R. B. Emerson, who has been associated with J. C. Savage in the publication of the Coquille Sentinel, has severed his connection with that paper, and now Mr. Savage is both editor and business manager. The Sentinel is an excellent paper, under the direction of Mr. Savage, and should meet with all the success possible. Just now the paper is undertaking to pull off a big contest in the hope of increasing its subscription list, and it yet remains to be seen what the result will be, but the RECORDER hopes that success will crown the effort. Edmund A. Keane, well known in Bandon is the contest manager.

R. C. Lyons, better known as "Charley," died at the home of Mrs. Lucinda Morgan last Sunday morning. Mr. Lyons fell January 10th, breaking several ribs and otherwise injuring himself from which he never recovered, although he seemed to be getting along nicely until about a week before his death, when his condition took a turn for the worse and he continued to sink until the end came. Deceased would have been 77 years old some time in April. He was a well-known personage around Coos county and was formerly in business in Coquille to which city the remains were taken Monday for burial.

A committee composed of B. J. Coumerilh, Dr. Sorensen and O. A. Trowbridge was appointed last Friday night by the commercial club to interview the property owners as to the probable cost of opening up First street. It is argued that this street should be opened clear through to the east end of town as it is the main business street. There will, of course, be objection to this as it is proposed to bond the town for the opening of the street. It is also argued that the street must be opened some time and that now is the time to do it before the property gets any higher. Just what the outcome in the matter will be, remains to be seen, as some argue that the people whose property will be benefited by the opening of the street should pay for it. The committee will probably report at the meeting of the club Friday night and then we will have something from which to draw conclusions, until then the whole matter is one of conjecture, but all will agree that if it is to the benefit of the town that the street should be opened at this time then there should be no delay if it is not beneficial then there is no hurry.

Bandon Won Both Games

Both the boy's and girl's high school basket ball teams of the Bandon high school won over the North Bend high school teams in the games played at the opera house here last night, the score in the girl's game was 5 to 4 in favor of Bandon, and in the boy's game was 23 to 14 in favor of Bandon.

Last night's game leaves the girl's team of Bandon the undisputed champions of Coos county, as they have defeated North Bend in two straight games, which entitles them to the honor.

Both games were exceedingly exciting last night, and this fact was especially true of the girl's game, because the result depended on whether Bandon would be champion, or whether another game would have to be played to settle the tie, but as Bandon won, the question is settled. There was a good crowd in attendance and excitement ran high.

Ladies' Suits

The Acheson Cloak & Suit House of Portland, makers of high class tailored-to-order suits have a full line of samples and sample suits on display at the home of Mrs. B. S. Swengel in Bandon. They are all high grade goods and this is a specially favorable opportunity for the ladies of this section to obtain a class of goods not found in local stores. Anyone interested is invited to call any time before March 12th.

Telephone Meeting Saturday

A meeting of the Farmers' Mutual Telephone Co., the Bear Creek line and the Dairyville line has been called for Concrete hall Saturday March 5th at 1:00 p. m. The object of the meeting will be to arouse interest in better telephone service in the Coquille valley. It is proposed to organize, sell stock and equip the telephone service, so that for a nominal sum we can get service all over the valley and to the outside world as well. Members of the three companies and all others interested are urged to be present. The proposition also is to establish free connection with the Western Union Telegraph Co. so that messages can be sent without the extra cost of transmission.
