A CRIMINAL ATTACK

HARD TIMES IN KANSAS

The old days of grass hoppers and drouth are almost forgotten in the prosperous Kansas of today. Altho a citizen of Codell, Earl Shamburg, has not yet forgotten a hard time he encountered. He says: "I was worn out and discouraged by coughing night and day, and could find no relief till I tried Dr. King's New Discovery. It took less than one bottle to completely cure me." The safest and most reliable cough and cold remedy and lung and throat healer ever discovered. Guaranteed by Lowe's Drug Store. 50c. and \$1.00. Trial bottle free.

Why Colds are Dangerous,
Because you have contracted a cold, you have contracted a dangerous enemy and recovered from them without treatment of any kind, do not for a moment imagine that colds are not dangerous. Everybody knows that pneumonia and chronic catarrh have their origin in a common cold. Consumption is not caused by a cold but the cold prepares the system for the reception and development of the germs that would not otherwise have found lodgment. It is the same with infectious diseases. Diphtheria, scarlet fever, and whooping cough are much more apt to be contracted when the child has a cold. You will see from this that more real danger lurks in a cold than in any other of the common ailments. The easiest and quickest way to cure a cold is to take Chamberlain's Cough Remedy. The many remarkable cures effected by this preparation have made it a staple article of trade over a large part of the world. For sale by C. Y. Lowe.
