

THE DRAIN LINE WILL BE BUILT

So Says Vice-President Stubbs of Southern Pacific

TALKS ON THE RAILROAD SITUATION

New York, Sept. 13.—J. C. Stubbs vice-president of the Union Pacific and Southern Pacific and chief director of all Harrimad lines, who was summoned to this city by the alarming illness of Mr. Harriman, talked freely on conditions in the far northwest on the day of Mr. Harriman's death.

With reference to occupancy of the Deschutes Canyon, Mr. Stubbs says:

"As I understand it, the report that there is room for but one railroad in the upper half of the canyon is false. I believe there is sufficient room for half a dozen lines there, and we are building into Central Oregon without delay.

"Of the projected low-grade cut off between Weed, Cal., and Eugene, Ore., the section to Klamath Falls has been completed for some time and construction toward Eugene is now in progress. Buckboard and horseback surveys have been made from Klamath Falls northeasterly across Oregon to Ontario, on the Oregon Short Line on the Idaho border, and I presume that this line, about 300 miles long, will be constructed as soon as the Southern Pacific believes that it is called for."

As to the report that the Northern Pacific has been negotiating for waterfront property in the Coos Bay district, on the Oregon Coast, intending to extend its Deschutes Canyon line south and west to the Bay, bringing it 100 miles nearer to San Francisco, Mr. Stubbs further says:

"I do not believe that there is any foundation for it. The outlook for traffic in this district is not such as to warrant competition. We have already put in several months of construction work on a line to extend from Drain, Ore., to Coos Bay and this line will be completed eventually.

"I am a little skeptical about the financial value of this territory. Including the Portland-Seattle connection, when the traffic is divided among two or three roads. It seems to me that there is not much in it, save for the line which is first in the field, in a case where later lines are compelled to use its tracks. However, that is a point which the future alone can determine. I do not believe that the Hill plans call for an extension south of Coos Bay. As for the Hill roads entering San Francisco, I do not believe that will come to pass in our day."

Mr. Stubbs was particular in connection with these statements to have it understood that as to new lines and construction he might not be fully informed, as these are not under his supervision and he therefore was able to express only his personal views based upon such knowledge as he had gained.

Notice to the Public

Bandon, Ore, Sept. 11.—My wife, Ruby Wolfer has left my bed and board and I will not be responsible for any debts contracted by her hereafter. Jake Wolfer. 11

MINATURE RAILROAD TO BE CONSTRUCTED

On Exhibition During Carnival in the Flat Iron Building

The Bandon-Port Orford railroad will be on display in miniature in the Flat Iron building during the carnival week. There you can see just how the railroad will look when completed, where every bridge, every fill and every cut will be, also a display of the resources along the road and many other matters of importance in connection with the road can be seen at that time.

The sale of stock for the new road is progressing very rapidly, and the demand is far greater than the fondest anticipations of the promoters. Messrs Lucas and Hopson who have the fiscal agency for the road, stated that the financing of the road would be an easy proposition and that it was only a matter of a short time until all the stock would be taken.

Obituary.

Linnie Holman was born at Mc Minnville, Ore., March 27, 1873 and died in Bandon, Oregon, September 14, 1909, being 36 years, 5 months and 17 days old.

She was married October 29, 1890 to A. J. Counts, to this union four children were born, all of whom together with the husband and father survive her.

She is also survived by her parents Mr. and Mrs. W. P. Holman, four brothers and one sister.

Mrs. Counts was a kind and loving wife and mother and was highly respected by a large circle of friends.

Short funeral services will be held at the grave in the Bandon cemetery this afternoon at 2:00 o'clock and will be in charge of Rev. M. E. Coen.

The sorrowing relatives have the sympathy of a large circle of friends.

Morgan Takes Harriman's Place.

Pierpont Morgan, according to prominent financiers, will take the late E. H. Harriman's place at the head of American finance. Mr. Morgan during recent years has been rather eclipsed by Mr. Harriman, especially in railroad finance, but now Mr. Morgan is looked upon as the master of the situation.

As the first move, it is stated that Mr. Morgan will insist that his son be elected a director of the Union Pacific, Harriman's big company. However, it is understood that Mr. Morgan will not at present antagonize the wish expressed by Mr. Harriman shortly before his death that Judge Lovett succeed him. Consequently, Judge Lovett will probably be elected at the first meeting of the directors.

For the time being, no shakeup of the officials of any of the Harriman properties is expected. In fact it is announced that Mr. Harriman's wishes relative to his principal lieutenants are known by the men who will represent his holdings in the necessary organization.

Owls to Picnic

The Order of Owls of Coos county is planning for a picnic at Coquille which will be held next Sunday September 19th. A good time is anticipated and Owls from all over the county will be in attendance.

BANDON CARNIVAL TO BE GREATEST EVER HELD IN SOUTHWESTERN OREGON

Business Men and Citizens Subscribe Liberally and Support Project With the Greatest of Enthusiasm—Success is Now an Assured Fact

VOTE FOR QUEEN BECOMING MORE SPIRITED AS TIME DRAWS NEARER

That the big street carnival in Bandon Sept. 23, 24 and 25 will be a success in every particular is now an assured fact, as many acts and concessions have been secured and the money for defraying expenses is coming in fast. Every man who is called upon is contributing liberally and not only that, they are all anxious to get their names down on the subscription paper.

This will be the first carnival ever held in Bandon and there will be an immense attendance by people for miles around.

In addition to the many free acts, such as balloon ascension and parachute descent, cannon act, double trapeze performance etc, there will be side shows galore, and many exhibitions of art, scientific novelties, agricultural products as well, and many other things of importance.

Saturday will be Curry county and dairy day, at which time there will be large exhibits of dairy products from both Coos and Curry counties and it is expected that thousands of people from both counties will throng the streets on that date.

There will be many features at the carnival that have never before been seen in this section of Oregon.

People or societies who desire to get booth room should consult with Dr. L. P. Sorensen, president of the carnival committee, as soon as possible in order to get the best positions along the street.

One of the big attractions at the carnival will be the cooking and needle contest in the Timmons building Friday afternoon. This will be an opportunity for all ladies to show their handi-work. Bring your sample cooking of fruit, bread, cake, or anything good to eat, also your needle work of all descriptions. There will also be a baby show on Thursday afternoon, a prize will be given for the prettiest girl baby and

New Concrete Walk

The new concrete walk leading to the schoolhouse has been completed and adds greatly to the appearance of that magnificent edifice. The walk from the front steps to the street is sixteen feet wide and an arm about ten feet wide leads to each of the side doors. These give the place a much better appearance and the school board is to be congratulated upon finishing the building and grounds so nicely.

Bandon now has a schoolhouse that is equal to any in this or any other state and the work will no doubt be even better than ever before, as a consequence of the better equipment.

Says He Was Doped

Word reached this place Friday morning that Representative Muncy had lost his reason. His delusion is that he is now Governor and F. A. Stewart was Secretary of State. Mr. Muncy was returning from a business visit at Bandon, and on

prettiest boy baby under one year old, a prize for the prettiest girl baby and boy baby under two and over one and one for the fattest baby under two.

The subscriptions are coming in nicely. The following is the amount subscribed to date:

The vote for carnival queen is spiriting up some, but should move off with a greater vim from this time on. The vote do date is as follows:

- Pearl Walker 10; Nora Solve 20;
- Winnie McNair 10; Leah Boak 10;
- Sadie Carroutte 10; Margaret Murphy 10; E. Mills 12; Inez Jenkins 48;
- M. Cornelius 10; Anna Kreamer 12;
- Tressie Manciet 140; Mary Marsh 20;
- Mrs. L. P. Sorensen 22; Mrs. R. W. Boyle 12; Mrs. M. L. Sill 28

reaching Port Orford his mental derangements became known.

Later, Mr. Muncy returned last night looking somewhat the worse for the wear and says he was doped. --Gold Beach Globe.

Names Commissioners

Salem, Ore. Sept. 10.—Commissioners for the new Port of Tillamook, organized recently under the act of the legislature of 1909, were appointed by Governor Benson. The commission will consist of the following residents of Tillamook City: H. T. Boots, James Walton Jr., A. G. Beads, N. F. Leach and David Fitzpatrick.

Monday, September 13, was the day set for the commissioners to meet and perfect an organization. The meeting will be held at the courthouse in Tillamook. As the terms of each of the commissioners must be for different lengths of time, making an appointee each year, lots were drawn at the meeting to determine the terms of the members appointed.

SCHOOL POSTPONED FOR ONE WEEK

Entrance Examinations to High School Sept. 25th Instead of 18th

ALL TEACHERS HAVE BEEN ELECTED

Owing to the fact that the carnival will be next week and also that some of the furniture for the new school building has not yet arrived, the opening of school has been postponed to Sept. 27th instead of the 20th, and the entrance examinations to the high school will be held Saturday Sept. 25th instead of the 18th as announced last week.

It was thought advisable to put off the opening of school, as it would be hard to keep the attention of pupils during carnival week, but on the 27th, work will begin in earnest, this promises to be one of the best years in the history of the Bandon schools.

The entire corps of teachers has been elected and all are ready for work. The teachers will be as follows: H. C. Ostien, principal; Mrs. Ostien, assistant principal; Miss Elizabeth Rogers assistant in high school; Hazel Gearhart, 8th grade; Pearl Walker, 7th grade; Margaret Murphy, 6th grade; Kate Rosa, 5th grade; Inez Lusk, 4th grade; Blanche Badley, 3rd grade; Mary Marsh, 2d-grade; Penserose Kopf, 1st grade.

Two Mile

Geo. Cox has purchased a planer for his mill on Two Mile.

After a stay of 3 weeks at Bob Hunt's place, Dave Wright has gone home to Port Orford.

W. W. Felner is fixing up Elbert Dyer's donkey engine and getting ready to pull stumps.

Come seven come eleven, J. R. Stillwell has a No. 7, 11-pound girl. Mrs. Stillwell is doing nicely and John is wearing the proverbial grin.

J. R. Stillwell has made final proof on his homestead after five year's continuous residence. He won the bet.

BILL.

Presbyterian Church

Sunday Sept. 19, 1909. Sunday School 10 a. m; preaching at 11 a. m and 8 p. m; Christian Endeavor 7 p. m. Subjects for the sermons: "Make Jesus King." "The Great Arbitration Case."

In the morning discourse we will endeavor to make clear the Christian's privilege of greater enjoyment.

The evening sermon will treat one of the greatest and most vital questions of the time. It will pay you to hear it.

The attendance is fairly good, but there is room for more. Come with us. M. E. COEN.

Mrs. H F. Morrison has purchased the millinery store formerly owned by Mrs. Dygert and invites the ladies of Bandon to call on her before buying Fall and Winter hats. She also extends a cordial invitation to the public to attend her millinery opening to be held Sept. 17 and 18. The stock is entirely new and up-to-date. 33-4t

BANDON OWLS GIVE BANQUET

Visiting Brethern From the Other Towns and Lady Friends Present

The Order of Owls gave a banquet to visiting members and friends Tuesday night and had a grand time. The early part of the evening was spent in conversation and speech making. A number of visiting brethren were present from North Bend, Marshfield and Coquille as well as many ladies, besides members of the local lodge.

The Order of Owls is growing very fast, they now have more members in Coos county than any other lodge. The lodge at Bandon was organized last April with 87 members and they now have 125. The banquet Tuesday night was one of the biggest affairs of the kind ever given in this section of Oregon and was greatly enjoyed by all present. The Owls are arranging for an excursion to Coquille Sunday where a big picnic for the entire county will be held.

Foresters Have Blowout

P. E. Struck, Grand Chief Ranger, for Oregon, visited Court Queen of the Forest last Friday night. The distinguished guest gave the members a heart to heart talk for the good of the order. The doors were then thrown open and a number of friends enjoyed the hospitalities of the Foresters.

Mr. Struck again spoke on Forestry and was loudly applauded. Several local members made a few pointed remarks. A general hand-shaking followed, after which came the banquet and which was an elaborate affair. Whist ended the program of the evening.

Tent Meeting

In regard to the people who were recently holding tent meetings in this city whose names are appended below wish to say we have attended their meetings and did not see anything in their actions or teaching which would justify the stigma "Holly Roller" and we deplore the spirit of lawlessness which vented itself through a mob and violated their right of freedom and our constitution.

Mr. and Mrs. J. S. Tilton, Chas. B. Lomas, T. J. Stillwell, A. A. Baker, Mr. and Mrs. T. T. Allen, Mrs. W. L. Davidson, Mrs. E. J. Davidson, Mrs. H. C. Allen, Dilla Lomas, Mrs. D. J. Ewing, Mrs. W. T. Allen, Mrs. L. Christensen, Mr. and Mrs. J. F. Smith, Mrs. O. O. Howell, Mr. and Mrs. D. W. Carpenter, Mr. and Mrs. H. M. Tucker, Daisy Phenneger, Gertrude Martin, Ike Martin, Mrs. M. Langlois.

Gets Life Diploma

Supt. H. C. Ostien of the Bandon schools has recently received notice from State Supt. Ackerman to the effect that he has been granted a life state teacher's diploma for Oregon. Prof. Ostien finished writing for a state diploma at the recent examination. Miss Josephine Griffin of North Bend, also received a similar diploma. These are the only two reported for Coos county this year.

FOR SALE--A gray mare, gentle and staunch. Also three yearling calves and one winter cow. Apply to Thos. Ashton, near Lampa.
