over-working in pumping thick, kidney-polsoned blood through veins and arteries. It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their begin.

in kidney trouble. oring your kidneys. The mild aordinary effect of Dr. Kilmer's

A dispatch from Colon states that the Panama Canal Company is discharging men and has stoped surveys. There seems to be an attempt to connect this stoppage of work with some sort of a "revolution" which happens to be going on in that country. That excuse, however, will deceive nobody. A canal company which was operating in good faith would not stop work on account of any trumpery South American revolution. The work is stopping because it J W Crawford of Portland has pur- begins to be evident even to Panama less ditch. It is difficult to conceive how the money can have been raised
