The vilest falsehoods, the lowest and meanest vil heaped upon the Democratic candidates in order to secure their defeat. These means were not used where the charges, true or false, could be met and refuted, but in dark Helms, "Curly," and others of that ilk, by mention of whose names we will not further disgrace these columns : and such subsidized ready aid to defeat the Democratic candi dates for State Senator and the Legislative ticket. Let its memory be forever held in contempt, and its friends remembered and spotted hereafter.

In the midst of the political treachery and dishonor so manifest among the bolters at the last election, it affords us great pleasure to record the services of those noble hearted true and trusty men, who forgot their disappointment and chagrin at the defeat of their success of Democratic principles, E. D. Foudray was a candidate for the nomination Democratic (?) County Commissioner; de for County Clerk before the Convention, and upon his defeat,-instead of going around nursing a sore-head as Neil, Ross, Louden and Bledsoe did,-promptly went to work like a man; undertook the long and arduous journey to Goose Lake, to see that the interests of the ticket were well guarded in that distant region, and amply vindicated his claims to the admiration and confidence of the Democratic party. John S. Miller was defeated for the nomination for Sheriff, but rode night and day to secure the success of his successful rival, and the entire ticket. The good service he performed contributed very materially to the success of the ticket and we hope will be rewarded in the future. Mesars, Andy Davidson, Capt. Thos. Smith. Dr. Tolman, James Hamlin, Kuder, Kubli, all candidates for various offices, did noble Reames, Democratic (?) Sheriff of Jackson work for the success of the entire ticket. Let their services be remembered.

WITH proper management the ratification of this amendment will give us in Oregon 200 colored votes, and elect the entire Republican ticket at the June election. At the Presidential election Grant only lacked 164 votes of getting the electoral vote of Oregon. There are upwards of two hundred colored voters in Oregon. Nine-tenths of this class vote the Republican ticket throughout the United States.
