HOW TO FIND OUT.

Fill a bottle or common glass with urine and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys. When nrine stains linen it is evidence of kidney trouble. Too frequent desire to urinate or pain in the back, is also convincing proof that the kidneys and bladder are out of order.

WHAT TO DO.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's swamp-root, the great kidney remedy fulfils every wish in relieving pain in the back, kidneys, liver, bladder and every into the fold of the church in infant ing compelled to get up many times during the night to arinate.
