Racy Metaphor.

The Archbishop of Canterbury is a great example of a ready wit, according to the Pathfinder. He was going with a number of clergymen in to a luncheon, after some ecclesiastical function one day, when some dignitary observed:

"Now to put a bridle on our appetites!"

Quick as lightning the archbishop retorted, "Say, rather, now to put a bit between our teeth."

PILES CURED IN 6 TO 14 DAYS

PAZO OINTMENT is guaranteed to cure any case of Itching, Blind, Bleeding or Protruding Piles in 6 to 14 days or money refunded. 50c.

A Vegetable Cameo.

Spain is the land of the onion—a fact which tempted Mr. Shaw, the author of "Spain of To-day," to fall into the appended easy verse:

All returned travelers are sure to appreciate it for its feeling for truth rather than its resemblance to the form of "The Ancient Mariner."

The Difference.

"Father," said little Rollo, "what is the difference between farming and agriculture?"

"Well, my son, for farming you need a plow and a harrow and a lot of other implements, and for agriculture all you need is a pencil and a piece of paper."—Washington Star.

Some people suffer continually with tired, aching and swollen feet. Little do they know how soothing is Hamlins Wizard Oil. Rub it in at night and have thankful, happy feet in the morning.

Hood's Sarsaparilla

Makes the blood of the right quality and quantity — normal in red and white corpuscles and all other constituetts. It builds up the whole system.

In usual liquid form or chocolated tablets called Sarsatabs. 100 Doses $1.

The word "Vermont" on a can of maple syrup has always raised that brand about one hundred per cent in the estimation of the buyer. A few years ago, however, a method was discovered of imparting this same delicious flavor to preparations without the use of real maple syrup. This flavoring extract is called Mapleine.

If a dish of syrup made with mapleine and the real Green Mountain kind is placed before a Vermonter, he would not be able to tell the difference between the two. This is largely due to the absolute purity of the ingredients and the great care used in the manufacture.

Mapleine is purely vegetable and makes a syrup that is equal to any and superior to most brands of maple syrup that are placed on the market.

To make delicious flavorings for cakes, ice cream and sauces, nothing is required but a little granulated sugar and water with a few drops of mapleine dissolved therein. Housewives find it a great convenience in preparing puddings out of leftovers.

A little booklet, with the title of "Mapleine Dainties", is published by the Crescent Manufacturing company, who are the makers of Mapleine. The booklet will be sent free to anyone who asks for it. Nearly every grocer carries Mapleine. Try some today and you will say the same that thousands of others have, that here is a flavor with the real maple taste. This little suggestion for a sauce for puddings: Whites of two eggs, one and a half cups of granulated sugar, one cup of milk, one teaspoonful of mapleine. Mapleine is to be used anywhere that another flavoring could be used.

PILES

"I have suffered with piles for thirty-six years. One year ago last April I began taking Cascarets for constipation. In the course of a week I noticed the piles began to disappear and at the end of six weeks they did not trouble me at all. Cascarets have done wonders for me. I am entirely cured and feel like a new man." George Kryder, Napoleon, O.

Colds on the Chest

Ask your doctor the medical name for a cold on the chest. He will say, "Bronchitis." Ask him if it is ever serious. Lastly, ask him if he prescribes Ayer's Cherry Pectoral for this disease. Keep in close touch with your family physician.
