LOCAL INTELLIGENCE.

A SAD AND FATAL ACCIDENT.—Death has visited our community, heretofore, in almost every variety of form. The aged and the young, and the middle-aged, have heard the sepulchral summons, and obeyed amid the deep, heartfelt lamentations of surviving friends and kindred; but never have we known of an instance more sad and affecting—a death more calculated to thrill an entire community and excite universal sympathy—than the sudden death, by accident, of Mary F. Bailey, a little emigrant girl 10 years of age, just arrived with her people across the plains. All the way from the distant climes of Minnesota she had traveled, only to find a premature resting place for that mortal part, the body, in the silent city on the hill. Last Sunday morning about 9 o'clock, the report of a pistol was heard in the dwelling house opposite the *Sentinel* office. People rushed to the spot to find that a fatal result had followed. Mrs. Paul had taken a revolver out of a trunk and given it to the elder daughter to put away out of the reach of the younger children. As this was being done, the younger girl caught hold of the weapon and, between the two, it was pulled off—the ball hitting the least one in the back, near the shoulder, and penetrating the heart, killed her instantaneously.

RUN OVER.—Mr. Thomas Anderson, a teamster on the Crescent City road, while on his down trip to the City for freight last week, met with quite a serious if not fatal mishap. He started to spring on the wagon while it was in motion, the wheel mauling, seeing him, made a lunge forward and threw the wheel against a large boulder which had the effect of throwing Mr. Anderson over the wagon with his head under the wheel. Thus he was dragged some distance before the wheel ran over him, having his head thereby terribly bruised and mangled. When our informant left Mr. A. was rational enough, but it was thought by some that his recovery was not altogether assured. He had been removed from the summit, near Taylor's, where the accident took place, to this side of the mountain where good surgical attendance could be had.

BIDS FOR KEEPING THE POOR OF THIS COUNTY.—At the meeting of the Board of County Commissioners of this county on the first Monday of this month, there were four bids for keeping the poor of this county, as follows: Dr. Danforth by the year at \$2,375; Dr. Davis by the year at \$2,800; Dr. Overbeck by the week—the paupers at \$11, and the poor who need medical or surgical aid at \$21; and Dr. Colwell by the week at \$15 for both classes of poor. These bids were all rejected, because they were considered too high; and after these bids were rejected, Dr. Davis made an offer to keep both classes of county poor at \$8 per week, which was favorably considered by the Board, but not acted on.

A PICTURE.—We were permitted to inspect an excellent painting this week executed by our favorite artist, J. M. Sutton; subject, the Rogue River Falls, and we have reason to believe they have been faithfully and truthfully delineated. We believe it is Mr. S's intention to exhibit the painting at the State Fair. The rage for waterfalls among the fair sex is perceptibly on the decline, or *Jeans* would have occasion to guard his representation of such a gigantic one very close when any of the dear creatures were around.

ANOTHER DEATH.—A man by the name of Johnathan Davis died at the hospital and was buried on Wednesday. He lately came from California, in destitute circumstances, wore out and foot-sore from travel. The County authorities took charge of him and had him placed in Dr. Overbeck's Hospital where he was well cared for until he died.

ARRIVALS.—Miss Nanny Linn who has been long absent on a visit to the Northern end of the State, returned home the first of the week. Mrs. Dorris of Eugene arrived on the same stage on a visit to her people here in Jacksonville.

FOR SALEM.—Hon. Jas. D. Fay, T. B. Merry, and we believe the entire delegation of Jackson county Representatives, start on next Wednesday for the State capital to be on hand at the opening of the Legislature.

SICKNESS.—A great deal of sickness has been prevalent in this vicinity of late, probably caused by a sudden change in the temperature of the weather.

RAIN.—A slight shower was had up the valley on Monday evening. A little rain down this way wouldn't hurt; enough, say, to lay the dust.

IN TOWN.—Prof. Robb, lately employed by the Directors to take charge of the Public school, is in town. We have not been advised as to when the school will open.

October 9th, 1869.

This valuable Family Medicine has been widely and favorably known in our own and foreign countries, upwards of

THIRTY YEARS!

It has lost none of its good name by repeated trials, but continues to occupy a prominent position in every family medicine chest. It is an External and Internal Remedy. For Summer Complaint, or any other form of bowel disease in children or adults, it is an almost certain cure, and has without doubt, been more successful in curing the various kinds of CHOLERA than any other known remedy, or the most skillful physician. In India, Africa and China, where this dreaded disease is more or less prevalent, the Pain Killer is considered by the natives, as well as European residents in those climates, a sure remedy; and while it is a most efficient remedy for pain, it is a perfectly safe medicine, even in unskillful hands. Sold by all Druggists.
Price 25 cts., 50 cts., and \$1 00 per bottle.
