INLAND EMPIRE WEEK, SEATTLE

Visitors by the Thousands From Inland Will be Present

Seattle, June 16.—Inland Empire week at the Alaska-Yukon-Pacific Exposition at Seattle will be celebrated commencing Sunday, June 20th. Devoted to the interests of the eastern parts of Washington and Oregon and the state of Idaho, the week will be one of the most important of the exposition period.

Thousands of visitors from the great Inland Empire are planning on seeing the fair next week. During this time they will be the special guests of the exposition and will be shown every honor and courtesy which it is possible to bestow.

On Sunday the dedication of the Oregon building will be the feature of the day. Impressive services and a reception for the people of Oregon are planned.

Inland Empire week and Spokane week begin in earnest Monday. Excursions from a number of the towns of Eastern Washington are being arranged, and the exposition officials are leaving nothing undone to provide a fit welcome for the visitors.

Washington State Day will be Tuesday. At this time the people from all parts of the state are to be gathered to greet the excursionists from the Inland Empire. Union (Oregon) day and Tekoa (Washington) day are to be held Tuesday.

On Thursday the national convention of the American Institute of Banking will begin. Many of the bankers of eastern Washington and Oregon are taking this opportunity to visit the exposition.

On Wednesday will be the convention of the Grand Chapter of Royal Arch Masons. The annual convention of the Western Washington Christian Missionary Society and Royal Arcanum Day will be also held at this time.

Spokane Day on Friday will be one of the feature days of the exposition. The Spokane County building is being especially decorated and arranged for the reception of the crowd of people from the Inland Empire metropolis.

A day devoted to the interests of the great wheat-growing sections of the Inland Empire is Saturday, which has been turned over to the towns of Davenport and Sprague in Washington.

King County and the Coal Miners day will be held Saturday.

Perhaps the most favorable time at the exposition has been chosen for Inland Empire week. The hot days of the summer have been avoided and the exposition is nevertheless in fine running order.

In the Agricultural building are the finest exhibits of the products of the Inland Empire ever brought together. The Spokane County building is one of the most attractive and best appointed county structures at the exposition. In the Government building, the Oregon building, the Idaho building and the Forestry building wonderful displays of the wealth of the state have been brought together.

Edward Everett Hale Dead

Rev. Dr. Edward Everett Hale chaplain of the United States senate and the most famous man of letters in the United States, died at his home in Roxbury, Mass., at 2 o'clock last Thursday morning of a sudden illness. Wednesday he complained of feeling unwell and during the night he gradually grew weaker. The news of the death of Hale shocked Boston to an unusual degree, because comparatively few knew he was ill. A week ago he was present at the celebration in honor of the ninetieth birthday of Mrs. Julia Ward Howe, his contem-

porary in many reform movements with which both have been identified for more than fifty years. On Wednesday he was up and about his apartments. Grouped by his bedside when he died was Mrs. Hale, his wife, Philip L., his son Ella, his daughter and the family physician.

School Election Monday

Next Monday, June 21st will be the annual school election for district No. 54, comprising Bandon and vicinity. There will be two members of the board to elect, one to fill the place of C. I. Kime, resigned and moved to Myrtle Point and one to fill the place of Geo. P. Topping whose term expires. Mr. Topping will no doubt be elected to succeed himself as his work on the board has been eminently satisfactory to the district, and being in touch with conditions as he is at present, with the work of finishing up the new school building and other matters of importance he should be retained, and no doubt will be. As to a successor to fill the unexpired term of Mr. Kime, a good level headed man who will work in accord with Messrs Topping and Stephenson should be elected.

Rev. Roach Returns

Rev. Geo. H. Roach returned last Friday from Denver, Colorado, where he has been in attendance at the General Assembly of the Presbyterian Church as a Commissioner from the Southern Oregon Presbytery. The assembly was in session from May 20th to 30th and about 825 delegates were present thus making a large legislative body.

Rev. J. M. Barkley, of Detroit, Mich., was elected Moderator for the ensuing year. He is a man of qualities a strong preacher and able representative of the church. Mr. Roach was greatly pleased with his trip and comes back filled with new vim for his work in Bandon.

DEDICATION OF NEW SCHOOL HOUSE

Continued from first page

day night at the school building to a few friends, including the teachers and Geo. P. Topping, chairman of the school board. An excellent program was carried out by the pupils and all who participated therein did themselves proud. Recitations by Misses Grace Wood, Mildred Waid, Lura Morgan, Mildred Merse and Wynona Patterson were well delivered and showed careful preparation and natural talent in that line of work. Piano solos by Misses Anna Tucker and Stella Perkins were also well rendered and each production brought great applause from the audience. Judge Geo. P. Topping was present and presented the diplomas to those who had passed the state examination, he made an excellent address to the young people, and was followed by Supt. H. C. Ostien, who in well chosen words, congratulated the members of the class on their excellent work and welcomed them into the high school.

After the program, elegant refreshments, consisting of sandwiches, coffee, strawberries and cake were served and the remainder of the evening was spent in playing games.

The high school and eighth grade rooms were tastefully decorated for the occasion with beautiful Oregon flowers and shrubbery. The whole affair was pronounced a decided success by those in attendance.
