TREASURY DEPARTMENT

Office of Comptroller of the Currency Washington, D. C. April 5, 1910

Whereas, by satisfactory evidence presented to the undersigned, it has been made to appear that "The First National Bank of Bandon" in the City of Bandon in the County of Coos and State of Oregon has complied with all the provisions of the Statutes of the United States, required to be complied with before an association shall be authorized to commence the business of Banking;

Now Therefore I, Lawrence O. Murray, Comptroller of the Currency, do hereby certify that "The First National Bank of Bandon" in the City of Bandon in the County of Coos and State of Oregon is authorized to commence the business of Banking as provided in Section Fifty one hundred and sixty nine of the Revised Statutes of the United States.

In testimony whereof witness my hand and Seal of office this Fifth day of April, 1910 [Seal] Lawrence O. Murray 14-10t Comptroller of the Currency

H. F. Morrison returned last Thursday from the Siuslaw, where he had been investigating conditions for a week or so. Mr. Morrison says there appears to be things doing up there, and that they have the possibilities of a good harbor, and that the work of the port commission and government work will be pushed very rapidly. He thinks, however, that values are somewhat inflated in town property as well as land around the town.

The room where the Star Theatre was formerly located is being fitted up for a candy kitchen and ice cream parlor. The proprietor is Fred Blundell, who was formerly head candy maker for Stafford of Marshfield. Mr. Blundell will no doubt work up an excellent business here, as he is a man who thoroughly understands the work in all its lines and will turn out as fine sweets of all kinds as can be found anywhere in the state.

## BANDON'S NEW STORE

A few weeks ago the doors of the Golden Rule were opened for business, Since which time many people have learned that we are selling new, up-to-date merchandise for less money than they have been paying— Our stock is absolutely new. There is not a yard or an article of old goods in the store. If you do not believe this go to the agent of the steamer Elizabeth and he will tell you that all of our goods came direct from the East to Bandon

R. A. Copple, the owner of the Golden Rule, is the only merchant in Coos County who goes into New York, or any other Eastern Commercial Center and personally selects his goods.

Many false reports have gone out and will continue to go out concerning us. Some of these originated with traveling men who have a grouch because we refuse to buy their high priced wares. You will find us white but plain Americans with a desire to please you. If we can't save you money we shall expect you to

trade with those with whom you are better acquainted.

It takes time to win the confidence of the people, but when you come to know us better, you will know that when you buy an article at the Golden Rule that it is new and that the price is right.
