THE STORAGE WAREHOUSE.

It Shows Some Side Lights Upon Life and Morals.

For a few dazzling side lights upon life and morals apply to the storage warehouse. You can find almost anything there from baby alligators to blocks of ice cream and from Teddy bears to sateerkrant. So you won't be amazed at what the institution has most recently divulged. Here you have the story:

Mrs. Q. repaired to the storage warehouse to extract her soup spoons, though it may have been aunts or uncles or popcorn or gulden pigs. At any rate, her property declined to come out. It had been tucked in by Mr. Q. Only Mr. Q. might tempt it forth. Mrs. Q. protested. She wanted her catnip or theology or safety razor, or whatever it was, and made representations with great emphasis. She moved upon the management. She stormed and wept. After long wrangling the warehouse decided it would yield up the college lee—or was it the piano?—If Mrs. Q. would swear she was still married to Mr. Q. and would send him a written statement she was in Quebec, and I lost track of him owing to bewilderment produced by merely thinking of a storage warehouse) and make him return the statement, countersigned, to the management. This, then, is how Mrs. G. regained possession of her golf links or prayer book or sugar tongs. Well, say it was sugar tongs, though golf links would be likelier.

Pressed for an explanation, the warehouse remarked: "Have to be careful, you know—divorces, separations, affluities, you know. Minute such things start up there's a race to the storage place. Game is for each to snatch out everything first. Becomes embarrassing!"—Boston Transcript.

MIXED THE SIGNS.

Sarasate and the Sandwich Men in Edinburgh.

To advertise Sarasate's performances in Edinburgh eight sandwich men were sent out, each of whom bore in front and behind him one letter of the great musician's name. They started all right, but after a time removed the boards from their shoulders to have a rest.

On resuming their labors each man shouldered the board nearest him and fell in behind the man who had formerly marched before him.

When the leader, who bore the initial "S," turned around to see if his men were ready, what he saw was "Sarasate." He knew enough to realize that something was wrong, but how to right it was more than he could tell. After changing a man here and there he got it "Sarasate." But still it didn't seem correct.

By this time the poor fellow was in a terrible state. If any of their employers' people were on the outlook and could see them, their day's wage would be stopped! He tried again and yet again, but it was no use.

And a moment later a man bearing the letter "S" before and behind was seen running toward the music hall to copy down the name from one of the posters there. And along the right side of Princeton street there walked toward the appointed rendezvous at the Mound three men who bore the strange device "A A E," while opposite them there paced along the left side gutter four others, who, if to advertise means to attract attention, succeeded well, for every one who passed looked around in wondering amazement as to what "Rats" meant.—Edinburgh Dispatch.

Too Much For the Ferret.

An old buck rabbit is not to be lightly tackled by weasel, stoat or even ferret. On the sanded floor of a small public house a ferret of long experience was matched with an old lop eared buck, the property of the landlord. The ferret made straight for the rabbit's throat, but the latter was in the air before master ferret could reach him and, leaping clean over the ferret's head, let out with those powerful hind legs of his a kick which hurled the ferret bodily against the wainscot. Twice the ferret returned to the attack, and twice he missed his grip and went hurtling through the air. The third repulse was enough for him. He knew he was beaten and could not be persuaded to stand up for a fourth round.—Pearson's Weekly.

Brilliant Fish Hues.

Like birds, many fishes assume their brightest hue when they wish to attract the opposite sex of their species. The colors of the male common pike become exceedingly intense, brilliant and iridescent in the breeding season. The eel also puts on an intense silvery hue at the breeding time which is very noticeable and at one time caused naturalists to distinguish it as a distinct species. The males of the tench, roach and perch also show a marked increase in brilliancy in the breeding season.

Mental Arithmetic.

"Two years ago I asked Aunt Jane to visit us for a fortnight, and she has not gone home yet."
"It's a blessing."
"What's a blessing?"
"That you didn't invite her for a month."—Harper's Weekly.

Uncovered.

Horace—I can't understand you girls. Now, you hate Mabel, and yet you just kissed her. Hetty—I know, but just see how the freckles show where I kissed the powder off.—London Tatler.

Domestic Politics.

"Whom did you support during the last campaign?"
"A wife, two children and a mother-in-law and kept up my life insurance at the same time."—Puck.

MARKED FOR DEATH

"Three years ago I was marked for death. A graveyard cough was tearing my lungs to pieces. Doctors failed to help me, and hope had fled, when my husband got Dr. King's New Discovery," says Mrs. A. C. Williams of Bae, Kentucky. "The first dose helped me and improvement kept on until I had gained 58 pounds in weight and my health was fully restored." This medicine holds the world's healing record for colds and lung and throat diseases. It prevents pneumonia. Sold under guarantee at C. Y. Lowe's drug store. 50c and \$1.00 Trial bottle free.

FOR THAT DULL FEELING AFTER EATING I have used Chamberlain's Stomach and Liver Tablets for some time, and can testify that they have done me more good than any tablets I have ever used. My trouble was a heavy dull feeling after eating.—DAVID FREEMAN, Kempt, Nova Scotia. These tablets strengthen the stomach and improve digestion. They also regulate the liver and bowels. They are far superior to pills but cost no more. Get a free sample at C. Y. Lowe's drug store and see what a splendid medicine it is.
