GREAT LANDSLIDE FOR REPUBLICANS

Taft and Sherman have the Majority of Electoral Votes

NOT MUCH CHANGE IN CONGRESS

That Taft and the Republican ticket had a great landslide in Tuesday's election is evident from the returns that have come in.

Up to a late hour last night it could not be definitely ascertained what the final result would be, but Taft was conceded to have at least 295 electoral votes, with returns coming in from the west strengthening his lead to the extent that Hitchcock's claim of 325 might yet be realized.

Taft carried New York City by 15,000 the first time in the history of the country that the city has gone Republican for president. Ohio and Indiana, considered as doubtful are both safely in the Republican column. Oregon is Republican by 20,000 and Washington by 40,000.

Hughes was elected governor of New York by 75,000 majority according to associated press reports, while Johnson was elected governor of Minnesota. Bryan has probably carried his own state, but he lost all other states around it. As to final results in all states it is not yet possible to state definitely.

Congress will remain Republican in both houses by about the same majority as the present one, at least this is the report of the associated press and it is generally conceded by the Democrats that the Republicans had a landslide.

Big Student Body

University of Oregon, Eugene, Oct. 30, 1908.—Every county in the state, with the exception of a half dozen in Eastern and Southeastern Oregon in which there are no complete high schools, and every four year high school and academy in the state is represented in the students at the University of Oregon. The registration has now reached 521, which is the greatest in the history of the University, and will be increased to 600 by the registration at the opening of the second semester.

The Bandon Hardware Co.

Stop in most any time and look over our stock of Tin and Graniteware—every thing that's made for the convenience of the Kitchen. Surprise your wife some day and take home a new tea-kettle or sauce pan It will please her.

Everything in Hardware LAIRD & NEILSON, Managers.

Many students enter at this time, completing their work in the mid-year four years hence. The registration of 521 includes only the departments of Liberal Arts and Engineering, and not the departments of Medicine and Law. If these were included, the total would be about 720. Fifty-three students are registered from states outside of Oregon, an indication of the large number of people from other states that are settling in Oregon. Multnomah county leads in number of students followed in order by Lane, Marion, Baker, Clackamas, Jackson, Douglas, and Umatilla.

Liberty May Go to Coos Bay

The Coquille River Transportation Company is figuring on bringing the steamer Liberty to Coos Bay and put it on the Coos River run if the proposed merger of the boat lines on the boat does not go through. The Coquille River Transportation Co. have been anxious to go in on the merger of the lines, but there is considerable doubt as to whether the merger can be effected. In case it doesn't, the company plans to enter into competition with some of the existing lines. Manager C. J. McLain of the company, was over from Coquille the other day investigating the situation but did not make any announcement at the time. If the merger goes through, it will mean the retirement of Captain Rodgers, one of the oldest navigators in this section, from the business.—Times.

Thomas Wells Dead

Thomas Wells of Prosper, a pioneer of Coos County died at the Mercy Hospital at North Bend Wednesday evening at 10:00 o'clock. Mr. Wells was well known throughout the county. He was a C. A. R. man and was 68 years old at the time of his death.

Mr. Wells was born in New York, but came to this county shortly after the war. He has no family and no relatives nearer than nephews and nieces. He belonged to the local G. A. R. post and a delegation from this post went to North Bend today and will bring the remains to Bandon tomorrow, and interment will be made here.

Saw Mill on Bear Creek

Frank Flam is putting up a saw mill on Bear Creek, about six miles out from Bandon. The mill will have a capacity of about 25,000 feet a day. Mr. Flam expects to have the mill in operation by the beginning of the new year, he also expects to add a shingle mill to the plant in the near future.

Erickson and Jones Winners

A. G. Erickson was high man in ten pins at the Arc Light Bowling Alleys for the month of October, making a record of 235 pins for which he receives a box of twenty-five Walpole cigars as a prize. Willard F. Jones won the \$2.00 prize in Quintette with a score of 253.

English Walnuts

I am agent for Brooks & Sons of Carlton, Ore. for their celebrated English Walnut trees. This firm is the only English Walnut importers in the state.

B. L. HURST.

Wall Paper

T. W. Robison has a fine line of wall paper samples. Anyone desiring the best there is to be had in this line can secure the same by calling at his residence.

SCHOOL REPORT SHOWS BIG GAINS

High School and Grades Come in for Share of Increase

THE REPORT IS VERY GRATIFYING

Report of the Bandon Public Schools for the first school month ending Friday Oct. 30, 08.

Grade 1, Miss Wilkins, Teacher
Enrollment for month 55
Daily attendance 46
Days attendance 919
Times late 13
Days absence 65
Roll of honor 20

Grade 2, Miss Marsh, Teacher
Enrollment for the month 31
Daily attendance 29
Days attendance 588
Days absence 22
Times late 7
Roll of honor 17

Grade 3, Miss Radley, Teacher
Enrollment for the month 37
Daily attendance 35
Days attendance 697
Days absence 44
Times late 6
Roll of honor 20

Grade 4, Miss Hamlin, Teacher
Enrollment for the month 41
Daily attendance 39
Days attendance 789
Days absence 21
Times late 3
Roll of honor 39

Grade 5, Mrs. Myers, Teacher
Enrollment for the month 35
Daily attendance 32
Days attendance 655
Days absence 18
Times late 5
Roll of honor 20

Grade 6, Miss Murphy, Teacher
Enrollment for the month 37
Daily attendance 33
Days attendance 677
Days absence 8
Times late 7
Roll of honor 20

Grade 7, Miss Walker, Teacher
Enrollment for the month 34
Daily attendance 32
Days attendance 649
Days absence 9
Times late 8
Roll of honor 20

Grade 8, Miss Cole, Teacher
Enrollment for the month 27
Daily attendance 24
Days attendance 470
Days absence 30
Times late 3
Roll of honor 14

High School Mr. and Mrs. Ostien, Teachers.
Enrollment for the month 29
Daily attendance 28
Days attendance 562
Days absence 11
Times late 5
Roll of honor 19

Summary and comparison with same month last year
Enrollment for the month 08—326,
07—304, Daily attendance "—298,
07—267, Days attendance "—6004,
07, 5105, Days absence "—226
07, 170, Times late, "—57
07, 83, Roll of honor, "—189,
07, 165

Roll of Honor includes pupils neither absent nor late for the month
The following students of the High School have a standing of A for the month in the subjects named.
A—95 to 100 ops.

Elisha Wilson, algebra, general

history, physical geography.
Hazel Stephenson, physical geography.
Sylvia Rackleff, general history, physical geography.
Rittie McNair, physical geography
Maud Lowe, algebra general history physical geography, English
Lena Langlois, algebra, general history, physical geography, English
Nora Gibson, general history, physical geography.
Ebba Wiren, general history, physical geography.
Erma Craine, algebra general history, English
Jessie Wood, American History Geometry, English
Dorothy Gibson, geometry
Amelia Ghaney, English, general history
Ernest Wilkins, English, general history.
Ella Felter, English, general history book-keeping.

Marguerite Haberly, English, general history
Elsie Kinley, English, general history
Thos Laird, English, general history
Dilla Lomas, English
Tom Ostien, English, general history.

Respectfully submitted,
H. C. OSTIEN, Supt.

Notice

HAVING sold my business, I desire to thank my friends for their patronage in the past and also to ask those indebted to me to call and settle, and any having bills against me to forward same to me.

G. C. GEHRIG.
The little daughter of Mr. and Mrs. S. J. Wilson, who was so badly burned, some time ago, underwent a grafting operation last Friday. Dr. Houston attended, and she is believed to be out of danger, and the grafting a success. Great sympathy was shown by Mrs. A. Davis who gave the needed parts to the little sufferer.

Margaret Iles Co.

The Margaret Iles Co. appeared to great advantage at the opera house Wednesday night in the popular play The Princess of Patches. It was one of the best plays that has been put on here by the company, and the house was well filled to greet the players with enthusiastic applause.

Each member of the company seemed to be at their best and their work was highly appreciated by the audience. The Iles Co. will be here again next Wednesday night when they will play the popular four act comedy-drama "Court Martialed."

W. O. W. Entertain

The Woodmen of the World of this city entertained the Women of Woodcraft and some invited guests at the K. of P. hall last Thursday evening, and to say that it was an enjoyable occasion, would only be putting it in a mild form. The evening was spent in music, playing games etc. Dr. Rossiter was present with a violin and entertained the entire company with a number of high class selections, much to their enjoyment.

The evening's festivities were climaxed by a sumptuous banquet of which all partook to their entire satisfaction.

Owing to the inclement weather, there were not as many present, as otherwise would have been but those who braved the storm were amply repaid.

The Woodmen of the World organization is growing in popularity every year, and they have a financial system that is second to none, consequently the people have growing confidence in its perpetuity.

Bowling Contest

The married and single men of Bandon will have a bowling contest at the Arc Light Bowling Alleys. The contest will consist of a series of fifteen games which will be played on various evenings, five games being played on each occasion. The first contest will be held Friday evening of this week.

There will be five men on a side. The line-up is as follows: Married men: Dr. Sorensen, Capt; John Shields, V. R. Dwiggs, Wm. McKay, and C. E. Holloper. Single men: C. R. Wade, Capt; W. G. Sellmer, A. G. Erickson, Ray Bowman and R. M. Pressey. All these men roll a consistent game and have made some high scores, and the contest Friday night promises to be a spirited one.

in Explanation of the New City Charter

Since the recent passage of the new City Charter, wherein is prescribed a limit greater than that of the old town of Bandon, some people within the City have jumped at the conclusion that the limits were thereby extended. THIS IS NOT SO.

The City has by reason of its recent vote of approval of the Charter expressed a willingness to extend its boundary, but before the same shall become of any binding force or effect, and before the limits be a actually extended, the residents of that territory must vote upon the question, and ratify or agree thereto.

A special election in the near future is contemplated by the City Council at which will be submitted to those voters the question of an annexation, and those people living outside the City limits and in the territory so proposed to be annexed will have the sole right by majority vote to be included in or excluded from the City limits. It takes two parties mutually agreeing to make a valid contract, and this annexation proposition, is merely a contractual relation between the people of the respective districts, expressed by majority vote in each.

It is declared by some that an injunction will be assured against the operation of the Charter within thirty days or before the same goes into effect. This assertion is groundless. The Charter is already in effect, and furthermore if sufficient cause prevail, injunction will yet issue. If there be other complaints, the aggressive ones should be more sure of their grounds than in the instance just above cited, lest they become guilty of wantonly malicious, or else unexcusably ignorant error.

Blind force is the source of more trouble than any other except wilful evil intention.

Gives Away Diamond Ring

Elsewhere in this issue appears the ad of F. H. Van Norden, who is giving away a ticket with every 50 cent purchase made in his store, good for one chance on a \$50 diamond ring. The ring is a beautiful one and is on exhibition in Mr. Van Norden's show window where it can be seen by the public. This a genuine legitimate giving away of high class goods and should be appreciated by the public.

A New Theater

The old building on Laird and Lowes' lot on Atwater Street, which was formerly known as the Virginia Cafe has been torn down, and the excavation is completed for a new building 25x60 to be used as a dime theater. The gentleman who will run the show is said to be an experienced man in that line and a good show is assured to Bandon people.

SCHOOL BUILDING UNDER HEADWAY

Large Force of Men are Rushing Work with all Haste

WILL BE COMPLETED BY FEB. 15TH

The superstructure of the new Bandon school building is progressing very rapidly, there is now a force of nearly twenty men working on the building and they are rushing the work with all possible haste and there is every reason to believe it will be entirely completed by February 15th, the time stipulated in the contract.

The new school building is in a slightly location and when completed will certainly be a monument to the intelligence and thrift of this district, and one to which every resident of Bandon and vicinity can and will point with pride.

Every facility for rushing the work is now on the ground, including a planing mill which is daily grinding out smooth surface lumber for the building.

Big Crowds at Rink

The skating rink has been the source of much attraction for some time, especially is this true of Tuesday evenings. On last Tuesday evening there was a record breaking crowd in attendance. Mr. Hanahan says that every pair of skates in the house were in use, and many were present who wanted skates but could not get them. Roller skating is a good wholesome pastime and Mr. Hanahan keeps everything up-to-date, consequently he is receiving good patronage.

New Steamer Coquille Here

The "Coquille," the new boat which was built at Coquille, and which will run between here and that city was towed down yesterday and her machinery will be put in at once and she will then be ready for service. The Coquille River Transportation Co. has not decided as yet just what run the Coquille will take, but it is possible that she will make the two round trips a day. She is an elegant little boat, built for speed and durability and will be a fine addition to the line of river steamers owned by that company.

Mass Meeting Tonight

There will be a mass meeting at the city hall this evening for the purpose of nominating candidates, for mayor, municipal judge and one councilmen under the new charter. Every legal voter within the corporate limits of Bandon should be in attendance.

Steamer Elizabeth in Monday

The steamer Elizabeth arrived Monday evening from San Francisco with a large cargo of freight and a big list of passengers.

Presbyterian Church

Preaching at the Presbyterian Church the first and third Sundays of each month, both morning and evening. Sunday School and young people's meeting every Sunday.

Visitors and transients are cordially invited.
GEO. H. ROACH, pastor,
A. HABERLY, temporary supply.
