THE KING OF BEASTS.

He Is Merely a Big Cat, After All, and a Likewise Good Luck on a Phenomenally Coward at Heart.

If we quit heraldry for fact and go by the testimony of travelers and hunters, was about 40 miles from Gloversville, it is very doubtful whether the lion de- N. Y., on a beautiful little lake just it is very doubtful whether the lion de-serves his magnificent reputation. It is across the tableland at Piseco lake, in his appearance, no doubt, which has Hamilton county. The day was all that gained for him the appellation of "king a fisherman could desire, and every conof beasts," with all the regal honor per- dition was right for good fishing. A taining to it. Certainly he looks "every party of three were in the boat-namely, inch a king." Nothing can be finer. The L. E. Everest, his friend, Professor fancy itself could conceive nothing more Spencer from Brooklyn, and the writer. attingly representative of majesty than the full grown male lion, gazing with less than half a day, and the size was great yellow eyes, which seem to know no feur, and the ample honors of his shaggy mane wrapped round his massive was being made before we started for the fact of pounds, and that is by constitutional remedies. Deafness is caused by an inflamed con-dition of the mucous lining of the Eufront and forearms. He looks like the home. Everest, who was trolling one of embodiment by nature of lordliness and the lines, said: "I've got another. He's magnanimity, and he has been adopted a big one from the way he pulls." Everas such in all literature and poetry from est let him play at one time nearly 200 Homer and <u>Aschylus down to the "lion</u> feet of line before the fish could be ly closed Deafness is the result, and un-SAILED THE SEAS 38 YEARS. consigne" of our music halls. Yet he is only a cat-a great cat-after all, and into sight, he was not so large as some this tube restored to its norm al condition those who know him in his native wilds we had already in the boat, but there hea mg will be destroyed forever; nine give a very different character of "felis was an unusual motion all about him. leo" from popular conceptions.
