Pretty line of gold clocks just received at VanNorden's.

The new tug boat which was built at Prosper for use on the Columbia was brought down to Bandon Wednesday and will be towed out of here in the near future. She is a very fine looking boat and will do good service on the big Columbia.

J. M. Langlois and Will Hawkins of Langlois were in Bandon on business the latter part of last week. These two gentlemen are among the leading dairymen of Southwestern Oregon. Mr. Langlois has a herd of Jerseys that have no superiors anywhere, and during the summer his cows averaged one and three fourths pounds of butter fat per day.

New line of Christmas postals and New Years' cards just received at VanNorden's.

Mr. and Mrs. F. J. Schroeder of Coquille spent Thanksgiving with their daughter, Mrs. Capt. Snyder, and family. Mr. Schroeder is one of the old pioneers of the county and in viewing the new inside jetty spoke of the first improvements to the river which were made by the people of the Coquille valley in sinking cribs to change the mouth of the Coquille river from the Tupper rock to its present location.

A. J. Marsh of Port Orford was in Bandon last Saturday, having brought his son and daughter to attend the public school of this place. It was Marsh's intention on retiring from the office of county assessor of Curry County to move to Los Angeles and to make that place his future home, but believing there is no place like Southwestern Oregon he has purchased more land and will remain near Port Orford.

Capt. O. Wiren of the Coquille River Light and fog signal station gives us the total rainfall in inches for the month of November 1908 and the corresponding month last year as follows: Rainfall for November 1908 4.41 Days clear 11; cloudy and rainy 19. Rainfall for corresponding month last year was 6.07 inches a difference of 1.66 inches for the month of November of the two years. This indicates that November of this year was a much more favorable month last year.

Hon. F. A. Stewart of Port Orford passed through Bandon last Saturday on his return from Portland where he was one of the defendants in the case of the U. S. vs. P. F. & L. Co., and was fined \$1,000. The many friends of Mr. Stewart believe that the fine was an injustice as the only evidence the government had was a letter which he had written the company. Mr. Stewart warned people not to borrow money or to make any deals with the company before they received their patent to the land.

Make Your Paint Money Buy Satisfaction

PAINT satisfaction means the working-- spreading--covering--lasting qualities of the paint. There's neither satisfaction nor economy in cheap paints--they crack and peel and blister--won't wear. And hand mixed lead-and-oil paint is little better. But your money buys unflinching satisfaction when you get "High Standard" Paint--it's made of best materials--and ground-and-mixed into a perfectly uniform paint-liquid by machinery. Then there's thirty-five years of paint-making experience back of it. That's why "High Standard" Paint covers more--and wears from two to four years longer than other paint, and costs less. Write for our free booklet, "Attractive Homes and How to Make Them."
