

BANDON WON BALL GAME

Season Opened in This City Sunday with Fast Game

THE SCORE WAS NINE TO FIVE

By all around good playing and timely hitting, Bandon won the first game of the season played on the local grounds Sunday. The opposing team was Myrtle Point, and as that team had defeated the Bandon boys in Myrtle Point on the previous Sunday our boys went out to win back their lost laurels and succeeded.

The game was an exciting one and was closely contested up to the seventh inning, when a pass, two errors and a hit gave Bandon three runs, making the score 6 to 4 in favor of the home team, and after this Myrtle Point was able to make but one score, while Bandon succeeded in driving home three more.

The weather being perfect a large crowd was in attendance and Myrtle Point also had a number of enthusiasts. The Bandon boys have a well balanced team and are worthy of all the support accorded them. Following is the line up of the teams:

VENEER PLANT DOES FAST WORK

Industry of Great Value to Bandon. Promises Large Development

One of the best industries that Bandon has at present is the Perry Veneer Plant, which has been running in its present location for several weeks, and has recently been enlarged, so that now it employs about 40 people, and Mr. Perry has other plans in view, which, if he carries them out, will enlarge the plant to a much greater capacity than it has now. At the present time Mr. Perry is making four or five kinds of finished boxes for berries, grapes, apricots, peaches, etc., and has a good market for everything he turns out.

When one enters the plant he is at once impressed with the hustle that is everywhere evident. One reason is the fact that a large portion of the work is piece work, and it is up to the employe to do as much as he or she can, as the more they accomplish, the more money comes to them. The veneer work is such that some of the girls make \$2.50 a day, and a large number of them make \$2.00 a day or over.

Mr. Perry has a very good local market for his output, which will increase each year as this country gets to raising more berries, but he depends mostly on California, Portland, and Hood River, Ore., for his market, and his products are of such a character as to be very much in demand, and the result is that he is constantly finding new openings and getting new calls for material.

The present and future prospects of the veneer plant are very bright.

Class Sermon Next Sunday Evening.

The class sermon for the class of 1910 of the Bandon High School will be preached Sunday evening in the High School auditorium by Rev. R. H. Allen, pastor of the M. E. church. A cordial invitation to the general public is extended. Commencement exercises will be held in the auditorium next Friday evening. Rev. Taylor, of Myrtle Point, will deliver the address, and County Supt. W. H. Bunch is also expected to be present.

K. of P. Convention.

The Coos county K. of P. convention will be held in Coquille next Saturday, June 4th. The Bandon K. of P.'s will go in a body. Most of them intend to go on the Dispatch at 7 a. m., but some may wait over and go on the afternoon boat at 1 o'clock. The Coquille Knights are preparing to entertain their guests royally, and every Knight should make a special effort to attend the convention.

MEMORIAL DAY APPROPRIATELY OBSERVED

Fitting Exercises in Honor of Noble Dead of Great War

MANY PEOPLE WERE IN ATTENDANCE

Monday was Memorial Day, and an ideal day it was in every respect. This was true, both as to weather conditions and the Memorial exercises held in Bandon in honor of the noble dead.

The exercises were commenced on Sunday, May 29th, when the Memorial sermon was preached at the M. E. church by Rev. R. H. Allen. The sermon was a masterly address, and was highly appreciated by the members of the G. A. R. Sixteen members of the W. R. C. and sixteen members of the G. A. R. and S. of V. marched in a body from the hall to the church to attend the services.

Monday, May 30th, the parade, which was nearly one half mile in length, headed by the Bandon Concert Band, formed at the west end of First street, and marched to the cemetery. Following the band was the firing squad of the S. of V., G. A. R., W. R. C., about 20 school children, the Pythian Sisters, and many citizens. After reaching the cemetery appropriate services were held for those brave heroes who lie far from home in unknown graves, as well as the decoration of soldiers graves in the local cemetery.

At Fairy creek a halt was made and services were held in honor of the sailor-soldier dead.

Exercises were held in the Bandon Opera House at 2:00 p. m., when the following program was carried out:

Reading Col. R. H. Rosa.
Address of welcome J. A. Faulds.
Duet "The Volunteer's Grave" Mrs. McNair and A. Haberly, with Mrs. Kelly at the piano.
Reading Lincoln's Address at Gettysburg H. C. Ostien.
Song The Good Old U. S. A. Nine girls of the 6th grade.
Recitation Lulu Shields.
Oration "The Flag" Rittie McNair.
Piano Solo Miss Lyons.
Oration "Dead Upon the Field of Honor" Leila Buckingham.
Oration "The Soldier Boy" Lena Langlois.
Song "Golden Rod the National Flower" 6th grade.
Oration "Our National Safeguard" Maud Lowe.
Address County Supt. W. H. Bunch.
Address Chaplain Sumner.

The orations and addresses were all appropriate to the occasion, and the president of the W. R. C. and J. A. Faulds, Senior Vice Commander of the G. A. R. take this opportunity to express their thanks to Rev. Allen for his masterly Memorial address, to the school children for the part they took on Decoration Day, especially the young ladies who delivered the very appropriate orations; to the musicians, to those who donated flowers, for the effective and patriotic words of our speakers, to Mr. James T. Mars who very kindly donated the use of the Opera House for the occasion, and finally, to all who contributed in any way in assisting in the proper observance of our Memorial Day.

Stock Receipts at Portland

Portland, May 28. Receipts for the week were: cattle 953, calves 59, hogs 2879, sheep 840 and horses and mules 61.

In point of supply and demand the cattle market for the week broke about even, and while there has doubtless been a slight decline in prices, buyers attribute the difference in quality as the cause.

The same condition can be said to have applied to the sheep market. There was an active demand for the lessened receipts and prices remained steady to strong at the recent decline.

The hog market in the face of increased supplies showed a slight weakening in prices. While the demand is strong values are 5 to 10 cents less than they were at the opening of the week.

HILL VISIT OF GREAT MOMENT

Will Result In State-Wide Development of Great Resources

Portland, Or., May 31 (Special)

Of remarkable significance to Oregon was the journey of Louis W. Hill and party through the interior of the state, when the Great Northern magnate covered 1500 miles by automobile. The results of this trip will be of great value to the state. The impressions President Hill gained of the state are certain to bring tremendous boosts.

"Oregon is a wonderful state," declared Mr. Hill upon his return to Portland. "This is a state that will grow anything. My impressions of the trip would fill a book, but the one thing above all others is that the Great Northern will assist in doubling the state's population in the next two years. And railroads will be built in every direction. I see room for many roads."

"The Great Northern is going to open up Oregon and I feel that the people are with us. I never met more enthusiasm anywhere. Every where we were welcomed in a way that bespoke genuine sympathy and deep enthusiasm. To say that the trip was a revelation is putting it mildly."

The City Recorder was ordered to advertise the city election to be held June 27th, and the following were elected to the election board: Judges A. D. Morse, Mr. McKinis and E. E. Oakes; Clerks: H. C. Ostien and C. M. Spencer.

Money Assured for Government Work

Col. R. H. Rosa has received the following telegram from Congressman Hawley:

Washington, D. C., June 1, 1910. Hon. R. H. Rosa, Bandon, Ore.—"The River and Harbor bill has been agreed upon by conference committee, and an appropriation of \$56,000 for the Coquille river, and this appropriation is now safe." W. C. Hawley. With the agreement by the conference committee there can be no further doubt as to the appropriation of the money, and it is now an assured fact.

Money Assured for Government Work

"As to the music," said Mr. Moore, when interviewed by the RECORDER, "I hate to brag but the students take just as much delight in singing the songs now as they did at first." When you can get the modern youthful mind to retain a tune for two months and still enjoy it at the end of that period, there is either something right about the tune or something wrong with the container; and as the latter supposition is plainly unthinkable, one cannot draw other than flattering conclusions.

Admission, reserved seats, 50 cts. General admission, 35 cts. Children, 25 cts.

WILL LEAD THE SIMPLE LIFE

All Bandon Will be Given a Lesson in the Art of Right Living

AS PRESENTED AT THE GRAND THEATRE

Tonight and tomorrow night the students of the Bandon High School will present the musical fantasy "The Simple Life" at the Grand Theatre for the benefit of the High School piano fund. This makes the third of a series of home talent musical plays given by the students for this purpose.

During the last two months the students have been hard at work under the direction of C. R. Moore, composer of the score and co-author of the book. Since the second week in April rehearsals have been held five evenings a week at the High School building and at the Grand Theatre.

So far as costumes and properties are concerned, "The Simple Life" will be considerably more elaborate than either "Father and the Game" or "Saving the Game." Just what shape this elaborateness of costuming and properties will take we leave to the good people of Bandon to discover for themselves.

The dialogue has been pronounced superior to that of either of the other plays, and the plot, while not at all too heavy to follow, runs along merrily from the rise of the curtain on the first act to the final chorus.

The startling incident of Noah's appearance in modern society and his winning the schoolma'am's heart and hand serve as a sort of parallelism with the team work of the Lovers and Loves who fall in and out of love in unison. The rather variegated career of the "ninety-five pound champion of the prize ring" is mixed up with a love interest too—several times, different girl each time. Mame, delegate from the New Jersey Four Hundred, has a hard time trying to reform Bandon society, while Prissy and Bill wander through the scenes, eating prunes and devouring dime novels respectively.

The make ups will be under the charge of Mr. George H. Freeman and he has designed some novel effects in the line of facial adornment.

All the business arrangements have been in the capable hands of Prof. H. C. Ostien and all details have been looked after carefully and nothing has been left undone which can possibly add to the enjoyment of the play.

The lights will be handled by W. C. Sellmer, and it is expected that the sunset scene at the opening of the second act will be an effect so beautiful that it will long be remembered by the patrons of "The Simple Life."

BANDON WILL CELEBRATE FOURTH

Eagle Will Scream in Regular Good Old Fashioned Way

Bandon-By-The-Sea will celebrate the Fourth of July; this much has been definitely determined, and already preparations are being made for one of the biggest events of the kind ever held in southwestern Oregon.

We have the finest park, the finest beach, and the finest natural attractions, in many ways, to be found anywhere, and the people are determined to do their part to make the Fourth a day to be remembered. A cordial invitation is hereby extended to all other towns of the county to join in and help Bandon celebrate, and every resident of Coos and Curry counties is invited to come to Bandon on July 4th, and enjoy the time of their lives. There will be fun for the funny, pleasure for the pleasure seeker, and a resting place for those who want to rest. An excellent program is being prepared.
