pose of and convey such real and personal property, and to make any and all contracts and to do any and all other acts and things which may be or may become requisite, necessary or convenient in carrying out all or any one or more of the powers in this act granted it.

8. For the purpose of carrying into effect all or any of the powers hereby granted such corporation shall have the power to borrow money and to sell and dispose of bonds, which bonds shall, however, never exceed in the aggregate 10 per cent of the assessed valuation for state and county purposes of all property within the limits of said corporation, which is by law assessable for state and county purposes. Such bonds shall be issued from time to time as the board of commissioners of said corporation may determine and shall be of such denominations and shall run for such term of years, and bear such rate of interest as such board of commissioners shall determine; PROVIDED, HOWEVER, such bonds shall not bear interest exceeding in any event the rate of 6 per cent per annum, and they shall be executed on behalf of the said corporation, by its president and secretary, and shall be so conditioned as that said corporation shall therein and thereby undertake, promise and agree in consideration of the premises, and be held to pay at a place therein named to the bearer thereof, the sum named therein in gold coin of the United States with interest thereon in like gold coin as the rate per annum named therein payable half yearly on the first day of January and July in each year in accordance with the tenor and terms of interest coupons thereto attached.

9. Such corporation shall have power and there is hereby granted to it the power to assess, levy and collect taxes upon all property, real and personal, situated within its boundaries, and which is by law taxable for state and county purposes, and each year not to exceed one per cent, the proceeds of which shall be by it applied in carrying out the objects and purposes hereinbefore provided; and such corporation shall also have the power each year to assess, levy and collect a special tax upon all such property, real and personal, in an amount sufficient to pay the yearly interest on bonds theretofore issued by such corporation and then outstanding, together with any portion of the principal of such bonds maturing within such year. Such regular annual and special tax provided for hereby shall be levied in each year in time so as to be extended upon the county tax rolls with the state and county tax for the annual collection of taxes in the spring next following, but in no event later than the 31st day of December in each year. The special tax hereby authorized shall be applied only in payment of interest and principal of bonds issued by such corporation, but such corporation shall have power to apply any funds derived from the regular annual tax towards the payment of such principal or interest upon such bonds. All taxes levied by such corporation shall become payable at the same time and to the same officers as regular county taxes are payable and shall be by the county officers, collecting the same, paid to the treasurer of the said corporation for its use. All taxes levied by corporations incorporated under the authority of this act granted shall be levied on the basis of the assessment made by the county in which such corporation is situated for the purpose of the levy of taxes for county or state purposes, with the exception that the levy of such corporation shall be on the property situate within its boundaries only; and for the purpose of the levy of taxes by said corporation the assessment made by such county on the property situate within the boundaries of the said corporation shall be taken to be and shall be the assessment of the said corporation. All regular, annual and special taxes levied by such corporations provided shall by the proper county officers be extended upon the county

tax rolls of such county with the state and county tax for the annual collection of taxes in the spring next following, and shall be entered on the tax rolls and collected as one tax of and for the said corporation of a per cent or rate in the aggregate equaling the aggregate of the general and special tax so levied by said corporation during such year under the authority herein granted. Property shall be subject to sale for the non payment of taxes levied by the said corporation in like manner and with like effect as in the case of county and state taxes.

"The power and authority given to corporations organized under the provisions of this act is vested in and shall be exercised by a board of commissioners, five in number, each of whom shall be a qualified voter within the limits of said corporation. Within ten days after the issuance by the county court of the proclamation provided under Section 3 of this act the Governor of the State of Oregon shall appoint a board of five commissioners, each of whom shall be qualified voters as aforesaid. Such commissioners shall meet at such place within the limits of said corporation as the Governor shall designate on the fifth day after their appointment, and shall organize as a board, first making and subscribing to an oath of office to the effect that they will support the constitution of the United States and of the State of Oregon and the laws thereof, and will faithfully discharge the duties of commissioner to the best of their ability. The term of office of commissioner shall be determined by lot at the first meeting of the board. Two of said commissioners shall hold office until the 1st day of January next following the succeeding general election held in said State of Oregon and the remaining three of said commissioners shall hold office until the 1st day of January following the second next general election in said State. At such first general election two commissioners shall be elected, each to hold office for the term of four years from the 1st day of January following such election, and at the second general election three commissioners shall be elected, each to hold office for a term of four years from the 1st day of January following such annual general election. At each succeeding general election held in the State of Oregon thereafter, commissioners shall be elected for a term of four years each, to take the place of those whose terms of office expire on the 1st day of January following such election. At all elections herein mentioned persons having qualifications prescribed by law to vote for county officers within the limits of any such municipal corporation shall be legal voters, qualified to vote at the elections of that municipal corporation under this act and not otherwise; and the nomination and election of commissioners under this act and the canvass and return of votes shall be conducted in the same manner and at the same time, and under the same penalties as are or may be prescribed by law for the government of nominations and election of county officers in the county in which such municipal corporation exists. The board of commissioners shall meet at such place or places within such corporation as they may from time to time determine upon. The said board of commissioners shall hold at least one regular meeting in each month on a day to be fixed by it, and may hold special meetings under such rules as it may make therefor. Said board of commissioners shall choose from their number a president, vice-president, a treasurer and a secretary who shall hold their offices until the next election of officers, and shall respectively have the powers and perform the duties usual in such cases, and shall be known as the president, vice-president, treasurer and secretary of the said corporation. The treasurer shall give bonds as such to the said corporation conditioned for the paying over by him of all moneys coming into his hands as such treasurer, the amount of which bond shall be from time to time fixed by the said board of commissioners as based on the amount of money in the hands of such treasurer or liable to come into

his hands as such. All expense incident to the giving of such bonds, if any such there be, shall be paid by the said corporation from its general funds. No commissioner shall either directly or indirectly receive any salary or compensation for his services as a commissioner, or for acting as an officer of the said corporation. The said corporation may employ such engineers, superintendents, mechanics, clerks or other persons as it may find requisite, necessary or convenient in carrying on its work or any part thereof, and at such a rate of remuneration as it may deem just, and pay the expenses actually incurred by any one or more commissioners so incurred by him or them in the service of said corporation.

All moneys of any such municipal corporation shall be deposited in one or more banks, to be designated by the commissioners, and shall be withdrawn or paid out only when previously ordered by vote of the commissioners and upon check signed by the treasurer and countersigned by the president, or in his absence or inability to act, by the vice-president. A receipt or voucher showing clearly the nature and items covered by each check drawn shall be kept on file. Annual reports shall be made and filed by the president, secretary and treasurer, and at least once in each year a full and complete itemized statement of receipts and expenditures shall be published in a newspaper of general circulation, published in the county in which such municipal corporation is situated. All proceedings of the commissioners shall be entered at large in a record book and all books, maps, plans, documents, correspondence, vouchers, reports and other papers and records pertaining to the business of the corporation shall be carefully preserved and shall be open to inspection as public records.

Vacancies in the board of commissioners occasioned by death, resignation or removal from within the district shall be filled by the remaining members of such board of commissioners, but said member so elected by the board of commissioners shall hold office only until the 1st day of January next succeeding the next regular general election held in said State of Oregon. In the exercise of the initiative and referendum powers reserved under the constitution of the State of Oregon to the legal voters of every municipality and district as to all local, special and municipal legislation of every character in and for their respective municipalities and districts the president of the board of commissioners of said corporation shall exercise the duties of mayor of a city or town and the secretary shall perform the duties of auditor or recorder of a city or town, and the attorney of the corporation shall perform the duties of the attorney of a city or town, and if there be no attorney of said corporation then the duties required of attorney shall be performed by the secretary of such corporation.

Nothing in this act contained shall be construed in any way altering or abridging powers now exercised or enjoyed, or by law authorized to be exercised or enjoyed by or reserved unto any such Port or corporation heretofore created by and now existing under the laws of this State; PROVIDED, HOWEVER, that any such Port or corporation heretofore organized and now in existence, may reincorporate under the provisions of this act, and in which such case all books, papers, maps, money and other property of and belonging to such Port or corporation shall pass to and become the property of the Port or corporation reincorporated under this act.

It is hereby adjudged and declared that existing conditions are such that this is necessary for the immediate preservation of the public peace, health and safety; therefore, an emergency is hereby declared to exist and this act shall take effect and be in full force and effect from and after its approval by the Governor.

**AN IDEAL COUGH MEDICINE**

"As an ideal cough medicine I regard Chamberlain's Cough Remedy in a class by itself" says Dr. R. A. Wiltshire of Gwynneville, Ind. "I take great pleasure in testifying to the results of Chamberlain's Cough Medicine. In fact, I know of no other preparation that meets so fully the expectations of the most exacting in cases of croup and coughs of children. As it contains no opium, chloroform or morphine it certainly makes a most safe, pleasant and efficacious remedy for the ills it is intended." For sale by C. Y. Lowe.

**FOR DISEASES OF THE SKIN**

Nearly all diseases of the skin such as eczema, tetter, salt rheum and barber's itch are characterized by an intense itching and smarting, which often makes life a burden and disturbs sleep and rest. Quick relief may be had by applying Chamberlain's Salve. It allays the itching and smarting almost instantly. Many cases have been cured by its use. For sale by C. Y. Lowe.

**GOOD COUGH MEDICINE FOR CHILDREN**

The season for coughs and colds is now at hand and too much care cannot be used to protect the children. A child is much more likely to contract diphtheria or scarlet fever when he has a cold. The quicker you cure his cold the less the risk. Chamberlain's Cough Remedy is the reliance of many mothers, and few of those who have tried it are willing to use any other. Mrs. F. F. Starcher of Ripley, W. Va., says: "I have never used anything other than Chamberlain's Cough Remedy for my children, and it has always given good satisfaction." This remedy contains no opium or other narcotic and may be given as confidently to a child as to an adult. For sale by C. Y. Lowe.

**A PLEASANT PHYSIC**

**STIFF NECK**

Stiff neck is caused by rheumatism of the muscles of the neck. It is usually confined to one side. While it is often quite painful, quick relief may be had by applying Chamberlain's Liniment. Not one case of rheumatism in ten requires internal treatment. When there is no fever and no swelling as in muscular and chronic rheumatism, Chamberlain's Liniment will accomplish more than any internal treatment. For sale by C. Y. Lowe.
