are a great many people who think it is as useless to hope for health as to cry for the moon. They have tried many medicines and many doctors, but all in vain.

A great many hopeless men and women have been cured by the use of Dr. Pietce's Golden Medical Discovery; people with obstinate coughs, bleeding lungs, night-aweats and other symptoms of disease which if neglected or unskillfully treated find a fatal termination in consumption.

"Golden Medical Discovery" has a wonderful healing power. It increases the putrition of the body, and so gives strength to throw off disease. It cleanses the blood from polygonous impurities and enriches it with the red corpuscles of health. It is not a stimulant, but a strength giving medicine. It contains no alcohol, acither opium, rocaine, nor any other narcotic. have into it. Keep his head raised for a minute or

Sometimes the extra profit paid by inferior medicines tempts the dealer to offer a substitute as "just as good" as "Discovery." If you are convinced that "Discovery," will cure you accept nothing else.

"I was in poor health when I commenced taking Dr. Pierce's medicine," writes Mr. Limer Lawler, of Volga, Jefferson Co., Indiana. "I had stomach, kidney, heart, and lung trouble, was not able to do any word. I had a severe cough and hemorrhage of the lings, but after using your medicine a while I commenced to yain in strength and flesh, and stopped coughing right away. Took about six bottles of the "Golden Medical Discovery' then, and last spring I had Grippe, and it settled on my lungs, leaving me with a severe cough. I had the doctor, but he didn't seem to help me any; so I commensed your medicine—again and took at once.
