Democratic County Convention.

By resolution of the Democratic County Central Committee held in Jacksonville, April 21, 1870, the Democratic County Convention for nominating a County Ticket will be held in Jacksonville on Saturday, May 7th, 1870.

Table with 3 columns: Precinct Name, Number of Votes, and Total Votes. Includes Ashland, Butte Creek, Evans Creek, etc.

The Committee have decided upon the voting for J. S. Smith in 1868, as a test entitling voters to participate in the Precinct meetings...

The Committee ask the Democracy of the various Precincts to turn out in mass, and send up to the County Convention their best men.

W. F. SONGER, Ch'r Com., JAMES T. GLENN, Secretary.

"Still We Live."

With to-day's issue we complete the first Volume of the DEMOCRATIC NEWS. Custom has made it imperative, on such occasions, for the Publisher to announce his success...

Being permanently settled here, our interests are identified with the prosperity of this section; and a long acquaintance in Jackson and adjoining counties, induces us to hope that with the assistance of our friends we shall be able to make the News a first-class local newspaper...

Politically, the DEMOCRATIC NEWS, as its name indicates, will be devoted to the grand old Democratic party. Believing that with that party rests the welfare of the people, and the preservation of Constitutional liberty, we will devote to the defense of its principles all the ability we can command.

With proper management the ratification of this amendment will give us in Oregon 200 colored votes, and elect the entire Republican ticket at the June election.

This is the reason why Democrats howl for a "white man's government;" and this is one reason why we favor the Fifteenth Amendment.

FINANCIAL.—San Francisco April 19th—gold 113 1/2; Legal Tenders buying, 89, selling 89 1/2.

How about Connecticut?

The Democracy very recently gained a great victory in Connecticut. The good news was announced in this city by telegrams to the associated press, and elicited remarks from the organs of both parties. The Herald was properly jubilant over the success of its party in a great fight, and the Oregonian was disposed to underrate the prestige thus gained.

Republican Economy.

Ours is a good Government. It came in power to inaugurate a series of brilliant reforms and to retrench expenses.

As a sample of its economy, we call attention to the following facts: Alaska is now one of our acquired possessions. It is a place of rest for an army of United States officials, who live off the people.

So it costs \$27.50 to collect \$1 of revenue up there! But then loyalty must be rewarded, and who of the workmen will object to such a little steal?

We suggest the idea of employing postmen to deliver letters free in that region. They go around on skates—chance for more steel. Ours is a good Government.—Pomeroy's Democrat.

THE NEGRO-INDIAN-CHINESE-SUFFRAGE PARTY REBUKED!—On the first Monday of this month, the hitherto very Radical Commonwealth of Connecticut held her annual election for Governor and members of the legislature.

In Spinner's department or bureau of the Treasury, it is said that no girls are employed unless they are very handsome. We believe beauty is the standard of excellence in all such houses.

Canvassers are taking orders in Oregon for the "Home Book of Wonders." One of the "wonders" related in this book is that during the sessions of Congress of late, hundreds of women of "easy virtue" from all parts of the United States crowd and throng the streets of Washington City...

The Word White to be Stricken from the Naturalization Laws.

The Radical platform of Oregon contains a resolution which pledges the party to oppose all change in the naturalization laws, by which no other foreigners than those already mentioned in the law can become citizens of the United States.

WASHINGTON, March 23, 1870. DEAR SIR: It is with a feeling of shame that I am aware that the discrimination in favor of white men still lingers in our naturalization laws.

I have introduced a bill to strike out this last relic of former days, and it is now before the Judiciary Committee awaiting their report.

With thanks for the interest you have shown in this matter,
