**DIED.**  
Mrs Ellen Montgomery, wife of Sidney Montgomery, of Creswell, died at the family residence Sept. 28, of stomach troubles, aged 57 years. The funeral was held at the Howe cemetery, Sunday Sept. 30.  
Mrs Montgomery was well known here having resided in this vicinity for many years.  
During the winter of 1897 Mr James Reed, one of the leading citizens and merchants of Clay, Clay Co., W. Va., struck his leg against a cake of ice in such a manner as to bruise it severely. It became very much swollen and pained him so badly that he could not walk without the aid of crutches. He was treated by physicians, also used several kinds of liniment and two and a half gallons of whiskey in bathing it, but nothing gave any relief until he began using Chamberlain's Pain Balm. This brought almost a complete cure in a week's time and he believes that had he not used this remedy his leg would have had to be amputated. Pain Balm is unequalled for sprains, bruises and rheumatism. For sale by O. W. Hurd.

**RAILROAD RUMOR.**  
An Astoria dispatch of September 23 says: "W W Whipple, who has just returned from San Francisco, states that the opinion is general among Southern railroad men that the Astoria railroad is to be extended down the coast to San Francisco. It is reported in San Francisco that work on the extension will commence early next spring, and will be pushed to completion. The idea of extension is to avoid the heavy grade on the present route of the Southern Pacific. It cannot be stated authoritatively whether or not the report is correct in all its details, but there is no doubt here that the extension will be made in the near future."  
You assume no risk when you buy Chamberlain's Colic, Cholera and Diarrhoea Remedy. All Druggists will refund your money if you are not satisfied after using it. It is everywhere admitted to be the most successful remedy in use for bowel complaints and the only one that never fails. It is pleasant safe and reliable.
