Applegate Pr.—Thomas Mee, A. Darnell and John O'Brien.

Union Town Pr.—James D. Buckley, John Cantrell and Lyman Chappell.

Staring Pr.—Sylvester Saltmarsh, John Head and R. S. Armstrong.

Klamath Pr.—James H. Calahan, O. A. Stearnes and A. J. Burnett.

Jacksonville Pr.—Herman Helms, R. C. Armstrong and David Linn.

Flounee Rock Pr.—S. B. Hull, J. M. Cricket and Uriah Gordon.

Goose Lake Pr.—Wm. C. Greenman, Joseph Cooksey and A. Tenbrook.

LUSUS NATURÆ.—Mr. L. J. Hull is the possessor of a four-legged chicken. This little chick is well formed and growing finely; and all of its legs are well proportioned and serviceable. As a natural consequence it is very swift of foot; for if a two-legged chicken can run fast, a four-legged chicken should run twice as fast. *Nota Bene.* Since the above was set up, the wonderful chicken has died. He was sprung from a good old Democratic family of Brahmas; and a *post mortem* examination disclosed the fact, that his craw was filled with small wads of the *Scotiæ*, containing portions of the "Republican Platform," and Dowell's letters.

AN ACCIDENT.—Must have accidents in this county; though scarce this week, as the people have been somewhat careful. A man by the name of Quin started home from Willow Springs, horseback, last Tuesday; and was afterwards found in the road bleeding and senseless, terribly cut and bruised. One conjecture is that he fell from his horse in a fit; another, that he was knocked off by some party who laylaid him for the purpose.

BEADROCK DEMOCRAT.—We have received the first number of this paper, published by Abbott & McArthur, at Baker City. It presents a neat appearance, is plainly printed, and, as its name indicates, is "thoroughly and uncompromisingly Democratic." It will prove a valuable assistant to the Cause in Eastern Oregon. We wish it every success.

RICH STRIKE.—Some miners on Foots creek, recently "sunk a hole" through the hard cement underlying the "pay dirt" on that creek, and in which there was not a color, and struck a strata of gravel, eighteen inches thick, that is very rich. Others are following suit; and what has been considered the bottom of the creek will soon be punched out.

REMOVED.—Post Master J. M. Sutton has made another move. His office is now located two doors east of P. J. Ryan's store, in the office formerly occupied by Dr. Grube. We believe he is preparing one of the rooms for the manufacture of soda-water; and will furnish the thirsty with that cooling beverage, as soon as the summer opens.

THE WEATHER.—Rain has continued to fall all through the week, and it has been uncomfortably cold for the time of the year. People begin to believe that it will rain all the year; and a glimpse of sunshine is welcomed as much as a shower usually is in the dry season. It is certainly an unusual spring.

EARLY PLANTS.—Persons desiring Early York cabbage plants, or tomato plants—several choice varieties—can get them by calling at the residence of R. S. Dunlap. Sold in quantities to suit purchasers.

ED. NEWS.—I hereby withdraw my name as an independent candidate for Sheriff.

J. M. SUTTON.

FOURTH OF JULY.—Read Viet Sobuts' announcement of a grand ball on the Fourth of July.

THEATER.—The Troupe which performed here Thursday and Friday nights, under the management of R. Phelps, are deserving of liberal patronage. Their singing and performance were the best we have had here for a long time. They had fair houses here, and the public were delighted with their entertainments.

HOUSE BURNED.—We learn from Mr. Henry Klippel, that a house belonging to Mr. Fritz Ruch on Applegate, was burned to the ground on last Thursday. Most of the clothing and furniture was saved. Mrs. Ruch in her efforts to get her effects out of the house, had her face and hand badly burned.

LEG BROKEN.—On the 18th inst., John Pelton, a lad of some ten years of age, and stepson of John Sizemore, of Sams valley, had his thigh broken by his playmates slamming a door against his leg while at play. Dr. Davis was called and gave the necessary surgical aid.

MORE THAN 200 000 PERSONS

Bear testimony to the Wonderful Curative Effects of

Dr. Joseph Walker's

CALIFORNIA VINEGAR BITTERS.

Manufactured from the native Herbs and Roots of California.
The Great Blood Purifier.
FOR INFLAMMATORY AND CHRONIC RHEUMATISM AND GOUT, DYSPEPSIA, or INDIGESTION, BILIOUS, REMITTENT and INTERMITTENT FEVERS, DISEASES OF THE BLOOD, LIVER, KIDNEYS and BLADDER. These BITTERS have been most successful. SUCH DISEASES are caused by VITIATED BLOOD, which is generally produced by derangement of the DIGESTIVE ORGANS. Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood healthy, and all will be well.
