New Illustrated Work on California!

CALIFORNIA SCRAP-BOOK!

A repository of useful information and select reading, comprising choice selections of Prose and Poetry, Tales, Incidents and Anecdotes, both Historical, Descriptive, Humorous and Sentimental.

The compiler in arranging and combining material, has presented the whole in an interesting and attractive style. The brevity and variety of topics render the work particularly entertaining. In this work will be found facts and incidents on the Lives of Pioneers, and of the history of the State, that make its pages glow with the fascinations of a romance.

We confidently anticipate for this book a larger sale than any work that has been circulated upon this Coast for many years.

It is one large octavo volume of upwards of 700 pages, printed on elegant paper, handsome type, with numerous spirited engravings, illustrating Scenery, Character, &c.

It is sold only through canvassing agents, and those wishing territory to canvass, should immediately apply in person or by letter to the undersigned.

We have also just secured the General Agency for the Pacific Coast for the Celebrated Morse's Fountain Pens. An excellent article for agents.
