## ENTRIES FOR THE PRIMARY

### County Clerk Watson Gives Out a List of Candidates

### MANY GOOD MEN ON THE TICKET

The full list of candidates before the primaries of next Saturday have been given out by County Clerk Watson. This list does not include the candidates for representative as they must file their nominating papers with the secretary of state. Candidates for committeemen have filed in only a few precincts and most of them are assembly candidates.

The county candidates who have filed according to law are as follows, the ones endorsed by the assembly being so marked:

#### REPUBLICAN.

County Judge—E. A. Anderson (Assembly), H. G. Hoy (anti-Assembly).

Sheriff—John Yoakam (Assembly).

County Clerk—James Watson (Assembly).

County Treasurer—T. M. Dimmick (Assembly).

Surveyor—A. N. Gould (anti-Assembly), E. H. Kern (Assembly).

Coroner—W. J. Butler (Assembly), Dr. R. E. Golden (anti-Assembly).

Commissioner—Geo. J. Armstrong (Assembly), E. E. Oakes and Fred N. Perkins (anti-Assembly).

For Commissioner of Port of Coos Bay—L. J. Simpson and C. S. Winsor

Justice of the Peace, Dist. No. 1—A. E. Shuster.

Justice of the Peace, Dist. No. 2—C. L. Pennock, Constable, Wm. B. Cox.

Justice of the Peace, Dist. No. 3—E. G. D. Holden.

Justice of the Peace, Dist. No. 5—E. A. Dodge, Constable, J. C. Brown.

For County Central Committeeman—Precinct No. 7, C. E. Mavbee; Precinct No. 8, J. A. Ward; Precinct No. 9, D. L. Buckingham and Duncan Ferguson; Precinct No. 10, Chas. B. Selby; Precinct No. 11, F. E. Allen and J. W. Ingram; Precinct No. 16, C. A. Sehibrede; Precinct No. 19, J. D. Hamlin; Precinct No. 24, J. S. Barton; Precinct No. 25, Robt. R. Watson; Precinct No. 29, R. H. Rosa; Precinct No. 30, C. A. Jamieson; Precinct No. 32, J. W. Clinton; Precinct No. 34, L. A. Roberts.

#### DEMOCRATIC.

For County Judge—John F. Hall.

For Sheriff—W. W. Gage.

Surveyor—Frederick W. Stevens

County Commissioner—Thomas Coke, T. P. Hanly.

### G.A.R. and W.R.C. at Bandon

In response to an invitation of the Bandon Grand Army and Reiet Corps to spend the day with them, thirty two of Coquille G. A. R. and W. R. C. sailed down the river Saturday, Sept. 10th, to the City-by-the-Sea. The morning was beautiful and the steamer Coquille made good time.

When we reached Bandon our hosts were waiting to receive us. Long before landing we could see the silk flags waving and hear the strains of the Star Spangled Banner. As we stepped ashore we heard the hearty welcome—

"Coquille Post, W. R. C.,

## WHITE CONVICTED OF MANSLAUGHTER

### Gets Lightest Verdict in The Homicide Category

Wm. White who was on trial at Coquille last week for the murder of his stepfather Leroy Jones, was convicted of manslaughter, which is the lightest verdict possible in the homicide category.

The prosecution was conducted by District Attorney Brown of Roseburg, assisted by Deputy L. A. Liljquist of Coquille. The defense was in charge of G. T. Treadgold of this city, and C. R. Barrow of Coquille. The plea of the defense was insanity, and those who were in attendance at court say that it was one of the hardest fought criminal cases in the history of Coos county. The case was commenced Monday morning of last week and went to the jury about 10 o'clock Saturday and the jury returned the verdict about 4:30 in the afternoon. It is said that the jury stood eight for manslaughter and four for acquittal for some time, the four finally giving over.

An appeal has been taken and the judge has taken the matter under advisement.

The penalty for manslaughter is from one to fifteen years in the penitentiary. White has not been sentenced as yet and perhaps will not be until such time as the judge has decided on the appeal.

"We are here to welcome thee."

It was a royal welcome and we were told that the day was ours and we should say how we would like best to spend it, and they would do all in their power to make it a happy one.

We were taken immediately to the hall where the tables were already spread for dinner. And how we did enjoy it, from clam soup to huckle berry pie! After dinner nearly everybody went to the beach and spent a couple of pleasant hours. Returning to the hall at 3 o'clock, an hour was spent enjoying a lively camp fire. The words of welcome and good fellowship, the little incidents related of the days when "Our Boys" were young and gay, leaving home and friends at the call of duty, left a thrill in our hearts that will last many days.

After an excellent program of songs and readings by the Bandon ladies, we were again taken to the dining room and served with cake and coffee. The Post and Corps then took us to our boat which was to start homeward at 5 p.m. We found the "Favorite" instead of the Coquille waiting for us and we went aboard. Our homeward trip was quite as pleasant as the downward one, and if variety is the spice of life, we had a spicy time, having to change about so often to let each one have a turn at resting. Some looked like storks standing on one foot for lack of room to plant both. But the time passed pleasantly with singing and good cheer, and when we reached home we voted it one of the bright days of our lives that would stand out from the others and leave a bright spot in our memory.

We extend to the Bandon Post and Corps our thanks for a happy day, for their unselfishness in their entertainment, giving their whole time and energy for our pleasure. May we always work together in love and harmony, with patriotic devotion, living the principles of our order, Fraternity, Charity and Loyalty. LAURA C. BRANDON, W. R. C., Press Correspondent.

## BIG LOG SAWED AT LOCAL MILL

### Geo. W. Moore Lumber Co. Probably has Biggest Log in the County

### THE LOG IS NINE FEET IN DIAMETER

A log nine feet in diameter at the big end was sawed by the Geo. W. Moore Lumber Co this week and will probably go on record as the biggest log ever sawed in Coos county. It made 11,000 feet of lumber in round numbers, or, to be exact, 10,917 feet of lumber, exclusive of waste of all kinds. The log was red fir and of very fine quality.

There may have been bigger logs than this at some previous time, or there may be bigger ones in the county at present; but if so, we have never heard of them. However, we would like to hear of other mills in the county coming through with their big log stories, as it will be an excellent advertisement for Coos county, the home of the big timber.

### Along the Wharf

The Fifield sailed Saturday for San Francisco with 400,000 feet of lumber and six tons of miscellaneous freight. She had a big list of passengers as follows: C. Tuttle, G. Seeley, H. King, A. LeClair, J. W. Wright, Harold Rust, Norman Rust, J. B. Rust and wife, Roy Doan, E. R. Doan, Mr. Westfelt, J. R. Stevens, Miss Mary Ferry, Mrs. D. S. Albert, A. S. Maxwell, W. A. Grimes, Ruth Forester, H. J. Forester and wife, and three others, names unknown.

The Fifield arrives again tomorrow with 20 passengers and 100 tons of freight.

The Elizabeth arrived in Friday 186 tons of freight and the following passengers: Ira Tucker, W. H. Dibble, Miss Martha Korth, E. F. Swearingen, wife and four children and several others names unknown. The Elizabeth sailed again Sunday with 234,000 feet of lumber, 34 cords of match wood and 30 tons of miscellaneous and the following passengers: Jessie Richardson, Ethel Richardson, Georgia Richardson, F. A. Richardson, wife and child, Joseph Dobbins, C. F. Phipps, Mrs. A. Sprague, F. Sturdevant, C. A. Weinheimer, Mrs. O. H. Barnhill, Mr. Cahill, Mr. Bez.

The Elizabeth will probably arrive Saturday and sail about Tuesday.

The Advance sailed Sunday for San Francisco with 400,000 feet of lumber, the Washalora and Ruby arrived Monday, the Oregon was towed over from Coos Bay Tuesday by the Klyhiam, and the Albion sailed Wednesday for San Francisco. The Esther Buhne will probably sail today.

### Presbyterian Church

The services in the Presbyterian church next Sunday will be as follows:

Sunday School at 10:00 a.m.  
Preaching at 11:00 a.m.; subject—"Christ in the Vessel."

Christian Endeavor at 7:00 p.m.  
Preaching at 8:00 p.m.; subject—"His Riches—Our Riches."

All are cordially invited to attend these services.

H. C. HARTRANFT, Pastor.

## WILL DREDGE COQUILLE RIVER

### Machine to be Built for Operation In This Harbor

The river dredger is working on Coos River on the government project. The dredge is going over the river from the mouth to Major Tower's cottage on the south fork, and snags and logs are being removed and placed on the banks. They will later be sawed up and burned. Roy Rozell is in charge of the dredge. There is a reef in the river which will be opened. The dredge will continue at work clearing the river as long as the condition of the water will allow.

The government dredge Oregon is expected here the latter part of the month and will start in work at Pony Slough making the bay channel the full width according to the government project.

A dipper dredge and snag puller is to be built on the Coquille river for use there. The work of building it will begin as soon as the bids are let. It will be similar to the one used on Coos river, and be operated to clear Coquille river, amounts having been appropriated for removing the snags and the rocks.—Coos Bay Times.

### Four Mile Locals

The Four Mile Socialists had a dance last Saturday night and a pleasant time was reported. Some took too plentifully of fire water but the managers of the dance soon got them quieted down.

Mr. Davis' family have been having quite a tussle with tonsilitus, but are some better at last account.

E. M. Clayton moved his family to Gravel Ford where Mr. Clayton has bought a ranch. We are sorry to lose these good neighbors, but wish them well in their new home.

Everyone is wishing for rain, but the weather does not look like it would come very soon.

Wallace Pomeroy has rented what is known as the McClellan ranch. Mr. Pomeroy is an experienced dairyman and will surely have success in this move.

Mrs. Anna Wilcox went to Bandon the fore part of the week; she has been visiting on the creek the past two weeks. PETE

If State Printer Duniway has made a saving to the taxpayers of the state of \$40,000 in three years, why does he not show it by facts and figures? All this great saving is credited to utterances by the state press through articles probably written or inspired by the State Printer himself. In fact, all such savings were made by the Secretary of State under conditions over which Duniway had no control. The figures quoted by William J. Clarke, the Republican, flat salary candidate, who stands alone as pledged to this great reform, are taken from the records in the Secretary of State's office. They are "material and contain facts and figures which the voter and taxpayer should know," says Judge Galloway, (democratic) circuit judge of the Third District.

(Paid advertisement by Wm. B. Clarke.)

Basket Social at the new Baptist Church next Saturday evening. All invited. Proceeds used for the new building. Come and enjoy yourself. Ladies invited to bring baskets.

## SCHOOL OPENED MONDAY MORNING

### Largest Attendance in History of the Bandon Public School

### INCREASE OF FORTY FOR THIS YEAR

Bandon's Public Schools opened Monday morning with a total enrollment of 366 pupils in all grades. This is an increase of 40 over the first day last year; the enrollment at that time was 326. This would indicate that Bandon has sustained a substantial growth in population during the last year. The High School opens with an enrollment of 56 this year as against 45 last, a gain of 24.5 per cent.

The pupils in all grades are as follows: high school, 56; eighth grade, 23; seventh grade, 24; sixth grade, 37; fifth grade, 31; fourth grade, 38; third grade, 47; second grade, 48; first grade, 62.

The teaching staff this year is: H. C. Ostien, supt., Mrs. Ostien and Miss Rose Hutchins, teachers in the high school. The grade teachers are: Pessie Kopf, first; Mary Marsh, second; Dorothy Gibson, third; Inez Lusk, fourth; Kate Rosa, fifth; Louise Latimer, sixth; Vivian Hutchins seventh; Pearl Walker, eighth.

The only new teachers from a distance are Miss Rose Hutchins of the high school and Miss Vivian Hutchins of the seventh grade. The young ladies are sisters and come from Ottawa, Kansas, and are both graduates of the Ottawa University.

Brand new buggy for sale. Less than actual cost laid down in Bandon. Best running gears made. This is a bargain and I mean business. See B. S. Swengel at Bandon Hardware Co.

Not only all the comforts of home, but more, may be found on the "FIFIELD." Spacious, well-ventilated rooms, all with hot and cold running water, electricity, and willing service. The most liberal management.

### Music Class

Miss Winifred McNair will start a class in vocal and instrumental music at her home in Bandon. Call on her for particulars. 37-21

G. T. Treadgold

Assembly Candidate before the Republican Primaries for Representative in the State Legislature from Coos County.

(Paid Advertisement)

## WOULD BOND FOR GOOD ROADS

### Many Colonists Coming to Oregon This Fall

The State Good Roads Association is very anxious for the people to become better acquainted with petition 354 on the ballot, which reads: "No county shall create any debts or liabilities which shall singly or in the aggregate exceed the sum of \$5000, except to suppress insurrection or repel invasion or to build permanent roads within the county, but debts for permanent roads shall be incurred only on approval of a majority of those voting on the question." Those at work for the passage of the amendment permitting the bonding of the county for road work say it will be the biggest step Oregon has made toward permanent improvement for a long time.

The vanguard of the Fall colonist travel from the East and Middle West to Oregon is arriving on every train. Reports from the immigration officials of the railroads are to the effect that this travel will be heavy and that a large number of new citizens will reach Oregon this year. People of the state should make special efforts to welcome the newcomers and make them feel at home in their new environment. Help should be given in helping them find suitable locations. Oregon people have a distinct duty to perform in giving aid and comfort to the homeseeker who will be with us in large numbers this fall.

Chehalis, Washington, is doing some good work in advancing new methods of burning out stumps on logged off lands. The Citizen's Club of Chehalis recently held demonstration of the charcoal method of burning stumps and the tests were very successful. It is thought the general adoption of this means of clearing cut over lands will be of great value to the Pacific Northwest.

### Rain Does Not Mar Fair

Salem, Or., Sept. 17.—Children's day, the sixth and final day of the forty-ninth Oregon state fair, opened dark and gloomy this morning. The crowds that have remained are endeavoring to get the most out of the exhibition which is still as good as on the brightest and biggest days of the present show, except for the weather. The visitors do not seem to be cast down, but the attendance at the grounds and track is poor. It is not raining as heavily as yesterday but the race track is a veritable sea of mud and the camp grounds are damp. Very few campers, however, will leave before tomorrow evening, but will remain to see the big show out today and witness the management's last sky rocket bid good-bye for one year when the fiftieth fair will be held, bigger and better than ever, because it will be the semi-centennial celebration of Oregon Agricultural fair's birth.

The consolation trot for the \$1600 purse is the principal event scheduled for this afternoon on the track. There will also be a pacing event for pacers in the 2:15 class, and three running events. All children are admitted to the grounds free today, the day being dedicated to the youngsters.

You can do better for cash if you buy your hay, grain and feed of T. W. Robison at the Central Warehouse. 27-11
