

CITY ELECTION PASSES QUIETLY

Water Bonds Carry. Cows Still Run at Large

FAIR SIZED VOTE WAS CAST

The city election passed off quietly Monday, and only a fair vote was polled, there being 224 in all.

The greatest interest of the election was centered in two ordinances, the one to bond the city for \$60,000 to establish a municipal water system. Only tax payers were allowed to vote on this and it carried by the decisive vote of 108 to 46, which would appear in no uncertain terms that the tax payers of the town desire that the city should own its water system.

The other ordinance was to decide whether or not, cows should continue to run at large in the city limits, and the mild eyed bossies won out by a vote of 117 to 91. Thus will bossie cow continue to roam at will for at least another year, and people must continue to keep up their fences, and keep their gates closed, and fix broken sidewalks, and do a number of other stunts, to accommodate her royal highness, because the people have, by a decisive vote, declared they are willing to do so for the sake of the bossie.

For city officers the vote stood as follows: For mayor, J. W. Mast, 121; C. R. Wade, 90. For councilmen, R. W. Boyle, 157; M. Breuer, 125; H. Manciet, 122; J. W. Felter, 105; Nels Rasmussen, 104. Thus Boyle, Breuer and Manciet are elected for councilmen, and Mast for mayor. There will also be one vacancy to fill by appointment, owing to Mast taking the office of mayor.

For municipal judge, Geo. P. Topping received 109 votes and G. W. Rae, 100; and for recorder, E. B. Kausrud received 110 votes, and A. G. Thrift 97. Thus Topping and Kausrud are respectively elected.

FATS AGAIN WIN GAME

Wallop the Musicians to the Tune of Sixteen to Eight

Again did the big round men of Bandon display their ability to play ball by defeating the musicians of Bandon, to the tune of 16 to 8, last Sunday.

There was fun from start to finish, and everybody who went said they got their money's worth and then some. The fat men started off with a big lead and kept going all the time, and the musicians would get a move on themselves occasionally and take a spurt, but were never able to get in under the wire with enough scores to make it interesting.

There were all kinds of slab artists developed in the game. W. A. La Gore started off for the musicians and was afterward succeeded by Warren Littlefield; and for the fats Gross and Laird each took a turn.

Bandon climate, razor clams and strawberries are certainly good for N. J. Crain and "Pap" Gross, as these two gentlemen developed from lean to fat men in the last two weeks, but don't know just what their gain in avirdupois totaled. We are told however, that it was not over 297 pounds and are inclined to believe it.

The proceeds of the game were \$35.75, which will make about \$30. clear to go toward the beach sidewalk fund.

There were so many crippled up and replaced during the game that we were unable to keep track of all of them, but as near as we could tell, the line up was as follows:

Fats: Page, catcher and short; Gross, pitcher and second base; Oakes, fielder and first base, Laird, pitcher and second base; Naddler, catcher and first base; Crain, left field; Johnson and Lorenz, third base; Holman and Bolander, center field; Mast, right field.

For the musicians: Conrad, catcher; Littlefield, pitcher and short; La Gore, pitcher and short; Holloper, first base; H. Manciet, second base; Kausrud, third base; Windsor, right field; G. Manciet, center field; Robert Thom, right field.

BOTTLING WORKS ARE INCORPORATED

The incorporation has been perfected, the transfers made and the organization effected whereby the Coquille Valley Bottling Works will assume the charge of the old Bandon Brewery plant on July 1st. The brewing of beer will be discontinued and the business concentrated on bottling, soda manufacturing, and manufacturing and dealing in ice.

Felter Obituary.

David A. Felter was born in Hamilton county, Ohio, September 15, 1815, and died at the home of his son, John W. Felter, in Bandon, Oregon, June 22, 1910, aged 94 years, 9 months and 7 days.

He grew to manhood in Ohio, then moved to Indiana, afterward to Missouri, then to Iowa and then to Kansas, and was a pioneer of the last three states mentioned. Mr. Felter was one of the judges in the first election ever held in Indianola, the county seat of Warren county, Iowa.

He was not in the war himself, but did his duty as an American citizen by sending three sons, the oldest one dying shortly after enlisting. He served in the Kansas state militia in 1868 during an Indian war.

Mr. Felter had been in Oregon a little over 13 years at the time of his death. He was a very interesting conversationalist as his life's experience has covered many important instances. He was a noble citizen and a great favorite with all his associates, and his life was one that made the world better by his having lived in it.

Mr. and Mrs. W. D. McKenzie entertained at a "spring chicken" dinner Tuesday evening in honor of Miss Edna Mills, of Bandon, who has been the guest of Mrs. J. C. Lee for the past ten days. Roses being used for favors and honeysuckles for decorating. Covers were laid for eight.—Lakeport Banner.

There may be \$500,000,000 of gold in this country. We can't account for very much of it. The best we can do is to turn out a little of the best laundry work done in the city. Any old thing in the shape of money will do for exchange. Bandon Steam Laundry. it

BANK OF BANDON IN NEW HOME

As Fine a Bank Building As Any in This Section

CAPITAL STOCK IS NOW FIFTY THOUSAND

The Bank of Bandon has moved into its new home in the new concrete Flat Iron Building, and now have as fine a banking home as any bank in the state of Oregon. Everything is modern and up-to-date. The building is steam-heated throughout, and as to banking fixtures, there are none better. The fixtures are for the most part solid mahogany and present an appearance that is certainly a credit to any bank. The capital stock of the bank has been increased to \$50,000, all of which has been taken, and the bank is thus one of the most solid financial institutions in this section of Oregon.

The second story of the new bank building is being used by Atty's G. P. Topping and C. R. Wade, and the real estate firm of Kronenberg & Thrift, as offices.

Bandon Won Game.

In one of the fastest games played in Coos Co., this summer Bandon won from Myrtle Point, Sunday, by the close score of 4 to 3. It was a great game throughout and neither team had the better of it until the last man was out in the 9th inning. Neither team scored in the 1st, but Myrtle Point put one man over in the second, the game running this way until the last of the fifth when Bandon put two men across the rubber. Myrtle Point rang the bell in their half of the sixth, but Bandon came again in the seventh with two more goings of the bell. Again Myrtle Point scored one run in the eighth, making the score board read Bandon 4, Myrtle Point 3, and it read that way until the finish. Each team played gilt edged ball, and there were few errors by either team. The trip was made by boat, and the team arrived in Myrtle Point late and tired, but that did not seem to make any difference in their playing, and the Myrtle Point fans were very enthusiastic in the expression of their opinion of the game. Next Sunday, July the 3rd, Myrtle Point comes to Bandon, and from the results of previous games it should be one of the best games of the season.
