Alice in Wonderland time of it. Captain Weeks' little boy Bert will have an experience like the little boy in "Water Babies," only it is to be hoped that the seals won't call him an "eft," like that little boy, because he isn't an "eft,"

ever was. -- San Francisco Chroniele. Baby Army For a Baby King.

A pretty and ingenious "toy" has been provided for his majesty Alfonso XIII of Spain, the youngest monarch in Europe, and the little king has been initiated into military life by taking the ing in ago from 5 to 8 years. There are 700 of these baby soldiers, and they wear the blue uniform and red cap of weapons have all been specially made to battalion, from the small son of Generhaps the most amusing and picturesque members of the party. Their enthusiasm for their work is boundless, but the organization is strictly according to rule, and an officer of the San Sabastian garrison has been drilling the recruits and their officers for a month past. -- Westminster Gazette.

One day, shortly before her mother took her to Gray Gables, little Rath Cleveland was on the grounds baca of the White House. It was nearly dusk, and the president was with her. She held the end of a string in her hand. The other end held captive a toy balloon. While playing she fell and let go encryctic means of the string, and the balloon sprang forcement of the upward so quickly that even the pracident, who jumped for it, couldn't catch it. Ruth picked herself up and saw the the sp president stood by and waited to console her when she should give way

Dr. Julia Holmes Smith.

The first woman to be placed on a political state ticket in Illinois is Dr. Julia Holmes Smith of Chicago, who has been nominated by the Democratic state convention for trustee of the University of Illinois. Dr. Smith was born in New Orleans and educated in New York, where she married John S. C. Abbott, the historian. After his death she returned to New Orleans and in 1871 married Sabin Smith, following her husband's fortunes to Chicago. Shortly before they went to the vestern metropolis to live she began the study

Ways of Cooking Trout.

The ideal way of cooking trout is the simplest. Choose fish weighing about a quarter of a pound. After cleaning them wipe them well and lay them up-

on a plate with a tablespoonful of melted butter and a little pepper.

After rolling the fish well broil them for about five minutes on the flesh side and two on the other and serve them without delay. Prepare trout in exactly, the same way and wrap them in writing paper that has been thoroughly soaked in melted butter, after first laying a very thin strip of larding pork un-der the fish. The paper should be tied ning's newest Paris tea gown. loosely over the fish, so that there is only one thickness between it and the do?" cried Mrs. Venning as for the asked as she entered her that on her reheat; then lay the fish on their envelopes hundredth time the writing table barred turn from the country. A sheaf of cards in a baking pan and bake them in a hot her progress and turned her footsteps and a packet of letters were handed her. oven for 25 minutes. Serve them in back to where the carved mantelpiece their envelopes, removing the strings alone to insure their being eaten hot Hes of captains. The masters of this and in perfection, is the advice of a and bibelots of every description. writer in the New York Tribune.
