Shaw university has conferred the degree of LL. D. upon Booker T. Washington and Judson W. Lyons, registrar of the treasury.

preserved tobacco raised in Virginia in

Miss Braddon has published more than sixty novels since 1862. Previous trying literature, however, Miss Braddon appeared on the stage.

Ferrar Fenton, the writer of "The New Testament In Modern English," is crippled as the result of a "town and gown" conflict when he was a student in Lincoln. Kate Livingstone, a cousin of Dr. Livingstone, is living in the Isle of

Mull, in the Hebrides, and has just completed her one hundred and sixth year. She is, however, very weak. Thomas Meehan of Philadelphia has received the Veitch medal, named for Thomas Veitch, the English botanist. Of the eight medas thus far bestowed

three have been won by Americans. C. Barber, who has made most of his money in the manufacture of matches. is about to spend upward of \$350,000 in Improving the town of Barberton, O., which he founded and where he lives. The annual prize of 5,000 francs for the best work in medical research offered by the Belgian government has been awarded this year to Professor A. Van Gehuchten for his work on the human brain and spinal cord.

Ex-Governor John Lind of Minnesota, who is now practicing law in Minneapolis, says that he does not want to be governor again, but that his highest ambition is "to serve the people of Minneapolis in the city council.'

Sir Thomas Lipton's friendship with Commodore L. Cass Ledyard began several years ago when they first went on an ocean liner, when, according to the story, a severe storm had left them the only well persons aboard. General Harris C. Hobart, who, after a service of twenty-five years, has resigned from the Milwaukee public library board, was one of the Federal prisoners who tunneled their way out Shaving and Haircutting neatly of Libby prison. He is now in his eighty-ninth year.

France has two centenarian artists, M. Le Sourd-Beauregard, a painter, and M. Adolphe Thiae of Bordeaux, an architect, both born in 1800. M. Le Sourd-Beauregard studied under David and made a crayon sketch of Napoleon's great "Champ de Mai" fete in

THE GLASS OF FASHION.

Little gun metal buttons are attrac The new shaped toques with brims

tremely fashionable. Collars of silk and lace are dainty in he extreme and are being chosen for all sorts of occasions. It is a new idea to make a collar of tucked white taffeta and trim it with ecru lace.

A fanciful belt just now making its appearance has the buckle at one side of the waist instead of directly in front. Leather or corded satin is the material most frequently chosen.

The woman who wears black underwear, or at least petticoats, with her black gowns buys the little underpetticoats in soft, light India silk, trimmed with black lace. They add but little to the circumference of the wearer, which

A modish hat that is attracting attention this season is made up of tiny feathers pasted together on a stiff foundation. These hats are of one color or shade in a variety of tints. Silks and soft ribbons make up the trimmings for such hats.

ORCHARD AND GARDEN.

Keep an eye to the future shape of the tree and timely remove small, needless crossing or crooked limbs.

Runners on grapevines should be cut off during the growing season if the vine is a strong grower. If not, simply rub off a portion of the buds. There is no plant that enjoys plenty

of good manure more than the rose. makes weak men strong. Many gain pounds in ten days. Over **500,000** Lack of it will always result in scraged. All druggists. Cure guaranteed. Book-gy plants and miserable blooms. gy plants and miserable blooms. Old apple and other fruit trees are often improved by cutting out the branches in the center, where they are

apt to crowd one another too much. There are many flowering shrubs that are readily propagated by cut-Others send up suckers or sprouts from the roots that may be taken out and set out.

If a quarter of an acre or more can be given to the fruit garden, plant everything in long rows, leaving headlands at each end. Then use the borse in cultivating.

PITH AND POINT.

Never He unless you can make some If you grant a min a favor, do it cheerfully. You might as well refuse

as to grumble.

fair and anything else successfully at the same time. In every home there is a bureau drawer that "sticks" and makes the

women wish they could swear. Rule for making husbands observe politeness and ent their meals when there is company without removing their coats: Let boles accumulate in their shirts .- Atchison Globe.
