

TRYING FOR FLYING MACHINE JULY 4th

CITY CAUCUS NOMINATES CANDIDATES

Good Men For The Offices are Placed in the Field

ELECTION MONDAY JUNE 27TH

At the city caucus, Thursday evening, a strong ticket was placed in the field for the city offices. In fact the men are all of such character that no difference who is elected, the city government will be in good hands.

C. R. Wade, City Recorder called the meeting to order and was made chairman for the evening, and C. E. Kopf was placed in the secretary's chair.

The first nominations made were for councilmen, and a number of names were placed in the field and it was decided by the meeting that the six men receiving the highest number of votes would be placed on the ticket, as there are three councilmen to elect, thus leaving two names on the ticket for each place to be filled.

The vote stood as follows:

M. Breuer.....	44
Nels Rasmussen.....	50
J. W. Felter.....	46
B. J. Coumerilh.....	43
R. W. Boyle.....	67
H. Manciet.....	51
J. C. Shields.....	39
Chas McCulloch.....	24
J. H. Jones.....	11
R. C. McKinnis.....	4

Jones and McKinnis had withdrawn from the race, however, which accounts for the fact that they did not receive a bigger vote. Thus from the returns of the election it was found that Boyle, Manciet, Rasmussen, Felter, Breuer and Coumerilh were the nominees.

Next came the nominations for mayor, there being two names to go on the ticket for this office, the vote stood:

C. R. Wade.....	44
J. W. Mast.....	43
M. Breuer.....	36
Chas Lorenz.....	12
E. Lewin.....	2

Lewin had declined the nomination before the ballot was taken. According to the result of the ballot Mast and Wade will appear on the ticket.

For municipal judge, G. W. Rea and Geo. P. Topping were placed in nomination, and as there were no other nominees, these two gentlemen were declared nominated by acclamation.

For city recorder the names of E. B. Kausrud, D. H. Jackson and A. G. Thrift were placed in nomination. Jackson withdrew, and Kausrud and Thrift were nominated by acclamation.

The meeting then adjourned.

School Election next Monday

Next Monday, June 20th, is the annual school election, and every man and woman of the Bandon district, qualified to vote at this election, should be in attendance and express their views on important subjects to come up at the meeting. There is one member of the school board to elect, which is always an important issue; but there are other

Witness The Flight of The Human Bird

HIGH SCHOOL

COMMENCEMENT

Only One Graduate This Year, But Exercises Were Interesting

Although there was but one graduate from the Bandon High School this year, the regular commencement exercises were held in the auditorium of the school building, Friday evening, and proved to be exceedingly interesting.

The address of the evening was delivered by Rev. Selden C. Adams of Ashland, Oregon, and was an excellent and appropriate one. Mr. Adams has a strong personality and is greatly interested in the cause of education. The invocation was offered by Rev. A. Haberly, and among the musical numbers were piano solos by Miss Erma Lyons, vocal solos by Mrs. T. H. Mehl, and a vocal solo by Mrs. L. P. Sorensen. The presentation of the diploma to Miss Jessie Wood, who was the only graduate, was ably done by Preston C. Stephenson, chairman of the school board, and a pleasing feature of the evening was the presentation of a beautiful watch fob to C. R. Moore by students of the High School. This was given as a token of appreciation of the work Mr. Moore has so faithfully done in writing and conducting the plays which paid for the High School piano.

The evening, taken as a whole, was a pleasant and instructive one, and quite a large audience was present, although there would have undoubtedly been many more, had the weather been more favorable.

Ocheltree--McCoy.

Married, at the home of the groom, in Bandon, Thursday, June 9th, Mr. Oliver C. Ocheltree and Miss Lillian S. McCoy, Rev. Adolph Haberly, of the Presbyterian church, officiating. The groom is a steady young man employed in the Moore Mill, while the bride is a daughter of Mr. Chas. McCoy, now of Marshfield, but formerly a resident of Bandon. Mr. and Mrs. Ocheltree will make their home in Bandon, and have the congratulations and best wishes of their many friends.

Dairy Association Meeting.

The Coquille Valley Dairymen's Association met in monthly session at the Benson Opera House in this city Wednesday of this week, the session being presided over by President Eddy. Secretary Hanley was also present. There was a fair attendance, but not as large as was hoped, from as important a dairy center as Myrtle Point. However,

things of just as vital importance in connection with the preparations for the next school year and the work of raising funds for the defraying of expenses.

Everyone should be vitally interested in the work of our public school and should attend the annual meeting next Monday.

NEGOTIATING FOR AERIAL MACHINE

Keep in Memory The First Aerial Flight in Bandon or in This Part of The State

ENJOYMENT FOR ALL--OLD AND YOUNG

If present arrangements carry through all right the people who come to Bandon July FOURTH will have the privilege of seeing a real flying machine do the flying act. The committee is now in correspondence with three different operators of machines, and the probabilities are that they will land at least one.

Besides this great feature there will be athletic sports of all kinds, such as racing, jumping, and many other sports, also an exhibition by the Bandon Fire Department, and a Base Ball game between Bandon and Myrtle Point.

There will be something doing every minute from Saturday night, July 2nd up to and including Monday night, July 4th. Come to Bandon and have the time of your life.

Howard Morris Dies.

Howard, the eight-year-old son of Mr. and Mrs. Alfred Morris, of Bandon, whom we mentioned in our last issue as being very ill at the home of T. A. Walker, in this city, passed away on Thursday morning at five o'clock. The family came up the previous Sunday to take part in the Decoration exercises, and on their arrival here the boy was complaining and soon took to his bed, gradually growing worse till death relieved him.

The cause of this sudden death was pronounced by Dr. Richmond as cerebral meningitis, and all who were in the house have remained in, and they have allowed no one to enter the place, Mr. Walker putting up a red flag as a precaution in case there should be danger of contagion.

Two weeks previous to his passing away, Howard, with other boys at Bandon, were climbing trees when he fell from the one he had climbed, receiving a very severe jarring up, from which he complained up to the time he took sick, and it might be possible that this was responsible for the severity of his trouble, if not wholly the cause of his illness.

This is a very sad occurrence for Mr. and Mrs. Morris, who have the sympathy of the entire community in their bereavement.

The interment took place Thursday afternoon in the Odd Fellows' cemetery, where a little mound covered with fading roses mark his last resting place.—Coquille Herald

Van is coming. You had better mend your ways.

the session was very interesting, and the talks made were well worthy the attention of the dairymen.—Myrtle Point Enterprise.

University Club Banquet

The Bandon University Club gave its third annual banquet to the ladies at the Hotel Gallier, Tuesday night, and it was a success in every particular. Manager Mills of the hotel knows just how to entertain his guests and sees to it that nothing is left undone that will add to their comfort, and the arrangement and selection of the menu is always the very best.

The banquet consisted of ten courses, served in excellent style and was done to a queen's taste.

Following the banquet was a big toast feast, in which each member had a say, and there was wit and humor galore for the space of about two hours.

Van Marter Is Coming

Sunday, July 3rd, the Opening Date.

Noted Evangelist to Visit Bandon.

C. M. Van Marter, who has been having great success as an evangelist in Oregon the last three years, is to commence a series of Union Evangelistic meetings in the old Shingle Mill building on Sunday, July 3rd. The Methodist, Presbyterian and Baptist churches have united for these meetings. A large chorus will be organized to furnish music during the meetings.

Mr. Van Marter comes highly recommended. The Ashland Tidings says of him: "Mr. Van Marter proved himself to be a first-class all around evangelist, eloquent, spiritual, plain spoken but not abusive, no trap setter, not sectarian, but helpful. His work in Ashland proved him exceptionally strong with old and young men. The attendance at all times was good, while on several

ROSE BALL WAS

GRAND AFFAIR

Beautiful Drill At Opening Was A Brilliant Scene

The Ladies' Rose Ball at Bank Hall last Saturday evening proved to be one of the most beautiful as well as one of the largest social events of the season, and has been complimented very flatteringly by scores of people who were in attendance.

The Rose Drill, by 40 ladies, at the opening, presented one of the most brilliant scenes ever given in Bandon. The ladies were all dressed in white, and were literally covered with beautiful Oregon roses, and the drill was an exhibition that will long be remembered by those present.

After the drill, the rest of the evening was spent in dancing; the hall was filled to practically its greatest capacity.

Taken all in all the ball was one of the most beautiful and elaborate ever given in Bandon.

Owls Give Banquet.

The Bandon Nest of Owls gave a big banquet to their members and ladies, Tuesday night, which proved to be one of the biggest events of the season. About 100 people were present, more than half of whom were ladies.

The spread was one of the biggest ever given in the town, and the credit is largely due to Chas Herzog, who makes a specialty of serving lodge banquets, and he surely did himself proud Tuesday evening. Besides the spread a very fine literary and musical program was carried out. M. A. Norton gave an address of welcome which was highly appreciated. C. A. Jamieson and Fred Ashburn covered themselves with glory by giving recitations. Mrs. J. H. Shields gave a select reading and Mrs. Chas. Hubbard a declamation that were appreciated to the fullest extent. Musical numbers were furnished by Charles Hubbard, Oliver Howell, Raleigh Tucker and Albert Baird, all of which were very fine and added greatly to the evening's entertainment.

Miss Rogers Presented Ring

One of the pleasant features of the closing days of the Bandon High School was the presentation of a beautiful ring to Miss Rogers by the pupils of the High School as a token of their appreciation of her excellent work among them during the past school year. The ring was set with a beautiful agate, found on the Bandon beach, and will no doubt be ever cherished by the receiver.

Miss Rogers was exceedingly popular among her pupils, as well as occasions the seating capacity of the church would not accommodate those who came.

There will be meetings each afternoon at 2:45 p.m., and each evening at 7:30 p.m. Let every one plan to attend these meetings.

SAWLOGS WALLOP

BEAN POLES

Fats Are Master of Situation From Start to Finish

JOHNSTON AND LAGORE DO THE TWIRLING

Did you see the game Sunday between the big round sawlogs and the long slim bean poles? If not, then you missed half of your life and the other half is not worth living, for it was a great game, resplendent with side shows of every description, and the way those fat men played rings around the leans was certainly a caution, and for all that the leans did some lively stunts at times.

Some ball games are full of mysteries, but the only noticeable mystery of this game was to decide which was Chas Lorenz's game leg as he seemed to spell them off, so far as the limping was concerned.

As has been said, the game was replete with exciting features, and it might be added that some of these fat men were not so slow in getting around the diamond, while the leans, when they did get a chance to run, went through the air like jack rabbits.

The game started about 2:30 with the leans, and they succeeded in running a number of scores, while the bean poles, when they came up were shut out; but later on the leans did better work at the bat, but were never able to overcome the big lead, and at the end of seven innings, when the game was called on account of being out of wind, the score stood 29 to 14 in favor of the big round fellows.

W. A. LaGore was in the box for the leans, and did good work but was hit by a ball while running bases in the sixth, and Carl Bowman went in and pitched one inning. J. H. Johnston did the twirling for the fats, and succeeded in making a number of leans fan the air. Chas Page for the fats and C. E. Hollopeter for the leans, served as back stops on the firing line, and both did good work. In fact there was something doing all the time and those who went sure got the worth of their money.

The receipts of the game were \$53.00, and the expenses about six or seven, so that a neat sum will be left for the beach side walk. The players as they lined up were: Fats, Page, catcher; Johnston, pitcher; Bedillion, first base; Holman, second base; Lorenz, third base; Lucas, short; McKenna, left field; Oakes, center field; Laird, right field. Leans, Hollopeter, catcher; LaGore and Bowman, pitchers; Fred Gress, first base; Heaton, second base; Crain, third base; Brown, short; Sorensen, left field; Manciet, center field; Nielson, right field.

"A. F. Estabrook Co. of Bandon are in the market for large quantities of Port Orford Cedar Telephone poles. Best prices paid. Full particulars at office in Bandon. Call or write."

23-4t

with those outside of school with whom she became acquainted, and the fact that she will not return here again will be greatly regretted by a large circle of people.
