The Golden West Male Quartette, consisting of C. D. Lash, J. B. Tower, C. J. Keene and C. S. Dodge, of Marshfield, played at the popular theatre, "The Bijou" Bandon, Sat. and Sunday evenings, June 25th and 26th. The theatre was packed both evenings to the door. The sketches the boys put on were the best ever seen here. Especially good was the Hobo sketch "On the road", Sat. evening, and the military sketch, "On the firing line", on Sunday evening. Both are new and hard to beat. The Bagpipe specialty took the house and the singing was great. All the late and up-to-date songs were introduced. Everyone who attended had only the highest praise for their work each evening. The Seaside Orchestra were there with their usual excellent music, and furnished fine accompaniments both for the solos and quartettes.

The Coon King.

The famous Coon King Company presented their musical comedy at the Grand Theatre, Friday night, and were greeted with a well-filled house.

The plot of the play was not just the kind which Bandon theatre goes most enjoy, but it was, for the most part, quite well rendered, although it was hardly up to the standard of what people had expected, considering the way they advertised themselves. The chorus girls were good and showed considerable training in their work. In fact, they did their parts much better than the stars of the troupe handled their individual parts.

The Grand Theatre is up to the standard, and Mr. Sellmer certainly gave them every opportunity to show to good advantage so far as arrangement of lights, stage equipment, and all those features were concerned. In fact he is to be congratulated upon the manner in which he conducted his part of the program and the motion pictures between acts were highly appreciated, as was also the music by the orchestra.

The Coon King himself showed up to good advantage, and, in fact, was quite phenomenal for a lad of his years.

Swengel, J. H. Johnston, J. E. Clark and Miss Edna Mills.

Susan Collins was born in Ennis, County Clare, Ireland, October 18, 1844. When she was sixteen years old she came to the United States, first making her home in Buffalo and later in Rochester, N. Y. In 1864 she moved with her parents to Oil City, Pennsylvania, where, on Aug. 15, 1866, she was married to Peter Maloney. To this union six children were born, who, with the hus-

band, mourn the passing of one of God's noblest women. The children are: Mrs. T. L. Heller, Quimby, Iowa; Dr. J. J. Maloney, Rock Rapids, Iowa; Francis B. Maloney, Cherokee, Iowa; Miss Marie T., Daniel E., and Michael C. Maloney, of Marshfield, Oregon.—Coos Bay Times.

Seventeen or eighteen signed the roll for charter membership as petitioners for a Presbyterian church to be organized by Presbytery. Rev. A. Haberly assisted Mr. Adams in soliciting for a church building. A goodly sum and a building spot were given, and a church will be built this summer.
