern River Oil District, and situated on the Southern Pacific Railroad. It adjoins the San Joaquin Oil & Development Company's property which was recently merged with the Associated Oil Co., whose stock is now selling at \$51.75 per share. It also adjoins the justly famous Discovery well where oil was first discovered in the Kern River Oil District. The Kern Associated Oil Company has two wells on its property. Well No. 1 is in oil and gives about sixty five barrels of oil per day. With a greater depth and a more approved pump the production will be greatly increased. The company desires to sink four more wells and to install modern compressed air pumps. We believe that well No. 2, with greater depth, produce a larger and inexhaustible oil supply as are the other wells on adjoining properties. We are offering a limited number of shares in this company at 20 cents per share. Do you realize what that means? It means that in purchasing this stock you become interested in a company that can produce the oil. It is not a case of "they may," "they should" but "they are."

Let us again impress upon you those highly important facts: The property is a producer, is entirely surrounded by reliable producing properties, that there is sufficient acreage (forty acres) to justify the drilling of forty more wells all of which would be in the very core of the richest oil producing counties in California, districts in the world. Remember that Kern Co. produces as much oil as any other three oil producing counties in a faria. Shipping facilities could not be better for the property adjoins the Southern Pacific tracks. The company has valuable assets in improvements: Two wells, derrick, tanks tool and bunk house etc., etc.

Before accepting the fiscal agency of the Kern Associated Oil Company we thoroughly investigated every detail pertaining to the company and its property. We did not take snap judgment, we never do, and we want to assure you that the stock of this company at twenty cents per share is the most unparalleled opportunity for the investor that ever came under our observation.

We sincerely believe that the Kern Associated Oil Co. is destined to pay dividends as surely and as regularly as are now being paid by the Associated Oil and other companies on adjoining properties and we see no reason why within twelve months the Kern Associated Stock should not be quoted at many times its selling price.

You can invest any amount from \$20.00 up to \$20,000. We allow you 5 per cent on cash subscriptions. You can purchase stock on the easy monthly plan if you so desire, one fifth down and one fifth per month. Don't Delay. The stock of the Kern Associated Oil Company is the best on the market today.

DETAILS OF THE POSTAL SAVINGS PLAN

Prompt Performance of Republican Platform Promise is Certain.

Postal Savings Banks Will Form Save and Convenient System for Accumulating Savings.

A bill providing for the establishment of postal savings banks was favorably reported by the United States Senate Committee on Postoffice and Post Roads during the recent session of Congress, and is reasonably certain to be enacted into law during the coming session, thus adding prompt performance to the promise of the Republican national platform relative to this form of strengthening our national system of finance.

The bill reported provides for the establishment of postal savings depositories for depositing savings at interest with the security of the Government for the repayment thereof and designates the money-order post-offices and such others as the Postmaster-General may, in his discretion, from time to time designate as savings depositories to receive deposits from the public and to account and dispose of the same according to the terms of the act.

The depositories are to be kept open for the transaction of business every day, Sundays and legal holidays excepted, during the usual post-office business hours of the town and localities where the respective depositories are located, and during such additional hours as the Postmaster-General may designate.

Accounts may be opened by any person of the age of 10 years, and a married woman may open an account free from interference by her husband. A trustee may open an account for another person. No person can open more than one saving account except when acting as trustee for another person.

A depositor's pass book will be delivered to each depositor in which the name and other memoranda necessary for identification will be entered, and entry of all deposits shall be made.

One dollar or a larger amount in multiples of 10 cents will be necessary to open an account, but deposits of 10 cents or multiples thereof will be received after an account is opened.

Upon receiving a deposit the postmaster is required to enter the same in the pass book of the depositor and immediately notify the Postmaster-General of the amount of the deposit and the name of the depositor. The Postmaster-General, upon receipt of such notice, is required to send an acknowledgment thereof to the depositor, which acknowledgment shall constitute conclusive evidence of the making of such deposit.

Interest Allowed on Deposits.
Interest is allowed at the rate of 2 per cent per annum, computed annually, on the average deposit during each quarter of the year. One thousand dollars is the maximum deposit allowed to the credit of any one account, and interest will not be paid on any amount to the credit of an account in excess of \$500.

Pass books must be forwarded to the Postmaster-General on the anniversary of the making of the first deposit for verification, posting, and credit of interest due. Withdrawals may be made under rules and regulations to be prescribed by the Postmaster-General. Deposits are exempt from seizure under any legal process against the depositor and they are also exempt from taxation by the United States or any state. The name of a depositor or the amount to his or her credit may not be disclosed unless by order of the Postmaster-General.

Postal savings funds are to be deposited by the Postmaster-General in national banks located as near as may be in the neighborhood where such deposits were received at a rate of interest not less than 2 1/4 per cent per annum. If deposits can not be made in national banks at the specified rate of interest, the Postmaster-General may, with the approval of the Secretary of the Treasury and the Attorney General, invest the same in State, Territorial, county, or municipal bonds.

COCKRAN ON TAFT.

There is a remarkable unanimity of opinion of Judge Taft in all parties and in all sections. Men pay tribute to his remarkable ability even where party politics may exert such an influence as to demand the espousing of the rival presidential candidate's cause. As an illustration W. Bourke Cockran in an interview at Boston the other day said:

"Yes, I shall support Bryan; he is the best candidate the Democrats could put up. Taft, however, is the greatest and best qualified nominee ever offered in any republic in the world. He is a greater man than Roosevelt, and when surrounded by the same environments that made Roosevelt great will prove a bigger man. Taft is a wonderful administrator, the greatest the country has ever seen, and is a wonderful worker."

Bryan, we learn from a Democratic contemporary, is giving the East a good scare. Bryan's scares, however, never hurt anybody but Bryan.—Philadelphia

DESCRIPTION OF THE REPUBLICAN PRESIDENTIAL CANDIDATE BY SENATOR BORAH OF IDAHO.

(From Senator Borah's Boston Speech.)

"Now, it seems to be conceded by friend and foe that few men have been nominated for the presidency whose experience, whose training and whose sound and wholesome fashion of grasping and dealing with public questions were equal to those of William H. Taft.

"He is not a crusader, he is a statesman with conscience. He has won his present position through a cheerful, unhesitating and undeviating devotion to duty, through actually achieving things on the open field of action, through an intelligent conception of the strength and worth of our great government with its checks and balances; and the strength and capacity of our citizenship with its loyalty and its patriotism.

"No man ever had a deeper regard for the fundamental principles and precepts upon which this government is founded, and no one ever had a firmer conviction that the constitution is a sufficient chart by which to measure all rights and obligations and to gauge all the demands and all the aspirations and restrain and control all the recklessness of this indomitable race of ours. Trained in the law, eleven years on the bench, he explored well the sources of jurisprudence and carried away from his work an everlasting devotion to order and justice.

"Under all circumstances and under all emergencies, he has proved himself a brave, clean-minded, self-poised and courageous statesman. No man can put his finger upon a little or cowardly act, an incompetent or questionable piece of public service—no stain upon his private life, no shadow upon his public career. And standing now in the full fierce light which befits upon a throne, with eager eyes scrutinizing every act of a long and arduous public career, no doubt arises as to his experience and ability, no challenge comes to his fine sense of duty or his patriotism."

"I believe our strong party with its great principles is only in its infancy. Our glory as a nation has but just begun. There are mighty problems yet to be solved, grave questions to be answered, complex issues to be wrought out, but I believe we can trust the Grand Old Party and its leaders to care for the entire future of our Nation and of our people as it has cared for them so well in the past.—Hon. James S. Sherman.
