

Bandon Recorder.

VOLUME XXVI.

BANDON, OREGON, JULY 7, 1910

NUMBER 26

*Orig. Hist. Society
City Hall*

MUCH INTEREST IN UNION MEETINGS

Van Marter Preaches Strong Gospel and is Fearless of Results

LARGE CROWDS AT EVERY SERVICE

Have you heard Van yet? If not, you want to come and if you do you will be sure and come again. The interest is growing in the meetings each night. The old building has been very artistically fixed up and decorated with bunting and mottoes, so it is a comfortable and pleasant place for a meeting of this kind. A rest room has been provided so you can come and bring your children.

This meeting deserves the moral support of the whole town. It has behind it the churches of Bandon, and will prove to be a great blessing to all. Rev. Van Marter is surely a fearless preacher, and he will keep you awake every minute and give you something to think about.

This week he is preaching mostly to church members, and the preachers, elders, deacons and all have come in for their share. This is right. Let us all take our medicine. It will do us good.

The services are held each day at 3 and 8 p.m. Splendid singing by a large chorus under the direction of Mr. Haberly is helping to make the services helpful, together with the solo work by Mrs. Van Marter. Next Sunday will be a big day. At 11 a.m. the evangelist will preach, his subject being "Cut the Shore Line." At 3 p.m. a special sermon, subject, "Enthusiasm." In the evening will be the great service of the day, when Van will preach his great sermon on H E L L. Is there one, and if so, what is it like? This is one of the best sermons the evangelist has got and you can't afford to miss it. Lots of fellows are going to the place this subject, treats of, and you had better get familiar with the conditions.

Obituary.

Nellie Augusta Jensen was born Jan. 13, 1893, at Gold Beach, Ore. She lived in Curry County until 1906, when her parents moved to Bandon. Last year she went with Mrs. Lawson to Boise, Idaho, where she remained some months. From there she went to Coalinga, Cal., and returned to Bandon this spring. Since returning she has made her home with her sister, Mrs. Geo. Edwards. She was only ill a short time and died June 29, 1910. The funeral services were conducted by Rev. R. H. Allen of the M. E. church, from the residence of Geo. Edwards.

She leaves, besides her parents, two brothers and two sisters and a host of friends to mourn her departure.

Nellie was a girl respected and admired by all who knew her.

Obituary

Gunard Sandstrom, the thirteen month old son of Mr. and Mrs. Axel Sandstrom of Prosper, died last Saturday, July 2nd, and was buried in the Bandon Cemetery, on Sunday. Rev. A. Haberly conducted the services. The bereaved parents have the sympathy of their many friends and neighbors.

TO USE BURNT OVER TIMBER

Will Try Cedar Piling That Has Been in Fire District

As was announced some time ago in the RECORDER an experiment of the burnt over timber as a commercial commodity is being tried in this community.

It will be remembered by readers of the RECORDER that this paper spoke of the A. F. Estabrook Co. taking up this proposition with a view of seeing what could be done. This company has now contracted with the Santa Fe Railroad to furnish them 1200 cedar piling from this kind of material, and if the charred piling proves a success, and there is every reason to believe it will, then it will mean thousands of dollars to Southwestern Oregon, as there is an immense amount of this kind of material in this section.

This will be an opportunity for the people to bring in their burnt over piling, at least until the order for the 1,200 is filled, and then if it proves a success there will be a good market for all they have. It is certainly something that is worth trying at least.

Two Important Arrests Made

On Tuesday of last week George Holder, a youth of 19 years was arrested and taken into custody in Coquille on information from his home in North Carolina, in which he is charged with killing a man in that state about a year ago. There are two reports in regard to this affair. One is that he had trouble with a school fellow, or a young lad about his own age, and stabbed him, and another is that his victim was an older gentleman who chastised him for trespassing and taking chestnuts from his trees, when he flew into a passion and stabbed the old man.

He was landed in Coos county's bastille, and awaits the arrival of the sheriff from the county in which the crime, if it were a crime, was committed, as he makes a claim of self-defense.

The other man, Jessie Burleson, was located in the Willamette valley, on the Santiam about 30 miles east of Albany working in a cord-wood camp. He is accused of also killing a man in the same state and in an adjoining county to that in which Holder committed his crime, and it is also stated that these two men are cousins. Burleson was found to be heavily armed and is supposed to be a very bad man. He occupies apartments in the hotelery and will abide the time of the sheriff of his county who is doubtless on his way here by this time.—Coquille Herald.

J. L. Kronenberg, F. W. Kronenberg and wife, Col. Wm. Coach and son Joe, O. A. Trowbridge and R. E. L. Bedillion are among the passengers booked to sail on the Fifield this afternoon.

W. H. Hendricks, cashier of the Bank of Myrtle Point, accompanied by his wife, were over-Sunday visitors at the home of Mr. and Mrs. Carl Garoutte of this city.

A baby boy was born to Mr. and Mrs. L. E. Osborn July 1st. The baby is reported to be getting along fine, but Mrs. Osborn has been very ill.

Mrs. A. McNair, of Tillamook, is visiting at the McNair home while the two A's are down in California.

BANDON CELEBRATED IN GOOD FORM

Ideal Day and Throngs of People Enjoy the Fourth

EVERYBODY HAD A GOOD TIME

Monday was an ideal Fourth in Bandon, the weather was on his good behavior, and no town ever had a finer day than was Monday in Bandon.

The celebration started off in the morning with the parade from the city to the grounds, and although the parade was not long yet it was picturesque, and the Order of Redmen are especially to be commended for the appearance they made. The parade was headed by the Bandon Concert Band, which always furnishes the best music to be had, and the parade was escorted by E. M. Blackerby, Marshal of the Day.

On arriving at the Park the crowd assembled at the pavilion, where, after a couple of selections by the band, J. W. Mast, President of the Day, introduced the first speaker, Atty G. T. Treadgold, who gave an eloquent address, dwelling more particularly upon the duties of the citizen to his country in exercising his right of franchise, and drove home many lasting truths. He was followed by Atty F. J. Feeney, who was the second speaker of the day, and who proved himself to be an orator of true merit, telling of the beauties and privileges of American citizenship.

After these addresses adjournment was taken for dinner, many of those bringing lunch baskets seeking grassy spots under the beautiful shade trees to spend an hour in social chat and feast on the abundance of good things. Others went to the lunch counter of the Presbyterian church where an excellent lunch at reasonable prices was served.

The afternoon was given over to sports, but as it was impossible to secure the names of all the winners, we do not publish any of them, but suffice to say the sports were interesting to a high degree. After these sports were finished the crowd came down town and were treated to an exhibition by the life savers, which was excellent entertainment and greatly enjoyed. After this was a log rolling contest which was funny and fast, and furnished much amusement for the crowd. Mr. Van Laven won first money and W. C. Parker second. Mr. Dunklee also gave an exhibition of log rolling, and then he and Mr. Van Laven gave a combined exhibition, but Mr. Dunklee was not a candidate for the prize, he being one of the promoters of the contest. The crowd then went to Columbia Ave. where three horse races were pulled off, R. A. Parsons winning two and Jack Van Valkenburg one. The grand ball in the evening ended the days events.

The celebration really started Saturday evening with a band concert and grand ball, and on Sunday afternoon by a concert on the street and a big ball game between Bandon and Myrtle Point, which resulted in a score of 12 to 7 in favor of Bandon.

Coquille and North Bend each had a \$5,000 fire the Fourth. The Coquille fire burned a building belonging to John Golden, occupied by Mrs. Burkholder as a millinery store, and the North Bend fire consumed the Pacific Hotel and Kern cottage.

PROCEEDINGS OF ADJOURNED ASSEMBLY

Nominate Delegates to State Assembly and Complete County Ticket

The Republican Assembly for Coos County met in pursuance to an adjournment previously had, in Coquille, on Thursday, June 30th, and finished up the business of the body for the coming campaign.

W. J. Butler was recommended to be the party candidate for coroner. Mr. Butler is a Marshfield man and has previously held the same office with great credit to himself and his party.

Following is a list of the delegates chosen by the Assembly to attend the Republican State Assembly:

From South Marshfield: Thomas Bennett, S. B. Cathcart, Geo. Farrin, R. O. Graves, C. L. Pennock, C. B. Selby, J. W. Bennett, William Grimes, O. O. Lund, F. K. Gettins, E. A. Anderson and W. U. Douglas.

From North Marshfield: Dr. Mingus, Claude Naaburg and D. L. Buckingham.

From North Bend: L. J. Simpson, C. S. Winsor and Judge Gaenry.

From South Slough: C. A. Schilbrede.

From Myrtle Point: J. R. Benson, R. C. Dement, L. A. Roberts, S. C. Eandcott, Chas. Adams, W. L. Dement, P. L. Phelan and L. C. Bargelt.

From Norway: John W. Clinton.

From East Coquille: Geo. Peoples, J. S. Barton and E. Kern.

From West Coquille: A. S. Hammond and J. C. Savage.

From Dora: W. H. Bunch.

From Bandon: R. H. Ross, F. N. Perkins and Ed. Gallier.

Forty-five delegates attended the adjourned session which was full of warmth, enthusiasm and party spirit; \$360.00 required for the organization expenses to date was raised among the delegates within a ten minutes' adjournment.

The meeting indorsed F. K. Gettins to be the County's candidate for State Water Commissioner before the State Assembly; as there will be no opposition to John S. Coke for Judge from this County, no official action was taken on the matter, but Judge Coke will be indorsed in the State Assembly for the bench to succeed himself, as it is well understood among the Coos County delegates that the local assembly are a unit back of his candidacy.

During the closing moments of the session, which was marked by the greatest of harmony and cordiality among the Republicans, S. D. Pullford and L. J. Roberts each made a speech attacking the Coos Bay Times in no uncertain language for having accused the Myrtle Point Enterprise and its informants with having falsified as to the figures of the attendance at the first meeting of the Assembly. Mr. Maloney, representing the Times at the meeting, made no reply to their attacks.

A resolution was passed to the effect that the County Central Committee prepare and send out the nominating petitions for the various candidates of the Republicans, thus making them the candidates of the organization, and not compelling any of them to boost their own candidacy. The candidates as recommended to the people to date are as follows: Sheriff, John Yoacum, of Coquille; Clerk, James Watson, of Coquille; Treasurer, Tom Dimmick, of Marshfield; County Judge, E. A. Anderson, of Marshfield; County Commissioner, Geo. Armstrong, of Bandon; Surveyor, E. H. Kern, of Coquille; Representative from Coos, G. T. Treadgold, of Bandon, with Joint Representative from Coos and Curry yet to be selected by the Curry County Assembly.

CITY COUNCIL IN QUARTERLY SESSION

New Mayor Takes Seat and New Council is at Once Organized

APPOINTMENTS FOR YEAR ARE MADE

The City Council met in regular session on June 30th, transacting considerable business and adjourned to meet in quarterly session on Tuesday evening, July 6th, at which time the old council met and went through with the regular amount of business.

Dr. Houston was appointed City Health Officer, temporarily, and all physicians were instructed to report all cases of contagious disease to the health officer.

The old Council then adjourned, and Mayor Mast, Recorder Kaustud, Judge Topping, and Councilmen Boyle, Breuer and Manciet were sworn in. The first official act of the new mayor was to appoint P. C. Stephenson to the office of City Councilman, to fill the place made vacant by Mr. Mast's resignation, and the appointment was immediately confirmed by the Council. The mayor then delivered his message to the council which was full of good ideas and will be published in full next week.

The Mayor then made his appointments as follows: C. R. Wade, City Attorney, C. Y. Lowe, City Treasurer. No change was made in the police force, F. A. Holman being retained as City Marshal and Ira Tucker and W. H. Dibbee as night watchmen. The office of City Engineer was left vacant, for the present, at least.

G. Boak was then elected President of the Council, to act in the absence of the mayor. The salary of the City Treasurer was fixed at \$150 a year and his bond at \$2,500.

The matter of better fire protection was taken up and there will probably be a pipe run through the fire limits and arrangements made with the Woolen Mill and the G. O. W. Moore Lumber Co. to attach their pumps to the pipe, thus getting salt water with which to fight fire.

The matter of lighting the jetty so that vessels can come and go at night was also taken up and a committee appointed to see what could be done. The city recorder's quarterly report was ordered published in the Bandon Recorder, and will appear in the next issue.

The Council then adjourned.

Fats vs Leans

There will be another game of ball Sunday at 2 p.m., at the ball park, between the fats and leans of Bandon. The leans have made up their minds to take a fall out of the fats this time, and they are going in to play for blood. The proceeds of the game will go toward the beach sidewalk, so come out and help the good cause along and have a good time.

Perhaps the oldest person in the State of Oregon, is Mrs. Wade, of Bandon, who came to this city a short time ago to live with her son, Walter Laird, who has recently moved in from the farm. Mrs. Wade is 106 years old, and although she is rather hard of hearing and her eyesight is a little weak, yet she is in a wonderful state of preservation for one of her years.

HOTEL BARVIEW GOES UP IN FLAMES

Fire Thought to have Caught in Attic, but Origin Unknown

The Hotel Barview was totally destroyed by fire Tuesday afternoon, the loss being about \$5,000, with \$3,000 insurance.

Just how the fire originated is not known, but it is thought to have caught in the attic and before anything could be done, the flames had gained such headway that it could not be checked until the building was consumed. Almost everything in the building was saved.

The firemen were handicapped on account of insufficient hose at first, and after enough hose was secured, it was found that the water pressure was not strong enough to do much, so the only thing that could be done was to keep the fire from spreading, and excellent work was done in that line. The Barview Hotel seemed doomed to destruction as this was the third time it had caught fire in a short period, and the third time proved to be the charm in this case. The building belonged to William Craine, but was rented to the Van Valkenburgs. We have not learned whether or not it will be rebuilt. Mr. Craine was at his camp at the time of the fire.

Along the Wharf

The Elizabeth arrived in port last Friday with 119 tons of freight and 17 passengers, and sailed again Sunday night with 6 passengers, 60 cords of matchwood, 262,000 feet of lumber, 1200 bbls of veneer shooks, 12 tons of butter and cheese, and 5 tons of miscellaneous. She will probably be back Sunday and sail again about Tuesday.

The Ruby went out Sunday with a full cargo of lumber. Capt. Korth was accompanied on this trip by his wife and daughter.

The Newport arrived from Portland yesterday with about 75 tons of freight, and will sail again today with 125 tons of coal, 50 hogs, 20 cords of matchwood, 10,000 feet of lumber, 5 tons of miscellaneous, and 1 ton of hides.

The Fifield arrived in port Sunday with 22 passengers and 180 tons of freight, part of which was for Portland. She sails again this afternoon.

President E. E. Oakes of the Bandon Commercial Club has received a letter from Senator Bourne, stating that he would take up the petition of citizens of Bandon and Langlois for a daily mail service between the two towns, with the proper authorities and thought there would be no doubt of getting early action on the same. This will be a great benefit to people along the line and the Senator will have the everlasting gratitude of the people if he succeeds in getting the service for us.

Little Gertrude Laird, daughter of Binger Laird and wife has the distinction of possessing six living grand mothers, great-grandmothers etc. The grandmothers are Mrs. Will Smith of Groveland and Mrs. James Laird Jr. of Sitkum, the great-grandmothers are Mrs. S. J. McClosky of Norway, Mrs. J. W. Laird Sr. of Sitkum and Mrs. Shepherd of McKinley. The great-great-grandmother is Mrs. Wade of Bandon. A delightful family reunion was held at Parkersburg one day last week.
